

## The Passing Parade

By HAROLD S. MAY

Huntsville, the fastest growing city in Alabama, has seen the light—the light of an unbalanced economy. Not content to enjoy its present prosperity with no thought to what could happen to its future, the business leaders, backed solidly by its citizens, have created the Huntsville Industrial Development Corporation with its only purpose being the bringing into the community new and varied industry. In no way connected with the Chamber of Commerce, this organization, according to Will Mickie, editor of The Huntsville Times, and James A. Lane, Huntsville's leading real estate developer, began functioning after March 1st of this year when Huntsville canceled its membership in North Alabama Associates, of which Florence is a member. An experienced and capable manager, one with a proven record of securing new industry, has been employed by HIDE, which is financed by the Electricity Department of Huntsville which has transferred its \$15,000 annual contribution from North Alabama Associates to the Huntsville Industrial Development Corporation, the City of Huntsville and Madison County, as well as by business people who hold annual memberships costing from \$100 up. Today, HIDE is a vital, going concern with greater possibilities and more developing control than ever dreamed possible.

Last week we urged the organization of such a group without having the information above. Both Mr. Mickie and Mr. Lane in no way condemned the work of North Alabama Associates and praised Tom Johnson, its director highly, however, they pointed out that they have found that HIDE with the sole purpose of bringing new industry to Huntsville is more effective since it is interested in but one community instead of many communities in a large area. "This is proven in our case," Mr. Lane said.

T. T. Martin, chairman of the Industrial Committee of Mobile, which has 39 members, told the group Friday that "nothing can equal the value of concerted community interest in getting new industry." The newly organized Industrial Committee was then told "efforts for new industry must not stop at the city limits but every resident of the county, being equally affected, must lend his aid in the work of attracting new industry to Mobile." (Certainly this is equally true of Florence and Lauderdale County.) It was also stressed before the Industrial Committee that better school facilities, better traffic conditions, adequate housing, cooperation in fair pricing of industrial sites, were of great importance in securing new industrial plants. Mobile, too, has seen the light and is moving toward the solving of its problems much as is Huntsville. Florence, too, must see the light and solve its problem—before the parade passes us by.

Nowadays a husband and wife must have minds that run in the same channel—or else have two TV sets.

Many years ago, the following lines were distributed about the country in an effort to bring before the drivers of motor vehicles the responsibility that is theirs as they take to the highways and byways:

A steering wheel. And you're my captain. Behind me you're the lord and master of a miracle. You can make me take the kids to school. You can turn me down the sunny road toward town. With me you can guide your goods to the market place . . . you can rush the sick to be healed . . . you can go in minutes to places hours away. You can do magic.

Yet, in the blink of an eye, in the tick of your watch, I can turn deadly killer. I can snuff out the life of a kid still full of life—maybe your kid. I can twist a smile into tears. I can wreck and cripple and destroy. I can deal out death like the plague.

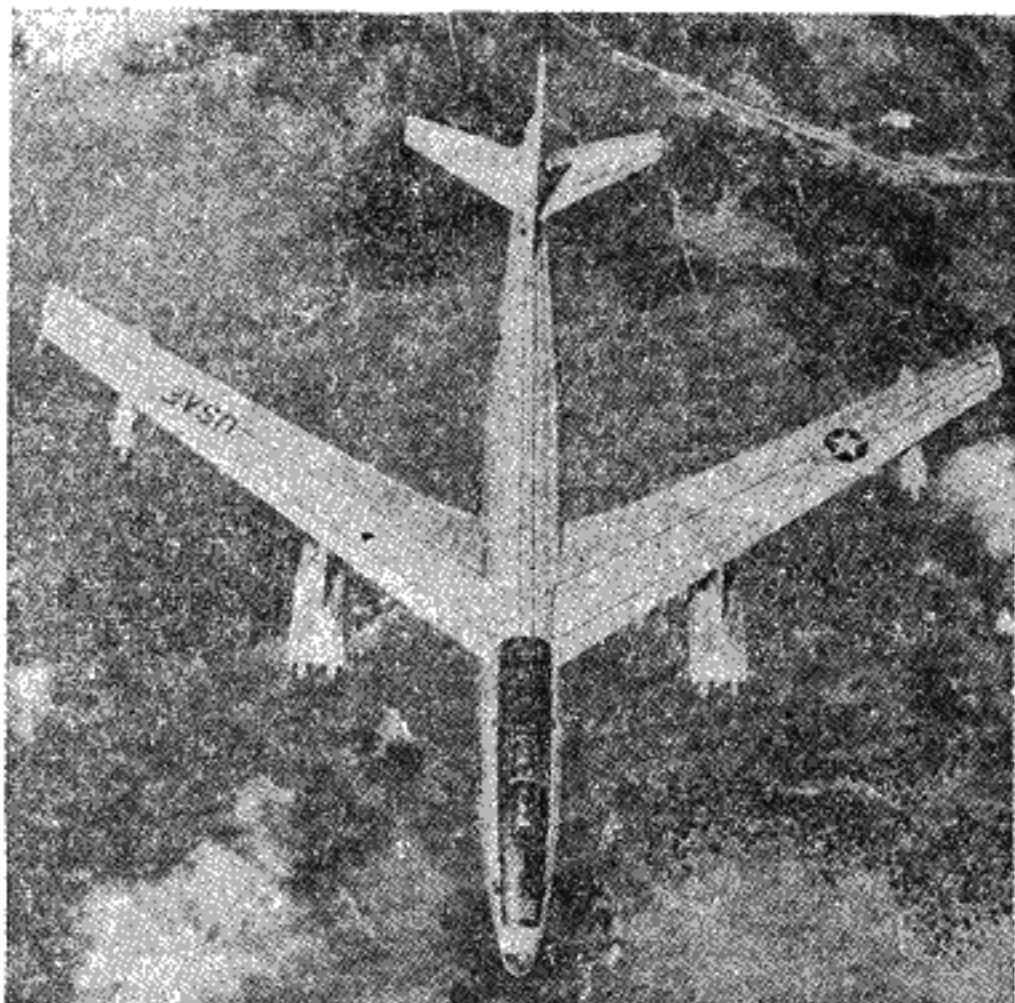

And no respecter of persons. A child, a grandmother, even you, my friend . . . it's all the same to me.

I'm sensitive. I respond instantly to the hands you give me. Give me calm hands, steady hands, careful hands . . . and I'm your friend. But give me unsteady hands, fussy-minded hands, reckless hands . . . then I'm your enemy, a menace to the life, the happiness, the future of every person, every youngster riding, walking, playing.

I was made for pleasure and usefulness. Keep me that way. I'm in your hands. I'm just a steering wheel. And you're my captain. Behind me you're the lord and master of a miracle . . . or a tragedy. It's up to you.

Housework is something you do that nobody notices unless you don't do it.

A beatnik lived in a shabby room with a pad (bed) to the up and a single rickety chair. One night a lovely beatnik dropped by and noted two magazines lying on the floor. "Like what did you do, man," he asked, "hire a decorator?"

ANOTHER PLANE—This is a photo of the B-47, like one the Soviets shot down in the Barents Sea area. The Soviets charged the craft was spying on their territory, and a breach of Eisenhower's promise on spy flights made at Paris.

## TVA Awards Contracts For Bridge Alterations

Work Made Necessary By New Navigation Lock At Wilson Dam

The Tennessee Valley Authority Sunday announced the award of two contracts, amounting to almost \$2,000,000, for alterations to the Southern Railway bridge between Florence and Sheffield.

U.S. Steel Corporation, American Bridge Division, Birmingham, will furnish structural steel and other materials and equipment for \$1,390,665. Blount Brothers Construction Company, Montgomery, will excavate earth and rock, build cofferdams and perform other services for \$406,247.

The alterations were made necessary by the construction of the new navigation lock at Wilson Dam.

Other TVA projects already in various stages of construction in the Shoals area include the \$90,000,000 expansion at Colbert Steam Plant; completion of alterations to the old lock at Wilson; installation of three additional generators at Wilson Dam and at Wheeler Dam.

It is also expected that work will begin shortly on construction of an additional lock at Wheeler Dam to do away with the bottleneck in increasing barge traffic.

This construction is in addition to the regular work of the Muscle Shoals Chemical Plants, Colbert Steam Plant and the crews that supervise operations of Wilson, Pickwick and Wheeler dams, and lesser TVA activities in the area in agriculture, forestry and the like.

Other contracts awarded were as follows: Fairmount Chemical Co., Inc., New York, chemicals, \$51,238; Copperweld Steel Co., Glassport, Penna., steel cable, \$67,563; Link Belt Co., Chicago, water screw, \$150,000; Westinghouse Elec. Corp., Chattanooga, oil circuit breaker, manufactured in Pennsylvania, supplement to original contract, \$63,800.

