First row (left to right): Sidney Roberts, Stanley Brook; back row: Jon Hufstetter, Nell Jackson, Marcilla Campbell, Madeline Hillman, Martha Jackson and Clarence Smith.

## The Passing Parade

By HAROLD S. MAY

● We fear that entirely too many of the voters throughout Lauderdale County will take the coming Democratic Primary too lightly when the truth is that it is the most important election we have had since 1948. Usually, few voters trouble themselves to go to the polls unless a personality is involved in the contest, however, by our vote for Presidential Electors next Tuesday we can do our part in maintaining the steady industrial progress of the Tennessee Valley or we can jeopardize the agency — the TVA — that has brought us out of the shadows into the sunlight of success. The Democratic Party is the only party that has ever done anything for this valley and to play into the hands of the enemy (the Republican Party) by voting for the Independent or so-called States Rights group is merely sounding the death-nell for our area. Lauderdale County can do its part to assure the continuance of the TVA in its present status by supporting 100 per cent the Loyal Democratic ticket. Clip the ballot appearing elsewhere in this newspaper in which the ten Loyalists are plainly designated and take it with you to the polls. You will protect your job, your cost of living (especially electric bill) and your future by voting for the true Democrats.

● Good housekeeping is grand — but too much of it can drive a man to drink.

● The best way to avoid being struck by lightning, apparently, is to be born a girl. Of the 300 persons killed in the nation last year by lightning, 80 per cent were males. But the question arises: Is it worth it?—being born a girl, that is.

● We were impressed with a cartoon we saw the other day. In a first picture, a man standing at a bar passed his glass to the bartender and said: "Fill it up." In the next picture, the same man in an inebriated condition, drove up to a pump at a filling station and said to the attendant: "Fill it up." The third and final picture showed a casket that had been lowered into a grave, the gravediggers stood by with their hands on their shovels as the foreman of the crew said: "Fill it up."

● It's tough that we can't seem to have a summit meeting on the level.

● For six long years the parents had worried themselves sick because their son had never spoken a word since his birth. They knew that he must enter school the next term and they wondered what they should do. But yesterday, while at breakfast, Junior broke his silence when he said: "Mom, the toast is burnt." His amazed mother shrieked with joy: "Junior, you talked! How come you never talked before?" "Well," Junior replied, "up to now everything's always been O.K."

● Wife to her sportsman husband: "One of the ducks you were hunting last week end called and left her number."

● We really hate to mention it, but tomorrow night we will attend the fortieth anniversary of our college graduation class. We have seen very few of the members of the class since that day we barely squeezed through in order to be among those present receiving our diploma. The remarkable thing about class reunions, especially the fortieth, is that your old classmates have gotten so fat and bald that they hardly recognize you.

● The time is here when a lot of youngsters will do their best to hide their report cards from their dads, while others will race through the front door, screaming: "Mom, Oh, Mom—Look—No failures."

## Work Starts On New FSC Expansion

The G. E. Bass Construction Company of Jackson, Miss., has begun excavation and grading work on the building site for the Florence State College Student Union Center.

The Mississippi concern, awarded the construction contract on both the student union center and the men's dormitory sometime ago, now has 300 working days to complete the projects.

According to Allen Northington, of the firm of Northington, Smith & Kramer, of Florence, who drew plans for the expansion facilities, the contract has been approved by both the Housing and Home Finance Agency of the Federal Government and the State Department of Education, an agency which must approve plans when State funds are involved.

Cost of the over-all project is estimated at \$1,244,715.

The men's dormitory will be a 224-bed facility and will include student lounges, an apartment for the house mother and game rooms and office facilities.

The student union building will include a large cafeteria and dining room for the entire student body, designed to feed 1,000 students an hour. Also, to be included will be lounges, game room, book store, a post office, snack bar and the student room known as the Lion's Den.

The girls' dormitory, a sixty-bed facility with an apartment for the house mother will also have a separate kitchen for use by the students and will be designed for future air-conditioning. This building will also have a laundry included.