## Editors Condemn Party's Platform

Herald Publisher Feels Johnson On Ticket May Benefit South

Among the several editors of daily and weekly newspapers interviewed Saturday on Dauphin Island where the Alabama Press Association was holding its annual summer meeting, was Harold S. May, a vice president of the Association and editor and co-publisher of the Florence Herald.

When questioned as to his opinion of the Democratic National Convention results, Mr. May said, "If I felt the platform as adopted by the convention would ever become the law of the country, I would be very unhappy. But I don't feel that will come about. We might not have as much to fear with Johnson on the ticket. It looks like the Democrats will carry Alabama now."

Mr. May's comments were much like other members of the press group in that they were unanimous in their denunciation of the Democratic platform because of its civil rights plank. Some felt that even with the Texan on the ticket, the platform will overshadow whatever influence a southerner might exert.

Others who commented strongly on the matter were, Steele McGrew of the Limestone Democrat and Athens Courier; Glenn Stanley of the Greenville Advocate; Buford Boone of the Tuscaloosa News; James E. Mills, editor of the Birmingham Post-Herald; Karl S. Elebash, Tuscaloosa Graphic; Nat Faulk, Dothan Eagle; Will C. Mickie, Huntsville Times.

## CEMETERY DECORATION DAY SATURDAY

The annual Decoration Day at Miller Cemetery, Rogersville community, is scheduled for Saturday, July 23. Everyone is invited to come and to bring a basket lunch.

## Rogersville Will Get New School

Project To Be Ready By Second Semester; State Funds Requested

A new \$125,000 elementary school is now being constructed for Rogersville students. Work at Rogersville, where a fire completely destroyed the elementary school during last term, was begun early in June by the Lauderdale County School System construction crew.

The Lauderdale County Board of Education has also requested funds from the State's \$100,000,000 bond issue for additions to five other county schools.

According to Supt. Allen Thornton of the County Board of Education, the Board planned to borrow funds from their building and equipment fund, to construct additional classrooms at Lexington. Other schools where additions will be built providing the State funds are collected include Underwood Elementary, Cloverdale Junior High, West End Negro High, Killen Junior High and Central High School.

Actual work on the new Rogersville School has been held up the past few days due to shortage of materials and Thornton said the building would not be ready for occupancy when school registration begins on August 22. "We hope to have it ready by the opening of the second semester," he stated. The new building will include eight classrooms, offices and cafeteria.

The Rogersville project is being financed jointly from a \$63,000 insurance payment as a result of the fire and an amount borrowed against the County's one-cent sales tax.

## ART EXHIBIT TO BE PRESENTED JULY 23

An art exhibit will be presented by the Florence State Art League on Saturday, July 23 from 8:00 a.m. until 5:30 p.m. on the grounds of the Memorial Amphitheater.

One hundred-twenty-five art students will display their work which will include sculpture, wall hangings, paintings, and ceramics. This will be the second showing of student art presented by the Art League.

REGAL KISS—Miss Universe of 1960, Linda Bement, of Salt Lake City, Utah, is kissed by Akiko Kojima, last year's Miss U. from Japan.

## Farmers To Vote Quota For Wheat

Alabama is one of the 39 commercial wheat states that will vote in a referendum today.

According to the U.S. Department of Agriculture, this vote will decide whether wheat marketing quotas will apply for next year's crop. And these are the issues to be decided by the vote:

If quotas are approved, all farmers in commercial wheat states who have more than 15 acres of wheat and who exceed their acreage allotments will be subject to quota penalties on their "excess" . . . except those who comply with the "feed wheat" program. On the other hand, growers who comply with their allotments will be eligible for price support at the full level available.

If quotas are not approved, marketing quotas and penalties will not be in effect for the 1961 wheat crop, but acreage allotments will remain in effect as a condition of eligibility for price support. And growers who comply with their wheat allotments will be eligible for price support at 50 percent of parity.

## Cottrell Named On Committee To Aid Supervisor

Lexington Farmer Is Member Of Group To Serve During 1961

Appointment of Oscar S. Cottrell as a member of the Farmers Home Administration county committee was announced this week by Cecil C. Mixon, the agency's county supervisor serving Lauderdale County.

Mr. Cottrell owns and operates a farm near Lexington on which he has been living for the past 16 years. He follows a diversified system of farming which includes the production of cotton, corn, hay, grade "B" milk and hogs. He believes in proper fertilization and limiting of crop and pasture land; the results from which are clearly visible on his farm at present. Mr. Cottrell is 45 years of age and has three children, 2 boys and a girl.

Two other members make up the 3-member committee which works with the county supervisor to see that the best possible use is made of the agency's farm credit service program consistent with local farmers' needs. The two other members are Luther L. Whitten, Route 2, Florence, and Robert H. Howard, 219 West Bluff Street, Florence. Mr. Whitten will serve as committee chairman during the next, or 1961, fiscal year.

Each member is appointed for a 3-year term. Mr. Cottrell succeeds William J. Townsend whose 3-year term expired this year. The committee determines the eligibility of individual applicants for all types of loans. It also views borrowers' progress and aids the county supervisor in adapting the agency's loan policies to conditions faced by farmers in this area. Members are selected and appointed so that, so far as possible, different areas or neighborhoods are represented.

The Farmers Home Administration makes annual or intermediate term loans to farmers who need adequate funds to buy equipment and livestock, and longer term loans to build or repair houses and other essential farm buildings, and to purchase or improve land suitable for family-type farm operations.

It also advances credit to farmers or their non-profit associations to establish and carry out approved soil and water conservation practices, and to install and improve irrigation and farmstead water facilities.

## FSC Graduation Exercises Set

Final arrangements have been completed for graduation activities at Florence State College.

The baccalaureate sermon, to be given by the Reverend John R. Rodman, pastor of the First United Presbyterian Church, Harman, Tenn., is scheduled for Sunday, July 24, at 5 p.m.

At commencement services on Friday, July 29, at 7 p.m., at which time degrees will be conferred upon 112 graduates, Brooks Hayes, Director of TVA and former Arkansas congressman, will deliver the message.

Music for both occasions will be furnished by the college choir directed by Mrs. Hugh G. Porter. Both baccalaureate and commencement will be held in the Amphitheater, or in case of rain, in Coffee High School Auditorium.

## CITY ELECTION SET SEPTEMBER 19

The Florence Board of Commissioners announced on Tuesday that the Florence city election will be held on Monday, September 19, at which time the qualified voters will select an official to a three-year term on the board. Prospects for the office may qualify up to 20 days before election date.

E. F. Martin, president of the board and ex-officio mayor, whose term expires this year has qualified for re-election. It was announced.

# Kennedy Takes Helm Of Party After Sweeping '60 Convention

## Late News

● Republicans this week were beginning to head for Chicago where the GOP National Convention officially gets under way on next Monday. Every current sign points to the nomination of Vice President Richard Nixon by acclamation though the choice of his running mate remains indelusive. Gov. Nelson Rockefeller, who has injected himself into the picture of late turned down an invitation to second Nixon's nomination or even endorse the vice president. Rockefeller, chairman of the 96-vote New York Convention delegation, agrees Nixon has it in the bag but has kept himself open to a "draft."

● Belgian soldiers began pulling out of Leopoldville Tuesday leaving U.N. forces to keep the peace within the capital. U.N. Undersecretary Ralph J. Bunche told newsmen that the withdrawal is scheduled to be completed by 7 p.m. Saturday. Premier Patrice Lumumba had threatened to ask for Soviet aid if the Belgians were not out of the Congo by midnight Tuesday, although the U.N. military forces said that did not worry them at all.

● Picketing of additional airports by striking Southern Airways pilots has been cancelled pending arrival in Atlanta of Clarence N. Sayen of Chicago, national president of the Air Line Pilots Assn., authorized to give the signal that could tie-up commercial flights in eight Southeastern states. "We hope Sayen will be able to work out an agreement with Southern Airways which will prevent the possibility of an eight-state work stoppage," said Capt. Robert T. Brown, public relations officer for the Atlanta ALPA council.

● Gov. Ross Barnett of Mississippi has taken the lead in urging a Southern bolt from the Democratic Party. Barnett said Monday night upon returning from the Democratic National Convention in Los Angeles that he favored reuniting Mississippi's Democratic Convention to support a third party movement.

● A Federal Court Tuesday told the state of Delaware its grade-a-year public school integration was too slow and ordered total integration by the fall of 1961. The Court of Appeals for the Third U. S. District said the state's present race integration process does not meet the "deliberate speed" requirement of a Supreme Court order. This grade-a-year plan, which began last year, would have resulted in total school integration by 1972.

## Vo-Ag Teachers Attend Meeting

Summer Conference Will Begin Today At Auburn University

The 1960 Summer Conference of vocational agriculture teachers is being held this week in Auburn with approximately 270 teachers attending the three-day meeting. T. L. Faulkner, state supervisor of vocational agriculture is serving as conference chairman. E. Grady Hendrix of Jasper, president of the Alabama Vocational Agriculture Teachers Association is presiding at the business meetings of the association.

"Vitalizing the Learning Process" is the theme of the study period during the second day of the conference. A team of instructors from the Air University at Maxwell AFB Montgomery and who are sponsored by Alabama Farm Bureau Insurance Companies, are presenting the program. Speakers addressing the group were Dr. Frank R. Stewart, state superintendent of education; Dean T. M. Pierce of the AU School of Education, Dr. R. E. Cammack, state director of vocational education, Dr. E. T. York, Jr., director of the Auburn extension service, and T. L. Faulkner, state supervisor. Dr. Ralph B. Draughon, president of AU welcomed the teachers to the campus.

## NORTON TO ATTEND AEA CONFERENCE

Dr. Henry H. Hill, president of George Peabody College for Teachers and one of the south's leading educators, will speak to an assemblage of Alabama Education Association members at the annual AEA Leadership School, today.

The work conference, which is co-sponsored by the National Education Association, is being held at Alabama College, Montevallo this week. More than 500 school and local teacher association leaders have been invited to participate. Professional organization activity and school legislation will be discussed as they apply to the conference theme, "Improving the Quality of Education."

Program participants include Dr. E. B. Norton, president of Florence State College.

DEMOCRATIC NOMINEE—Senator John F. Kennedy is shown grasping the hands of supporters at the Democratic National Convention in Los Angeles last week. The Massachusetts senator was nominated on the first ballot. His running mate, Texas Senator Lyndon B. Johnson ran second and later agreed to accept the nomination for vice president.

Annual Cotton Maid Contest Set

Winner To Participate In State Finals To Be Held In Birmingham

Winners of the county Cotton Maid contests, who will be chosen during the month of August, will meet in Birmingham for the state competition.

The Maid of Cotton contest in Lauderdale County has been set for August 26-27, to coincide with the annual meeting of the Farm Bureau, co-sponsors of the contest. Judges will meet with the contestants Friday afternoon, Aug. 26, at the Reeder Hotel, with the winner to be announced Saturday evening at the Lauderdale County coliseum.

The winner will participate in the state finals from which a contestant for the National Cotton Maid will be selected. The national winner will receive many gifts, will be clothed in an all-cotton wardrobe and sent around the world to represent cotton.

The approximate 20 sponsors for this year's Cotton Maid contest in Lauderdale County have not yet selected candidates.

Among several qualifications a girl must meet in order to enter the contest, she must be a legal resident of Lauderdale County, never having been married, and between the ages of 19 and 25; she must have been born in one of the following cotton-producing states: Alabama, Georgia, Kentucky, Louisiana, Mississippi, Missouri, New Mexico, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Virginia, or a cotton producing county in Illinois, or Nevada.

She must be photogenic, at least 5 feet 5 inches tall, in perfect health and willing and able to meet people and to take part in the Alabama Maid of Cotton contest in October, in addition to other specifications.

Mr. and Mrs. D. A. Coffey have returned from several months' visit with their son, Dave Coffey, and Mrs. Coffey, at Zwijndrecht, Holland.

## Lyndon Johnson Is Running Mate On Demo Ticket

After laying the religious issue on the line Friday night in his acceptance speech Senator John F. Kennedy took personal command of the Democratic party. His nomination for the presidency at the Democratic National Convention with Senator Lyndon B. Johnson of Texas as his running mate was the result of a well planned and well executed political coup that from the outset left little doubt that the New Englander had the nomination in the bag.

Accepting the nomination before a cheering throng of some 60,000 in Los Angeles huge coliseum Friday night, Kennedy, the first Roman Catholic to be nominated for the presidency since 1928 said:

"I am telling you now what you are entitled to know: That my decisions on every public policy will be my own—as an American, a Democrat and a free man."

Continuing with the religious issue Kennedy said he hoped "no American, considering the critical issues facing this country, will waste his franchise by voting either for or against me solely on account of my religious affiliation."

Kennedy, severely critical of Republican Vice President Richard Nixon, stressed his promise to provide "creative Democratic leadership in the White House, emphasizing the space age" demands a new generation of leadership."

Facing Hurdles  
With the Senate opening August 8 Kennedy will be intimately involved with two of the biggest measures awaiting Senate consideration—the broadening of the minimum wage law and the enactment of medical care program for the aged.

He has added two other measures to his Senatorial chores, these being that 2½ to 3 billions be added to defense funds to be voted in August and to work out an emergency bill to boost farm income.

Meanwhile the new Democratic nominee for the presidency might the rest and seclusion of his Massachusetts home Monday, flying back to a rousing welcome from some 50,000 well-wishers in the Cape Cod resort of Hyannisport. He soft-pedaled political talk, however, as he drove on to his summer home with his wife seated beside him.

Expecting a child later in the year, Mrs. Kennedy did not attend the convention.

## President Signs Loan Measure

World War Two Vets May Obtain Money For Farm, Business

Neil R. Smart, Manager of the Alabama VA Regional Office in Montgomery, said today that World War II veterans have two more years in which to obtain Veterans Administration - guaranteed home, farm and business loans as the result of a bill signed into law July 14, 1960, by the President.

Under this same law, both World War II and Korean Conflict veterans can continue to get direct loans from the federal government if they live in designated rural areas where GI loans are not obtainable from the local lending institutions.

The new law authorizes Treasury Department advances of \$150 million in each of the next two years of this direct loan extension program. New expiration date for the guaranteed loan program for World War II veterans and for the direct loan program for both World War II and Korean veterans is July 25, 1962. The prior deadline for both programs was July 25, 1960.

While both World War II and Korean veterans may now apply for direct loans through July 25, 1960, Korea veterans may continue to seek VA-guaranteed loans through January 31, 1965, through previous legislation.

The GI loan interest rate of 5½ percent remains unchanged by the new law.

## National Safety Week

National Safety Week is designed to serve as a reminder for us to be careful. Theoretically at least, all accidents are preventable, especially those around the home.

The National Safety Council has analyzed many thousands of farm and home accidents and has come up with three basic reasons: Carelessness, indifference to risk, and ignorance of danger. With proper caution and effort home accidents can be prevented. Perhaps it would be well to look at some of the direct causes of accidents in the home, many of which result in death.

More than half of the fatal accidents are due to falls of some nature. These are caused by faulty steps, stumbling over toys or other objects left in the way, slipping on small rugs, using step ladders, stools or tables that are rickety or improperly braced.

The causes of accidents on the farm are almost endless yet all can be prevented if we are alert to the common dangers. In this age of machinery the improper handling of tractors, mowers, saws and other farm power equipment results in much loss of limb and life. Electrical devices are also the cause of many fatal accidents and fires on the farm and in the home and while on the subject of the improper uses of electrical appliances we should point out that overloading an outlet or any circuit is dangerous. Plugging in an appliance, such as a washer, dryer, radio, or heater while in a bathtub, standing on a wet spot, or with one hand in water can result in electrocution.

If wires on electric irons or any appliance become frayed or the connections are cracked or loose, have them repaired immediately. Don't risk faulty wiring anywhere.

Remember, more fatal accidents happen in the home than anywhere else. It is where we are most careless.

## A Good Ticket

Sectionalism reared its ugly head once again at the Democratic National Convention to add a sour note to what would have been little more than the formality of nominating the top men in two political camps within the party. . . . John F. Kennedy and Lyndon B. Johnson. Despite vociferous protests and not a few misgivings on the part of certain northern factions because a southerner was nominated for the number two spot, the ticket produced by the convention appears to be the only logical one to meet and resolve difficulties within the party and offer the type of opposition most calculated to defeat the veteran Nixon in November.

In viewing the Democratic National Convention on television one could scarcely have been unaware of the air of artificiality about the whole thing. A sort of false enthusiasm seemed to pervade the atmosphere except when the banner-waving Stevenson supporters invaded the hall and staged their nearly hour-long fiasco under the prodding of the Roosevelt clan led by the persuasive Eleanor. This demonstration certainly served no good purpose except to retard an already ponderous and ritual-laden machine set up to do the job of nominating candidates for president and vice president. Mrs. Roosevelt had, according to reliable reports, 30 tickets for seats but by some hook or crook several hundred so-called Stevenson supporters, mostly students, got into the hall and proceeded to disrupt the proceedings by shouting the plaudits of a two-time loser who is of little value to the party despite a considerable personal following. It is just possible the whole thing was a move to bally-hoo Mr. Stevenson for the secretary of state spot in case Mr. Kennedy wins in November. Let us hope Mr. Kennedy makes a better choice.