The buildings will be constructed of brick, concrete and steel, with the union building to be air-conditioned throughout, the dormitories designed for future air conditioning.

## Special Session Held On Site For Court House, Jail

**New Highway Location Proposed; Possibilities Are Being Explored**

The Lauderdale County Public Building Authority met in a special session with W. H. Criswell and W. C. Weaver, Jr., at the First National Bank in Florence, on Tuesday, May 17 to hear from Mr. Criswell and Mr. Weaver the results of a preliminary report made by Community Research and Development, Inc., of Baltimore, Maryland as to a complete economic study made by said company as to the possibilities of a shopping center at the intersection of Highways 43 and 72 in East part of Florence.

Mr. Criswell and Mr. Weaver employed the above company to make the study referred to and a preliminary report of the study, including the possibility of the location of a new court house and jail at that location. At the meeting in addition to Criswell and Weaver and all six members of the Building Authority, were also, Allen M. Northington, Architect, Marvin Wilson, County Attorney, and Thomas Hughes, the latter owning jointly with Mr. Criswell and Mr. Weaver, several acres of lands at the intersection of Highways 43 and 72.

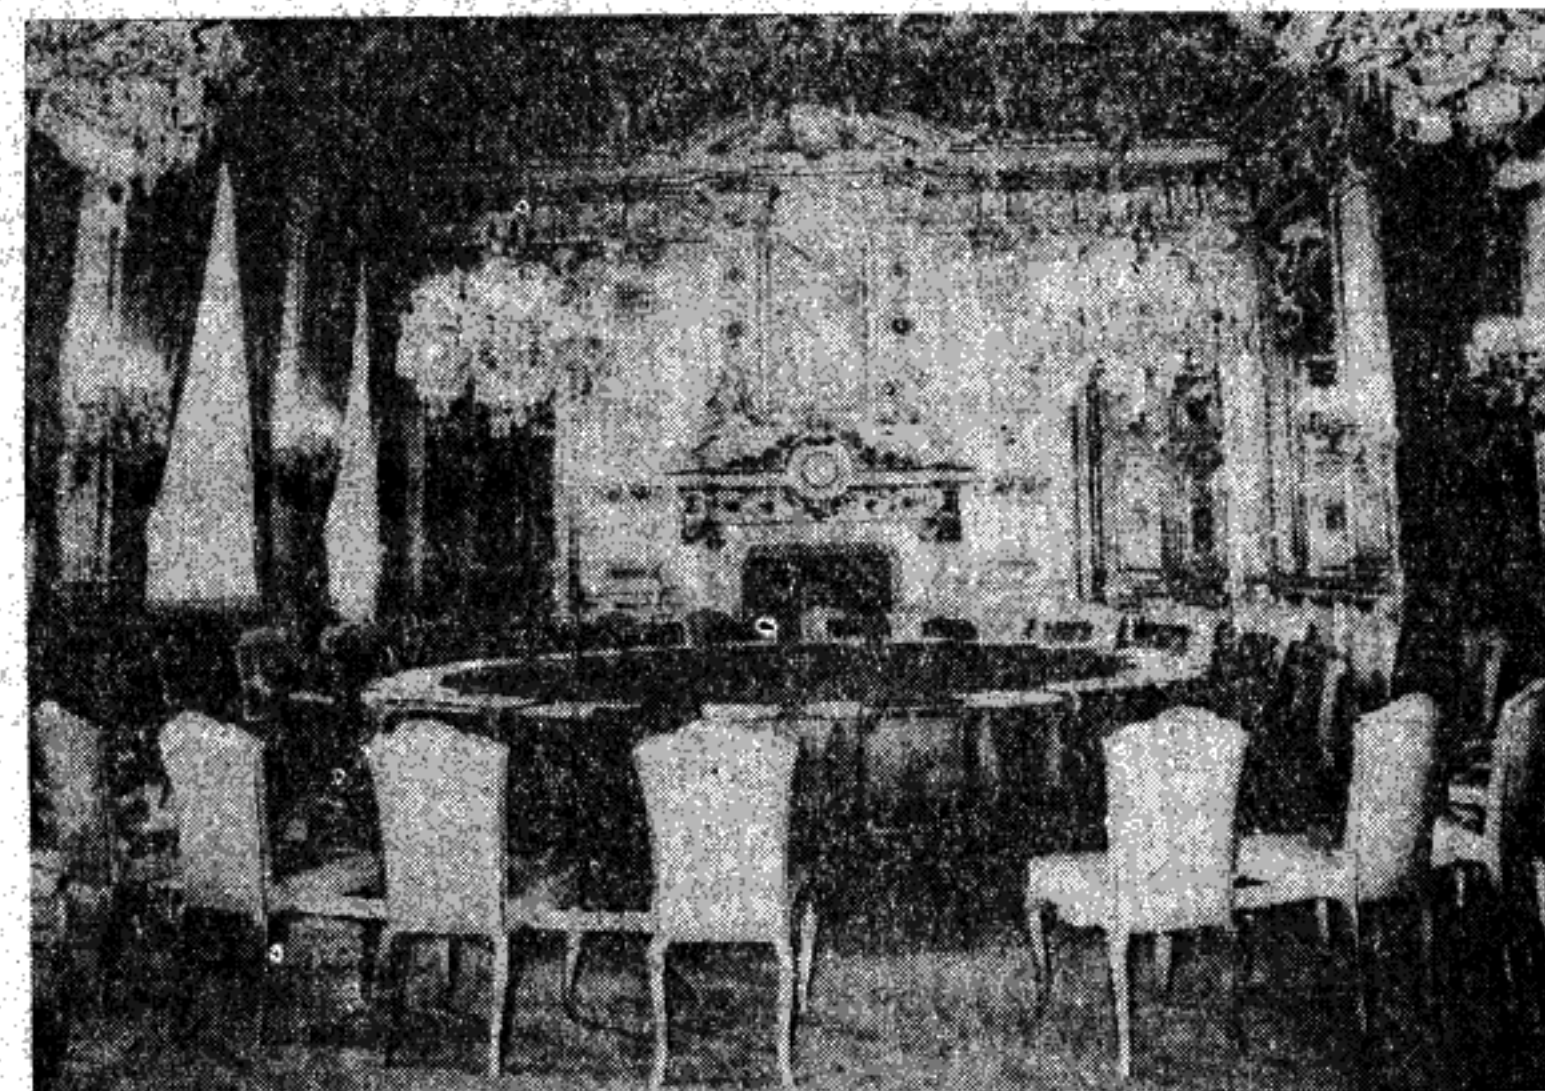

According to Criswell and Weaver the preliminary report shows that the area offers a good location for a shopping center and that it would be a distinct asset to Florence and the surrounding area.