Back to the subject of conventions. This one certainly demonstrated the need for revamping the whole procedure of conventions.

The idea of the endless nominating speeches and demonstrations for favorite sons seems to be both needless and exhausting. These could be limited to one nominating speech for each candidate with the actual balloting starting only after the nominations are completed. With just a few needed amendments to the rules the whole proceedings could be over in three days at most.

The Kennedy-Johnson ticket seems to have been the best campaign strategy the Democrats could have devised to win over the well-organized and formidable Nixon, there being little likelihood the Republicans will nominate anyone else.

Both Kennedy and Johnson are eminently qualified, both are experienced and mature thinkers, both have excellent legislative and voting records, and both are down-to-earth American family men who are completely aware of the gravity of the world situation and of their country's needs.

## Income Limit Of Children Raised Under New Law

Custodians and legal guardians of minor children receiving pension from the VA would be wise to elect pension under the new law, states W. O. Crumby, Sr., Veterans' Service Officer, Lauderdale County, Alabama. It raises the income limit for children from 14 hundred dollars to 18 hundred dollars a year. Earned income of the child is not included in this 18 hundred dollar limit under the new law but it is counted under the old law. Also, pension rates for children are higher. For instance, a child receiving a pension in the amount of \$27.30 a month under the old law can receive a pension of \$35 a month under the new one. Two children, each receiving \$20.47 a month pension under the old law, may each receive \$25 a month under the new law. This new law does have what's known as a "net worth" test, but the VA will not accept an election by the custodian or

## Local Students Make Dean's List

Lauderdale County was among 51 counties in Alabama represented in the University of Alabama Dean's list for the just ended second and final semester of the 129th academic year. Academic excellence, is the qualification for the listing, which included some 377 students out of 7,600 at the Capstone. To be on the list one must make a 2.5 average or better with two point being "B" and 3 point being "A". On the list from Lauderdale County were: Miss Elsie Jean Longshore of Florence, Education; and Jennette Perry of Florence, who made all A's, and who is in the School of Commerce and Business Administration; Larry Harrison Welch of Rogersville, Engineering.

guardian under the new law if the net worth of the child would bar pension payments. As we see it, a custodian or guardian has nothing to lose and perhaps much to gain, by making an election for a minor under the new law.

## In The Week's News

### Gun Fancier Charged With Killing

The Elmore County Grand Jury last Wednesday, July 13, returned a first-degree murder indictment against John Wilbanks in the death of 9-year-old Barbara King of Homewood. The special session reported that Wilbanks, 41, an unemployed boat designer, should stand trial for first degree murder of the King child. Wilbanks is accused of firing a high-velocity rifle bullet which blasted away part of Barbara's skull Sunday night, July 3, while she was playing with firecrackers outside her family's lakeside cottage on Lake Martin.

### Two Planes Down In Pacific

An American passenger-plane and a Philippine airliner went down at sea in separate accidents last Thursday, with a total of 89 persons aboard the two planes. Eighty-seven were reported safe after swift rescue from shark-infested waters. At least 34 Americans were aboard a Northwest DC-7C on the last leg of a New York to Manila flight with 48 persons, including 21 from a New York tour group. One person was reported missing and one killed. In the Southern Philippines, a Philippine Airlines plane on an interisland flight ditched in shallow water near land and all 31 passengers and crew members were picked up.

### UN Forces Rushed To Congo

An airlift of U.N. forces was in full swing Saturday night to the chaotic Congo, locked in war between its new rulers and its former Belgian masters. Violence between Negro crowds and Belgian soldiers threatened the capital of Leopoldville as the U.N. vanguard of Negro soldiers from Ghana and Tunisia took up positions around the capital. Congolese police were assigned by the U.N. to share police duties.

### Latin America Backs U.S. Stand

The Organization of American States Saturday lined up behind the United States in rejecting Soviet interference in Western Hemisphere affairs. At this time seventeen of the 21 OAS member nations approved a Peruvian call for a meeting of Western Hemisphere foreign ministers to consider the situation raised by Moscow's support of Cuba in its dispute with the U.S.

### Rockefeller Refuses Nominate Nixon

Gov. Nelson Rockefeller of New York, Republican aspirant to the White House, stated Sunday that he had turned down an invitation to place the name of Richard Nixon in nomination at the Republican convention meeting in Chicago the week of July 24. Rockefeller said on a television show last week that he would be available for a genuine draft but nothing else since it appeared Nixon had the "nomination sewed up."

### Father of Elvis Marries Divorcee

Vernon Presley, 44, father of Elvis, confirmed last week at Panama City, Fla., that he married silver blond divorcee Devada (Dee) Elliott, 34, in a quiet ceremony in Huntsville on July 3. They are honeymooning near Panama City at a hide-away lodge, it was revealed.

## Veterans Pension Law Explained

### Increases To Dependents Shown In New Set-Up For Ex-Servicemen

The new veterans pension law approved by Congress and the President during 1959 went into effect on July 1.

The Veterans Administration said veterans and their dependents coming on the pension rolls from now on will do so under provisions of this new law known as Public Law 86-211.

Veterans and their dependents already on the pension rolls are allowed either to remain under the previous law or to elect to come under the new law. Such an election once made may not be revoked.

Pension is paid only in cases of veterans whose disabilities have no connection with their actual military service. Payments to veterans and their dependents for service-connected disabilities are called "compensation" and are not affected by the pension laws.

Under the law now operative, single veterans with annual income not exceeding \$1,800 who are permanently and totally disabled may be paid pension at a monthly rate ranging from \$40 to \$85, depending on the amount of other income they have. Similarly, disabled veterans who have dependents can draw from \$45 to \$100 per month, and have a maximum income limitation of \$3,000. To each of these amounts, \$70 will be added if the veteran requires constant aid and attendance.

Widows alone may be paid from \$25 to \$60 a month, and the rate increases to from \$40 to \$75 per month for widows with one child. An extra monthly payment of \$15 is allowed for each additional

## Swimming Pool Stock Is Offered

### Issue Now Trading At Premium According To The Underwriters

It was made known Tuesday by Marron, Sloss & Co., Inc., that an offering of 250,000 shares of Swimming Pool Development Co., Inc., common stock was offered at a \$5 per share and is now trading at a premium.

The company, organized March 3, 1960, by E. L. Culver, Florence, proposes to engage in the planning, designing, and construction of swimming pool projects and related facilities such as swim clubs and the financing of such projects.

Mr. Culver paid \$499,984 for 124,996 shares of common stock, purchased at \$4 per share and representing more than 99 per cent of the company's common stock outstanding.

To manufacture the equipment packages will be National Pool Equipment Company, an affiliated company. Both National Pool and Swimming Pool Development Co., Inc., are under the common control of Mr. Culver who owns about 40 per cent of the common stock of National Pool.

Among the underwriters are Shipper and Finney, Inc., of Florence. Mr. Charles T. Finney advised that the entire issue was sold immediately and is now trading at a premium.

## Personality Sketches

By FRANCES HALL

WILLIAM O. WHITTEN

"To look back over the past thirty-four years since I first became connected with the livestock industry and see the wonderful progress made in the production of beef cattle in Lauderdale County, I find a degree of satisfaction in the realization that I had a small part in this transition from the days of the scrawny dairy animal to today's production of some of the finest beef cattle found anywhere," was the comment of Mr. Whitten made as he reminisced over the more than a quarter of a century he has been connected with the industry.

"I well remember when I first became manager of the Florence Abattoir in 1926. The quality of the dairy cattle—and there were no beef cattle raised in Lauderdale County—that was brought to us for slaughter was hard to believe. What a wonderful change in our economy the production of quality beef animals has made for all of us," Mr. Whitten continued.

William Owen Whitten was born in Lauderdale County, Cloverdale community, the son of C. C. (Charlie) and Laura Dowdy Whitten. He was reared on the farm and attended the rural schools of the county. He attended State Normal College, Florence, and Draughton Business College in Nashville, graduating from the latter school in 1924.

Upon completion of his college work, Mr. Whitten accepted a position with the Bond Auto and Plumbing Company of Florence, remaining with that firm for a year. He served for a short time in the Army during World War I, after which he attended Alabama Polytechnic Institute, now Auburn University.

Before becoming connected with Dowdy and Whitten Grocery Store and Tom P. Simpson Grocery, Florence, Mr. Whitten went back to the farm for a short time. He later was connected with the Lauderdale County Health Department, under Dr. W. D. Hubbard, County Health Officer, and placed in charge of rural sanitation.

On March 20, 1926, Mr. Whitten was named manager of the Florence Packing Company, forerunner of the Florence Packing Company. He served first as plant manager, continuing in that position until the Florence Packing Company was organized. At that time, T. T.

Mr. Whitten is an active member of the Poplar Street church of Christ.

As for hobbies, Mr. Whitten has farming interests, raising grade cattle and hogs. He also finds horseback riding splendid for relaxation. He is a member of the Florence Golf and Country Club, though, as yet, has not taken up golfing.

Exceedingly proud of the part his firm has played in the development of the beef and pork industry in Lauderdale County, Mr. Whitten finds much satisfaction in viewing the steady progress being made throughout the county.

## Ross Completes Training Course

Walter Ross, member of the appraisal staff of First Federal Savings and Loan Association of Florence, has returned from an intensive, two-weeks special training course sponsored by the American Institute of Real Estate Appraisers, held at the University of Kentucky.

The course covered the entire appraisal process including the latest techniques developed by the Institute in the appraising of existing as well as modern construction and design in residential, commercial and industrial properties. Classes on rehabilitation, modernization and remodeling were an important part of the course.

"Since First Federal is always interested in progress and in the rendering of the most efficient service possible to our customers and the community, it is our policy to keep our personnel fully informed with the newest developments pertinent to the savings and loan field," says W. L. Foy, Sr., Association president. "As other courses are offered, First Federal will be represented, and this important and valuable information will be passed on to our personnel," says Mr. Foy.

## Maxwell Receives First Certificate

Colonel Matt T. Maxwell, head of Civil Engineering for Pacific Air Forces, was the first to be presented with the Certificate of Registration as a Professional Engineer, bearing the new State Seal of the Hawaii Board of Registration for Professional Engineers, Architects and Land Surveyors. The presentation was made on 1 July at 1909 Aleo Place, Honolulu, the home and business of Mr. William C. Furer, Executive Secretary of the Hawaii Board.

Col. Maxwell is the husband of the former Miss Evelyn Bailes of Florence. The Maxwells have two sons, Jess, a senior electrical engineering student at Colorado State University and Matt Tom III, naval aviator assigned to the aircraft carrier Hornet. They reside at Hickman Air Force Base.

## Three-Day Scout Camporee Is Set

### More Than 1300 From Nine North Alabama Counties Will Attend

Plans for a three-day Boy Scout camporee at Courtland Air Base, Courtland, were formulated at a meeting of committee chairmen at Redstone Arsenal last week.

The camporee is to be held this week end, the same week end as the National Boy Scout Jamboree at Colorado Springs, Colorado. Purpose of the local camporee is to provide boys who are unable to attend the national jamboree an opportunity to participate in a similar activity.

More than 1300 Boy Scouts and 300 Explorer Scout from nine North Alabama counties are expected to attend the event. Participants are to begin arriving at the campsite at 3:30 p.m. (CST), on Friday. Officials and scouts are urged to note that all times given in connection with the week end activities are Central Standard Time.

Robert L. Haskins, Scout Executive for the Tennessee Valley Council, announced that Gen. John A. Barclay of Redstone Arsenal, would make the opening remarks on Friday night in addition to presenting unit awards at Sunday morning ceremonies. Awards will be made for proficiency in various fields of scouting, special events and activities at the camporee.

Church services will be held at the campsite Sunday morning for boys of Protestant and Catholic faith. Those who are Jewish, the services will be released from the camp to attend synagogues in Courtland, Athens or Huntsville.

Courtland Air Base is located west of Courtland on alternate highway 72 and 20. Signs will mark the route from the turn-off to the Scout Headquarters tent.

## Number Farms Being Irrigated

One hundred sixty-six Alabama farmers are irrigating truck crops this year.

And research at Auburn University over a period of several years shows that irrigation pays most of the time, says Extension Horticulturist John Bagby. Weather records show that there are an average of three periods during the year when the state has less than an inch of rain in three weeks time. And during these periods, crops can be seriously damaged and yields can be reduced by lack of water.

Bagby also states that good practices such as high rates of fertilizer, organic material, and close spacing are more beneficial when used with irrigation. He adds that more Alabama farmers would be wise to take advantage of any opportunity for increasing yields and profits by irrigation.

## Florence Swim Team Is Third

### Fourteen Teams Enter; First Place Captured By Birmingham Group

In the state AAU swimming meet held at the Florence Recreation Pool July 9, the Florence team placed third, with 197 points. Taking top honors was the Birmingham Park and Recreation team, which annexed 278 points. Second place winners were the Vestavia Country Club, Birmingham, with 222.

Mobile won the diving event with Florence second and Trussville third.

Said Florence recreation director Jim Spain of the outstanding affair: "We had the best swimmers in the state here, and we are very proud of Florence's showing."

Fourteen teams and a number of unattached swimmers were entered in the field which consisted of over 500 participants.

U. S. Savings Bonds are a good way to save money and they also help save the peace.

### COMPLETES TRAINING — 2/c

James B. Jackson, son of Mr. and Mrs. James H. Jackson of 1117 Jackson Rd., Florence, was one of 700 Naval Academy midshipmen who completed two weeks of amphibious warfare training at the Little Creek Naval Amphibious Base at Norfolk, Va.

During the training period, he received eleven days of classroom instructions consisting of techniques of amphibious operations, practical work in the use of amphibious equipment, and small landing exercises on the beaches of the base.

While on board ships of the Atlantic Fleet Amphibious Force, they received training in shipboard drills, climaxed with an amphibious landing at Camp Pendleton, Va., June 23.

### North Carolina Vows Of Local Interest

Miss Frances Patterson Greene, daughter of Mr. and Mrs. Arthur Wesley Greene of Aboskie, N.C., became the bride of Daniel Brown Rafter of Birmingham and Lynn, Mass., on Saturday evening, July sixteenth, in the First Baptist Church of Aboskie.

The bridegroom, son of Mr. and Mrs. Charles Pratt Rafter of Birmingham (the former Kathleen Brown of Florence), is a nephew of Mr. and Mrs. J. Frank Hassell of Florence and frequent visitor in their home.

Given in marriage by her father, the bride wore a chapel length wedding gown of light ivory peau de soie distinguished by a portrait neckline and empress waist, the lace bodice embellished with seed pearls. Her veil, a mantilla of Brussels lace, cascaded to the cathedral train and she carried a colonial bouquet of summer flowers centered with gardenias. Her only ornament, a gift from the bridegroom, was an antique sunburst pin of pearls and diamonds which was worn by his mother and his paternal grandmother upon the occasions of their own weddings.

Included among the bride's nine attendants were Miss Elizabeth Barton of Birmingham and Miss Mary Brown Hassell of Florence, cousins of the bridegroom. They wore floor-length frocks of ombre chiffon styled with cowl necklines shading from pale pink to deep rose and their colonial bouquets were fashioned of pink and rose summer blossoms.

Mr. Rafter was best man for his son and serving with other usher-groomsman were the bride-

groom's brother and his uncle, Charles Pratt Rafter, Jr., and J. Frank Hassell.

Immediately after the ceremony read by the Reverend Isaac Terrell, the bride's parents were reception hosts at Beechwood Country Club.

For her son's wedding, Mrs. Rafter chose a white and gold delustered satin gown and a corsage of white phalaenopsis orchids. Also among the guests were Mrs. Hassell, Misses Jeanette and Britton Hassell of Florence, Mrs. Brown Barton of Birmingham, Mrs. Charles Martin of Nashville and Miss Mary Wallace Kirk of Tusculum.

The bride and bridegroom, now honeymooning in Canada, will be at home after August first at 22 Wolcott Road in Lynn, Massachusetts.

### Miss Martha Ellen Brooks Engagement Announced

Mr. and Mrs. Cecil Cleere Brooks, 2256 Maple Avenue, Florence, have announced the engagement and approaching marriage of their daughter, Martha Ellen, to Edwin Neil Mitchell, Jr., son of Mr. and Mrs. Edwin Neil Mitchell of 504 Imperial Drive, Windsor Heights, Florence.

The bride-elect is the granddaughter of James R. Miller of Gadsden and the late Mrs. Miller, and of longtime Methodist minister in Florence, the late Reverend and Mrs. S. W. Brooks.

Mr. Mitchell's grandparents are Mr. and Mrs. A. S. Voss of Florence and Mrs. Harry Mason Mitchell of Russellville and the late Mr. Mitchell.

The wedding is to be an event of August twenty-first in Pleasant Hill Methodist Church.

MISS JOAN CAROL SNELL

### Miss Joan Carol Snell To Wed In Church Setting

Mr. and Mrs. Ralph Snell of Mars Hill Road, Florence, have announced the engagement and approaching marriage of their daughter, Joan Carol, to Robert Alva Dixon, son of Mr. and Mrs. Alva Reginald Dixon of Columbus, Ohio.

The bride-elect, now a laboratory technician at Vanderbilt University Hospital in Nashville, was graduated in June from David Lipscomb College.

Mr. Dixon, who served from 1954-'57 with the United States Army, stationed in Germany, is now also a student at David Lipscomb College. He is presently employed in Nashville and will resume his courses this fall.