Both Criswell and Weaver stated that they were interested in contributing such amount of lands as the Building Authority and the Architect might find necessary for a Court House and Jail site if it should be decided that the new site should be located on the property at the intersection of the two highways. They emphasized the fact that they had no desire to attempt to influence the Building Authority or anyone else in locating a court house on their property, but were

# Eisenhower Assesses Summit Meeting In Radio-TV Broadcast

## Can Russia Prosper With Peace?

Conference room at the Palais de Chaillot, Paris.

DWIGHT D. EISENHOWER

"In spite of this . . . efforts to promote progress toward peace with justice."

Two facts appear to stand out as one views the wreck of the Summit talks by Soviet Premier Khrushchev. One is while claiming they want peaceful coexistence the Soviets remain committed to spreading the ideology of Communism throughout the world. The other is, Russia could not survive as a Communist state if world peace were established. The Soviets must remain the aggressor to keep the Communist doctrine alive and the people under submission otherwise they lose what they have gained. We must remember that to establish a peace satisfactory to the West Russia would have to relinquish her hold on Hungary, East Germany, Poland, Czechoslovakia and her other satellites . . . this she will not do. So there is little hope for peace and less hope that any conference will really be successful.

NIKITA S. KHRUSHCHEV

"That is why we believe that at present the visit of the president . . . should be postponed."