Their wedding in Sherrod Avenue church of Christ will be an event of August twenty-seventh.

### Kennedy-Perry Vows Said In Church Scene

Miss Emilee Rose Kennedy and Bobby Hawkins Perry, son of Mr. and Mrs. O. L. Perry of Florence, exchanged vows in the Sherrod Avenue church of Christ on Sunday afternoon, July tenth. John D. Cox, minister, officiated.

Mr. and Mrs. Raymond R. Kennedy of 152 Beulah Avenue, parents of the bride, have made the announcement.

### Kenneth Willard Wear To Wed Miss Crawford

Announcement has been made by Mrs. George Frank Crawford, Bessemer, of the forthcoming marriage of her daughter, Jackie Sue, to Kenneth Willard Wear, son of Mr. and Mrs. Oscar James Wear of Rogersville.

Daughter of the late George Frank Crawford, the bride-elect will be graduated in late August from Auburn University School of Pharmacy where she is a member of Kappa Epsilon professional fraternity and the American Pharmaceutical Association.

She is the granddaughter of the late Mr. and Mrs. H. E. Kirk and of Mrs. M. C. Crawford of Bessemer and the late Mr. Crawford.

Mr. Wear earned his BS in Industrial Management in 1954 and served as a lieutenant with the United States Air Force for three years. He completed his MS in March. Affiliated with Delta Chi social fraternity, and the American Dietetic Association, he is now employed at Auburn.

He is the grandson of the late Mr. and Mrs. John H. Wear, and the late Mr. and Mrs. Gilbert L. Wear, all of Mt. Hope, Ala.

The wedding has been planned for August twenty-eighth in Jonesboro Methodist Church of Bessemer.

### Teatime Courtesy Fetes Bride-Elect Annette Koonce

A gift tea at the James Darby home in Edgemont was the courtesy extended by Mrs. Darby and Miss Jo Broyles when they entertained on Friday afternoon in honor of Miss Annette Koonce.

Colorful garden flowers added festive charm to the party rooms. A cloth of green linen and organdie covered the refreshment table where a silver bowl of pink gladioli and pink tapers in silver stands fashioned the centerpiece. Presiding were Mrs. Darby's mother, Mrs. E. B. Norton, Mrs. Merwin Koonce and Miss Jeannine Hamby.

Miscellaneous gifts were presented to bride-to-be Annette who received in a deep-hemmed skirt of white sheer, white linen bodice with appliques of yellow and a wide gold satin belt. Miss Koonce's mother, Mrs. James Koonce, was also present to greet the fifty-odd guests who called.

### Bride-Elect Nan Bayles Feted With Morning Gala

A delightful compliment to Miss Nan Bayles, whose wedding in North Wood Methodist Church will be an event of Saturday, July 30, was the Coke and gift party of last Thursday morning when two of her attendants, Miss Joy Richardson and Miss Ruth Anderson, were hostesses at the home of the former's parents, 1507 Duntreath.

A pink-and-white theme prevailed throughout the rooms and appointed the party table where Miss Richardson's mother and sister, Mrs. Wm. Richardson, and Miss Judy Richardson, assisted.

Included on the guest list with the honoree and her mother, Mrs. Louis E. Bayles, were Misses Betsy Briglia, Joyce Puryear, Martha Koger, Barbara Williams, Lynn Hairston, Mary Ann Christeson, Alice Edwards, Mary Nell Murphy, Mrs. James Foster, Mrs. Knox Longshore, Mrs. J. M. Hill, Jr., Nancy Berry, Judy Cutshall, Pamela Bull, Linda Bailey, Joan Young, Mary Fran Fago, Carolyn Beavers, Sherry Smith, Mary Lou Buffler, Sandra Ayers, Carolyn Wright, Carolyn Holt and Madeline Lee.

Kitchen gadgets for her home were presented to bride-elect Nan who wore for the occasion a plaid cotton frock with a "kitchen corsage" at her shoulder.

Mrs. Robert Marshall (Mary Craig Roberts) and children, Martha and Robert, are guests of her parents, Dr. and Mrs. S. S. Roberts, at the family home, Woodlawn.

### Nearly 700 Feted With Evening Shower

White wedding bells and red roses were used in profusion to decorate the J. K. Babcock home on Sorrento Road when Mrs. Babcock, Mrs. R. L. Headley and Mrs. H. G. Allen were cohostesses on Saturday evening as a courtesy to Miss Bonnie Barnes and her fiancé, Ralph Sturges.

For the party, a gadget shower, the bride-elect wore a full-skirted ice blue frock with lace over blouse and a corsage of red and white blossoms.

Enjoying games and other party festivities with the honoree and hostesses were Karen Jackson, John Hakola, David Olive, Charlene Cutshall, Louise Buettner, Georgia Tomlinson, Richard Headley, Ronnie Cook, Kathy Freeman, Lloyd Johnson, Ann Darby, Don Childers, Frances Henson, Thomas Hites, Cynthia Romine, Gary Stephens, Louise Scott, Thomas Cosgrove, Linda Ezell, Gene Strubling, Suzanne Johnson, Paula and Roger Babcock.

Mrs. James E. Barnes, Mr. and Mrs. R. M. Sturges, and Lt. Col. and Mrs. Claude C. Sturges who were en route from Japan to their new station in Washington, D. C.

### Floyd Fulmer Home Scene Family Reunion

The inspiration of a recent family reunion was Mrs. R. E. Gentry who, with her daughter and granddaughters, Mrs. Elbert Davis, Faye, Merle and Janie Davis, all of Flint, Mich., have been guests of her sisters and brothers and their families.

On Friday, July 15, family members gathered at the home of Mr. and Mrs. Floyd Fulmer, 314 Martin St., Florence, for a well-attended reunion. Present for the occasion were Mr. and Mrs. J. H. Haddock, Mr. and Mrs. Andrew Davis, Mr. and Mrs. J. G. Jackson, Mr. and Mrs. Homer Fulmer and son, Jim, Edgar Fulmer and daughter, Martha Ann, Mrs. Louis Haddock and granddaughter, Jo Lynn, Mrs. Earl Romine and children, Charlotte and Tom, Mrs. James Winter, Mrs. Avery Killen, Mrs. Wilford Perkins and daughter, Renae, and T. J. Darby, all from the vicinity of Florence; and Mary Lynn and Nancy Ann Fulmer of Mobile. Absent from the family group was Mrs. Lee Anderson of Chattanooga, Tenn., who was unable to attend.

After a week's stay, the visitors returned to Michigan on Monday.

### Methodist Youth Fellowship Meets In St. James Church

A recent meeting of the Florence Subdistrict Methodist Youth Fellowship took place at St. James Methodist Church on Monday night, July 11. In an impressive candlelight ceremony, the newly elected subdistrict officers were installed by the Rev. J. E. Beasley, minister of Oakland Methodist Church.

The 1960-'61 slate of officers follows: Gene Hamby from First Methodist Church, president; Miss Mary Lynn Wilson from Central Heights Church, first vice-president; Miss Joyce Berry of North Wood Church, secretary-treasurer; Rev. ## Insect Repellent Brings Relief

Leave a bad taste in the mouth of mosquitoes, gnats, and other annoying insects.

A new discovery that can make a world of difference in outdoor living is an insect repellent called delphene or meta-delphene, according to Extension Entomologist Jerry Ruffin.

This new product is available in aerosols and lotions and is non-irritating to the skin. And Ruffin states that it is sold under many trade names at most drug stores. He adds that mothers will find the repellent especially useful for protecting children from mosquitoes and other biting insects.

**Gospel Meeting Closes At Mt. Zion Church of Christ**

One of the greatest meetings in the history of the Mt. Zion church of Christ closed Tuesday night. There were 45 responses during the 10 day meeting. Twenty-one were baptized and 24 restored to the church.

Crowds each night were consistently good, ranging between 300 and 400 and on the last night an estimated 500 attended.

The visiting evangelist was Charles Coil of West Memphis, Ark. Mr. Coil formerly preached for the Mt. Zion church when he lived in this area and taught at Mars Hill Bible School.

A children's class was conducted each night prior to the meeting service and was taught by Claude Lewis the local minister. The class averaged about eighty in attendance each night. One hundred and three children attended the class the closing night.

In the last twelve months the Mt. Zion church has remodeled the auditorium, built four new Bible class rooms, and installed a central air-conditioning and heating system to cool and heat the entire building.

The church will have a two weeks Vacation Bible School beginning, July 25th.

## THE SPILLWAY

THEY TOOK SOME honey . . . and plenty of money . . . and all of their dreams and plans . . .