## Speech Heard On "Voice America" In 38 Languages

President Eisenhower assessed the Summit wreckage in a nationwide address over all major radio and television networks last night at 8 p.m. EDT followed by a re-broadcast at 10 p.m. over NBC-TV. The President spoke for 30 minutes from his White House office.

Mr. Eisenhower also dealt with future goals of the United States and the free nations of the world in the light of the Paris debacle.

The speech was also carried in 38 languages including Russian being broadcast at later intervals over Voice of America facilities with broadcasts beamed to the Soviet Union.

Press Secretary James C. Hagerty, who said he had made an appeal through American newsmen, voiced the hope that Soviet Union newspapers would carry a full account of Mr. Eisenhower's address. He said also the White House hoped that the Soviet government would permit the Soviet people to hear and not "jam" the VOA broadcast of Wednesday night.

This morning the President arranged a special briefing session at the White House on the subject for congressional leaders of both parties.

Meanwhile diplomats in Moscow said Premier Khrushchev's personal report to the Russian people on the Summit Conference had been delayed until Saturday. Presumably the Soviet leader wished time to digest the contents of President Eisenhower's speech.

With respect to the expected vote of the UN Security Council on the spy plane issue Wednesday that also was postponed though it was expected to be made today. The delay was granted in order to give Russia's foreign minister, Gromyko, more time to prepare a summation, officials said.

## O'Neal Memorial Fund Is Lagging

**Goal Of \$500 For County Not Reached; Additional Contributions Sought**

Contributions to the Edward A. O'Neal Memorial Fund for the Agricultural College and Hall of Fame to be erected as a shrine to agriculture and as a meeting place for all agriculture organizations, have not been received in sufficient quantity to meet the \$500 quota assigned Lauderdale County, Frederick Moore and Harold May, co-chairmen announced today. The campaign got off to a whirlwind start and then slowed down, the co-chairmen said.

The \$5,000,000 structure to be built on a site in the center of agricultural U.S.; will house officers, auditorium and the Hall of Fame in which paintings and statues of men and women who have dedicated their lives to the advancement of agriculture will be exhibited. The shrine, planned as a tourist attraction as well as the site for the meeting of all national agricultural organizations, will also have many added attractions of interest to every citizen.

## Wounded Youth Is Hospitalized

Donnie Wayne Heupel, nine-year-old boy of Route 1, Florence, was accidentally wounded in the side with a shot from a 22 caliber pistol Sunday.

The accident occurred at his home when a group of youngsters were playing with the pistol. Donnie reportedly stepped in front of the pistol when it discharged.

Donnie, the son of Mr. and Mrs. Charles L. Heupel, Rt. 1, Florence, was reported in fairly good condition Monday at ECM Hospital.

## Coffee High Graduation Set

Owen Freeman, minister at Savannah, Tenn., church of Christ, will deliver the sermon at Coffee High School baccalaureate service Sunday night at 7:30 o'clock in the high school auditorium.

Mr. Freeman, a native of Florence, was graduated from Coffee in 1941 and attended David Lipscomb College, Freed-Hardeman and Abilene Christian College, where he received his B.A. degree.

Curtis Platt, minister at Poplar Street church of Christ, Florence, will speak the invocation and the benediction at this service, with music to be furnished by the high school music department.

Class exercises and awarding of honors have been set for Wednesday, June 1, at 7:30 p.m.

The graduation program will begin at 7:30 Thursday evening, June 2 in the auditorium, at which time the Rev. Aurence Shank, pastor of Fifth Street Methodist Church at Harrisburg, Pa., will speak. Rev. E. M. Barnes, pastor of North Wood Methodist Church, Florence, will give the invocation and the benediction. Music will again be provided by the school music department.

The 1960 class will be presented by Tom Braly, Jr., principal, and Rufus G. Hibbett, superintendent of city schools, will present the diplomas.

## Farmers Urged To Wait Before Chopping Cotton

**Bids For North Florence Post Office Sought**

It was announced by Florence Postmaster Donald Holt Monday that he has been advised by the office of Postmaster General Arthur E. Summerfield that the Post Office Department is now asking for bids to build and lease the new Postal facility for the proposed North Florence Station.