IN THE SUMMER . . . one's fancy turns to thoughts of TRAVEL . . . and so (we hear around town) Glad Shepard and Lucia Reeder . . . (here for a visit with her father) are planning a European jaunt . . . soon as career girl Glad can tear herself away from her work at the college . . .

Going along with the "see America first" idea are Bertie Bender, Jonnie Glover and Virtie Jones . . . whom we've heard about in connection with one of those loads-of-fun scenic bus trips to that city of cities . . . NEW YORK . . .

WE'RE WAITING to welcome someone else who will be traveling . . . home to Florence instead of off to faraway places . . . TOMMY and CAROL (Waite) DAUGHTERY . . . expected (their friends hope) around the tenth of next month . . . for a quick visit with family and friends . . . and interesting chats about an exciting new life and many new friends . . .

AND plans and speculation about that all-important new arrival coming sometime this fall . . .

BEEN SEEING RED lately . . . and a most enjoyable sight . . . it's that charming gentleman Richard Smith who's sporting a handsome red shirt . . . a birthday gift (most tastefully selected . . . we might add) from his son Marshall . . . Wonder if that idea might have been prompted by the beautiful shirt (Dr.) Henry Cheney's sons chose for him . . . We really think they're most elegant . . .

WARMEST CONGRATULATIONS AND A REQUEST (please don't forget to convene again this fall) . . . to Florence's own orchestra . . . who've been working hard and accomplishing much . . . and are taking a summer "break" . . .

NOTICED THAT some prowlers have been arrested . . . thank goodness . . . and our police force . . . though we're sure that if more of us had the composure evidenced by Frances Morris . . . who woke up one night to be confronted by an "uninvited guest" just outside the window . . . instead of shrieking at the top of her lungs (as we would have done) . . . she shook a menacing finger at him and demanded "You just wait a minute" . . . we'd not be bothered by such unaccommodating persons . . .

THE LADIES ASSOCIATION of the Florence Golf and Country Club . . . such a weighty title . . . will undoubtedly have a varied and very fun season this year . . .

In the last twelve months the Mt. Zion church has remodeled the auditorium, built four new Bible class rooms, and installed a central air-conditioning and heating system to cool and heat the entire building.

KNOW YOU'LL BE GLAD to hear about the latest "crash" diet . . . it's all hot dogs . . . three times a day . . . this will no doubt

bring forth a rash of new recipes we have already heard that frozen (on a stick . . . like a popsicle) dogs are really delicious . . . we think we'd just as soon stay this way till a more appetizing diet comes our way . . .

HAVE YOU NOTICED . . . two PRICE girls . . . no relation . . . Carol and Mary Jane . . . are dating brothers . . . Carol ya' know is engaged to Sonny Howard . . . don't think Mary Jane and his attractive brother have similar plans . . . haven't heard about it anyhow . . .

A BELATED BIRTHDAY wish to a friend 'cross the river . . . Gene Donsbach who celebrated by having an "intimate-friends" dinner party (hosted by lovely wife Theckla . . . 'course) . . . he received . . . it is said . . . a most elegant . . . maybe whimsical is a better word . . . gift from his darling daughter . . .

AND SO . . . CHEERIO . . . Until more news comes through the Spillway . . .

THINKS IT'S MARVELOUS  
GAS MILEAGE "OUT OF THIS WORLD"

Mr. and Mrs. Richard Kahelin of Plant City, Florida, couldn't be happier with the way their new Corvair has worked out as a combination family and business car. On their newspaper distribution route alone they travel more than 400 miles a week over all kinds of roads. Little wonder they're so pleased with the gas mileage they've been getting—"at least twenty-three miles to the gallon with an automatic transmission . . . and we've had no trouble with our Corvair." The Kahelins have equally good things to say about Corvair's easy-going comfort and unique convenience features. They especially like the way the fold-down seat doubles as a built-in baby sitter.

### ALFALFA BALANCED LIVESTOCK FOOD

A balanced diet is important for livestock, too. In alfalfa there is a balanced package of protein, vitamins, and minerals, according to Extension Agronomist O. N. Andrews. One of the things which is worth a great deal of money to farmers is balance. And they are willing to pay a big price for it. Andrews says farmers will pay at least 10 times the value of the vitamins in a B vitamin supplement to get balance. He adds that alfalfa is worth a lot of money when one considers its vitamins, minerals, protein, fiber, and TDN.

If silk lamp shades are hand-sewn, wash them in a mild detergent, rinse thoroughly, and press gently with a turkish towel. Then place them in a breeze so they will dry quickly.

## SAVE

up to \$125 on  
cost of new car!

It happens every day. People financing a new car often save \$100-\$200—even \$300. Here's how State Farm's BANK PLAN works. You tell me how much you need, I handle details, you get a check, the car is yours. And you save again on State Farm's low-cost car insurance. Let me show you how much you can save on financing and insuring your next new or used car.

## Barracks Meeting Set At Wheeler

The regular meeting of the Music Shoals Barracks No. 1679, Veterans of World War One, will be held on July 25 at the home of the recently elected Department Commander, J. L. Harris at Joe Wheeler Dam. The ladies of the auxiliary will serve refreshments. Department Commander J. L. Harris wishes to extend an invitation to each and every World War I Veteran and his wife to be there. Serving will begin at 4:00 p.m. Below are the directions on how to get to Commander Harris' home. (Proceed to the Dam Store on the Lawrence County side, continue toward Courtland about 1/4 of a mile. Make the first left turn pass the store, proceed to sign Wheeler Lake Summer Homes, turn left and go straight down the hill and look for "Whisper Pines."

Raisins are a convenient, nutritious snack for the youngsters.

## News Of POWELL

By Frances Pedigo

Bethel-Anderson Ballgame: Bethel Baptist Church girls and Anderson Baptist Church's girls enjoyed a softball game Saturday morning beginning at 10:00 o'clock at the Anderson ball park.

Bethel defeated Anderson with a score of 22 to 20. Club: The Powell Home Demonstration Club met Monday morning. The meeting had been postponed from the regular time to the next Monday because the first Monday in July was a holiday. The meeting will be held at the regular time next month.

Vacation Bible School: The annual Vacation Bible School for the Bethel Baptist Church has been in progress this week. Seventy-five were enrolled in Bible School this year with an average attendance of seventy.

This year's workers were: Principal, Mrs. Mauvalene Cockrell; Nursery, Mrs. Faye Camp and Mrs. Flossie Gullett; Beginners, Mrs. Gladys Weigart, Mrs. Sylvia Cockrell and Mrs. Patty Cates; Primaries, Mrs. Flora Echols, and Mrs. Hazel White; Juniors, Mrs. Lida McDougal, Mrs. Flaer Thompson, Mrs. Eloise Camp and Mrs. Doris Griffin; Intermediates, Mrs. L. C. McConnell and Mrs. Ida Pearl Rossen.

Those who brought refreshments were: Mrs. Mary Lena Cockrell, Mrs. Estelle Kelly, Mrs. Ino Jean Phillips, Mrs. Joyce Newbern, Mrs. Mildred Middlebrooks and Mrs. Katherine Bailey.

Mrs. Estelle Kelley and Mrs. Bernice Echols came each day and helped serve refreshments and clean up afterwards. Those who attended Bible School this year wish to thank each and every one who helped make it the best Bible School Bethel Church has ever had.

Persons: Gary and Rickey Davis, sons of Mr. and Mrs. Euel Davis of Cleveland, Ohio, are spending their vacation with relatives here.

Mr. and Mrs. James Ward and family of Florida are visiting Mrs. Ward's parents, Mr. and Mrs. John McCafferty and other relatives here this week.

Mr. and Mrs. Henry McConnell and their daughter Nancy of Cleveland, Ohio, who have been visiting relatives here for the past two weeks, have returned home.

Robert and Gilbert Davis of Cleveland are visiting their parents Mr. and Mrs. Dennis Davis this week.

Mr. and Mrs. Esther Laye of Pulaski, Tennessee visited in the Pedigo home Sunday.

Many of the people who live in the Powell community enjoyed attending the singing Sunday at the Bonnettown Methodist Church.

The Union Hill Revival will get underway Monday. All are invited to attend.

The WMU meeting which was to be held Monday at the home of Mrs. Mary Lena Cockrell has been postponed until next Monday.

One hundred twenty-four were present Sunday morning at the Bethel Baptist Church with many others arriving for the preaching services.

Sunday night was the occasion of Bible School commencement. Each group took part in commencement with a large number present to enjoy the event.

Farmers spend almost two-thirds as much for capital improvements as all manufacturers of durable goods combined. Farmers invested an average of \$4.1 billion annually from 1955 to 1958 in new equipment and construction.

## Come to Church for Services

"A FAMILY THAT WORSHIPS TOGETHER — STAYS TOGETHER"

I'M SERIOUS!