Postmaster Holt has been advised that the Post Office Department will enter into a lease agreement with the successful bidder which will run for 10 years, with renewal options running up to 20 years.

"Specifications call for a structure containing approximately 3-210 square feet with an outside loading platform and adequate space for parking and truck maneuvering," Holt said.

Closing date for the bids is July 8, 1960. Bids should be submitted to the Real Estate Officer, H. W. Overton, Box 326, Chattanooga, Tenn.

Even though the cold weather of a few days ago has passed, and we have had rain and some good cotton weather, the smart farmer will not chop out his cotton until it is determined that no more cotton will die as a result of the cold weather we had. A good yield of cotton cannot be made from a poor stand. So, leave the hoes in the tool shed for a while longer and spread your time and money cultivating the cotton and other crops until cotton quits dying.

**Apply Nitrogen**

The proper time to apply an additional nitrogen to cotton is at the first cultivation after chopping. In the event chopping is delayed, apply the nitrogen at the time cotton would have been plowed—under normal conditions. An application of nitrogen within the next few days should be made to help cotton recover from the shock of cold weather and retarded growth it has suffered. If the soil was tested for cotton, apply the amount recommended by the laboratory. If soil was not tested, apply enough to bring the total per acre up to 80 to 90 pounds.

Sidedressing corn should be done 20 to 30 days after planting, depending on the maturity time of the corn that was planted. Follow soil test recommendations, if soil was tested. If soil was not tested, use up to 70 to 90 pounds total nitrogen per acre.

**Grain Harvest Soon**

Grain harvest season is not too far off. A mighty important job that should be done ahead of starting the combine is to check it for worn and broken parts and make complete repairs. The canvas and other parts should be thoroughly cleaned of all trash and debris before wheat harvest begins. Rat refuses and other trash can reduce the price of wheat considerable. Get the combine in good operating condition and harvest a few bushels of oats, to clean out all loose trash, before going to the wheat field. Do these things and save time and grain when the time arrives to harvest small grain. This will also save money.

**Soil Tested Urged**

An effort is being made to send a truck load of soil samples to the laboratory at Auburn for analysis (Continued on Page 2)

## O'Neal To Address FSC Graduates Friday Night

**Prominent Birmingham Attorney To Speak At Annual Exercises**

One hundred sixty-three graduating seniors will hear Camper O'Neal, speaker for Florence State's annual Commencement exercises which will be held Friday, May 27, at 7 p.m. in the Memorial Amphitheatre.

CAMPER O'NEAL

ercises which will be held Friday, May 27, at 7 p.m. in the Memorial Amphitheatre.

Mr. O'Neal, a prominent Birmingham attorney, is the son of Mrs. Edward A. O'Neal of Florence and the late Mr. O'Neal. He attended grammar school and junior high school at Florence Normal School and was graduated from Coffee High School.

He received the A.B. degree from Davidson College, Davidson, N.C., and the LL.B. from Columbia University Law School in New York. He is a member of the law firm of Dumas, O'Neal and Hayes of Birmingham, and a member of the Bar, State of New York and State of Alabama.

The invocation will be given by Jimmy R. Bevis, Dr. Turner W. Allen, Dean of the College, will present the Turris Fidelis Awards and the Keller Key.

President E. B. Norton will confer the degrees, and he and Dr. Allen will present diplomas to the graduates. The benediction will be given by Franklin L. Sparkman, Both Mr. Sparkman and Mr. Bevis are ministerial students at FSC.

In case of inclement weather, the exercises will be held in Coffee High School Auditorium.

## Jack Goodman Receives Honor

Jack Goodman, of Rogersville, has been elected vice president of the Auburn University chapter of the Junior American Veterinary Medical Association for the 1960-61 school year.

Other officers are: Ralph A. Johnson, Scott's Hill, Tenn., president; John Tamplin, Ozark, secretary; and Sid Granis, Flemingsburg, Ky., treasurer.