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Mark	4	26-32
Monday	Matthew	26	1-13
Tuesday	John	6	1-14
Wednesday	Ephesians	6	1-4
Thursday	Proverbs	22	1-6
Friday	Psalm	103	1-16
Saturday	Matthew	18	1-6

Maybe you like smiling babies? Sorry to disappoint you, but I've got a lot on my mind.

There's something wrong in America... and I'm the chap who is getting hurt!

Our Constitution says that no one can be denied the right to worship God. I'm an American! According to the Constitution I have the right to learn about God, to hear the Bible Stories, to be taught the Christian Way of Life.

But here's the hitch. While the Government can't deny me the right to attend Church School and Church — MY PARENTS CAN. They can rob me of my most sacred right just by neglecting my spiritual needs.

Did you know that about half the children in America are growing up without religious training? And yet there's a church in every village!

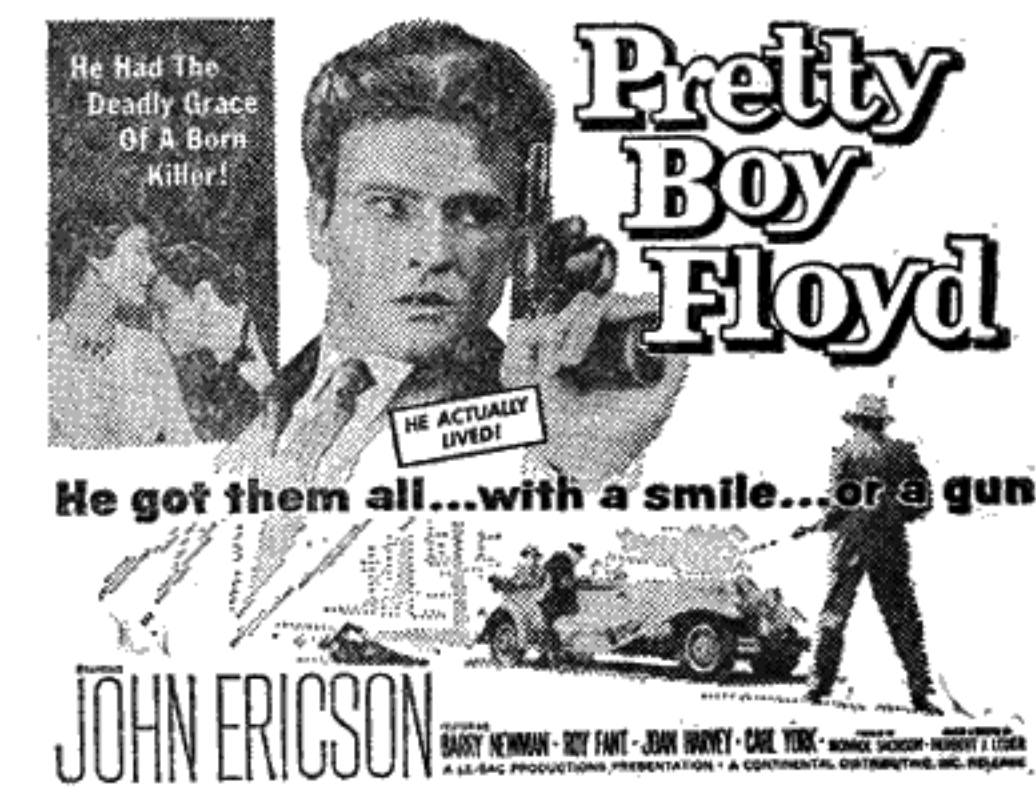

Yessir, I'm serious! Instead of talking about juvenile delinquency, we ought to do something about it. We ought to crowd our churches with children... and parents! And we ought to start Sunday!

## Insect Control Saves Family Food In Far East

Make those garden insects run. Insects attack vegetable crops and often ruin them before any control measures are taken. But Extension Horticulturist John Bagby says the wise gardener uses methods to prevent damage before it occurs.

The equipment these gardeners use are a hand crank cotton duster or a small pump duster with the right kind of chemicals. And to obtain the best results, he applies the dust early in the morning or late in the afternoon. He dusts regularly once each week to protect new leaves and fruit. And he covers the plants thoroughly with a thin coat of dust so all parts of the leaves will be protected, adds Bagby.

LET THE HERALD PRINT IT!

## 4-H Clubs Also In Far East

Alabama boys and girls have a common tie with thousands of Oriental young people.

And that tie is 4-H Club work, according to State 4-H Leader Hanchey Logue. The rural youth organization which began in the United States 35 years ago has spread to countries throughout the world.

In Taiwan... 4-H is the largest rural youth organization. And membership has grown from 5,000 in 1952 to 40,000 today. Japan's 4-H program began in 1948 and has about 250,000 members now. Korea has just celebrated its fourth anniversary and has 300,000 members. "Yuwa Kasekoni" meaning "youth farmer" is the name of the rural youth organization in Thailand. And in Viet-Nam, 4-H means 4-H.

## PLENTIFUL PEACH: CROP BRIGHTENS BREAKFAST

A "peach of a breakfast"—and peaches for breakfast can mean the same thing.

The latest U. S. Department of Agriculture forecast places the southern peach crop at 15.2 million bushels. And this is two percent larger than last year. These facts mean that peaches are plentiful enough to use in all kinds of menus.

"Eat fruit for breakfast" has been in the health books for a long time. Sliced peaches with cream and sugar, baked peaches with ham and buttered corn muffins, or peaches on ready-to-eat cereals are all delicious.

According to the USDA, homemakers can add peaches to waffles, cobblers, fritters, muffins, or tarts for a special breakfast menu. And peaches mixed with flour, brown sugar, and dots of butter create a delicious crumb topping for a coffee cake.

Hams will lose their flavor if frozen, so it is best to plan to use them within a week or 10 days.

## THE NEW FAMILY MOVES IN —

## Cooking Garbage Prevents Disease

"Thousands will die this year from diseased pork." That is a scare headline that is completely untrue, according to Extension Meats Marketing Specialist Ray Cavender.

Facts prove that only 13 people in our country died of trichinosis in a recent three-year period. The disease is not so prevalent as it once was because all states have passed laws requiring that garbage fed to hogs be cooked first. And during recent years, there has been a decline in the practice of feeding garbage.

The Meat Board, USDA, and the Public Health Service all stress the importance of cooking pork to the well-done stage.

## INSECTICIDES ARE BOTH HELPFUL AND HARMFUL

Imagine having to fight 500,000 bugs all by yourself.

Insects outnumber humans 500,000 to one, says Extension Entomologist W. A. Ruffin. And knowing this fact brings more appreciation for modern insecticides.

They are sold under trade names and contain such chemicals as chlordane, DDT, malathion, lindane, and dieldrin. And they can be bought in sprays, dusts, bombs, and baits.

Since most of them are poisonous, it is important to follow directions for health and safety. Wise parents will keep insecticides out of children's reach and children out of a sprayed room. They also will put away all food and dishes when spraying the kitchen.

In measuring syrup, grease your spoon first so the syrup won't cling.

U.S. agricultural exports were 19 per cent larger during January-February of this year than the same period last year, totaling \$2,984,000 (millions). Principal value gains were in cotton, soybeans, cottonseed oil, animal fats, fruits and preparations, and rice.

American agriculture has more to lose than any other segment of our economy if the U.S. is unable to expand foreign trade. Farm exports in fiscal 1959 were equivalent to the production of one out of every eight acres of crop land in this country.

## Bible School To Begin July 25

### Two Weeks Of Classes Will Be Featured At Mt. Zion Church of Christ

The annual vacation Bible school at the Mt. Zion church of Christ will feature two special classes—one for teen-agers and one for adults in addition to the children's classes.

Marshall Flowers, minister of the Pamplin Ave. church of Christ, Florence, will teach a special class on "Christian Doctrine" for adults. Both men and women are invited to this class.

A class on "The Church," especially designed for senior high school and college age young people, will be taught by Joe Johnson, minister of the Salem church of Christ.

The VBS begins Monday, July 25 and will continue for two weeks, through August 5. The time each day, Monday through Friday, will be 9:00-11:00 a.m.

The theme for the children's classes this year will be "Traveling With Paul." The lessons are designed to draw the students closer to God and increase his love for lost souls.

"There will be classes for every-

# New 3<sup>3</sup>/<sub>4</sub>% interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

#### Q: How does the new 3<sup>3</sup>/<sub>4</sub>% interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to 2<sup>3</sup>/<sub>4</sub>% for the first year and a half, then a guaranteed 4% each year to maturity.

#### Q: When did the new rate become effective?

A: June 1, 1959.

#### Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra <sup>1</sup>/<sub>2</sub>% from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

#### Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

#### Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

#### Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic <sup>1</sup>/<sub>2</sub>% increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

#### Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

#### Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

#### Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

#### Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

#### Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

#### Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.