The Junior AVMA is the student equivalent of the parent organization, AVMA, which has been valuable in increasing the effectiveness of the veterinary profession.

Auburn Veterinarian, a nationally circulated publication, is the responsibility of the Junior chapter. This journal serves as the voice of the Auburn School of Veterinary Medicine.

## \$500 TO BE AWARDED TO VOTERS MAY 31

Imagine winning \$100 Savings Bond just for voting in next Tuesday's election. There will be five of these bonds awaiting five lucky voters, names of the winners to be drawn by lot on Saturday, June 4 at the north door of the court house in Florence. Winners names will be announced and it will not be necessary to be present. Each voter will automatically enter the contest for the \$500 in bonds when he or she goes to the polls on May 31. Do your duty and vote for the candidates of your choice. You may be a winner.

Senator E. B. Haltom, Jr., called on the members of the Lauderdale County Loyal Democrat Committee, to which Judge John D. Petree is chairman, to "get out the vote" for Tuesday's Democratic Primary "if we are to keep the Tennessee Valley going forward." "We must not be stopped in our progress by the election of that group of splinter Democrats headed by former Gov. Frank Dixon, who holds numerous corporate contracts in his pocket, and Bruce Henderson, the Black Belt Senator who holds no love for this area," he said.

With fire in his eyes and sincerity in his voice, Senator Haltom has never shown better leadership than in his remarks before the Lauderdale County Democratic Loyalists rally at Hotel Reeder Tuesday night. As the keynote speaker of the occasion, he charged that this group that calls itself Independent Democrats or States

Rights Democrats has nothing in common with the people of the Valley and are hiding their true intentions over a false presentation of their interests in maintaining segregation in order to lull the Black Belts to their support. "It's truly an economic issue and the leadership from industrial Jefferson County is attempting to elect Dick Nixon as the next president in order that they might kill the TVA and the good things it has brought us," Haltom shouted. His giving of the true facts and painting the true picture awakened his hearers to the challenge that is faced by the voters of Lauderdale County and each pledged his efforts and his dollars to see that Lauderdale County keeps its place as the leading county in the state in the percentage of votes given the Loyal Democrat ticket.

"We must beat down this false movement to sabotage the true Democratic Party by a margin of

better than 10 to 1 if we are to stand behind our Senators and most of our Representatives in the Congress and give them the support they need if they are to serve us effectively. We must have 12,000 votes at the polls Tuesday to do this so that we can overshadow the 10,000 state majority the Independents received in the last primary," Senator Haltom said.

"The Tennessee Valley must vote as one for the true Democrats," the speaker continued. "Let's not be led up false alleys. Don't believe for a moment that these industrial tycoons of Birmingham allied with the Black Belt politicians have anything for us in the Valley. They are fighting us tooth and toenail every inch of the way. In this fight, Birmingham is not in North Alabama but are those who would lead this section of ours into the hands of the Republican party and certainly are not our friends."

## County Voters Face Challenge In Primary May 31

We can defeat their purposes with our votes next Tuesday. We must get out the voters who believe as we do. We must not fall Tuesday or the sorry situation of 1948 will be repeated again when none of us had the opportunity to cast our ballot for the president of the United States. Let's not forget history—it is being repeated again right before our eyes and we must not fail to block their plans," Mr. Haltom urged.

Others, in addition to Judge Petree, who spoke to the gathered Loyalists included Judge Estes Flynn, Tax Collector Weaver Fuqua, E. L. Colbeck, Karl T. Tyree, Jr., Jesse Keller, Robert O. Cox, Circuit Judge Robert M. Hill, Rep. Bob Broadfoot, Mayor E. F. Martin, Louis Eckl, County Commissioners L. C. Simmons, Ben Clemmons and Corbet Smith, Jimmy Haygood, Clyde W. Anderson, Harold S. May and others.

## A Serious Situation

Circumstances accruing from the U-2 plane incident in no way mitigate the seriousness of this country's mistake in allowing it to occur but it does show one thing clearly... Khrushchev's boast to the Russian people of the Soviet Union's invulnerability to attack seems now to have been an idle one.

Francis G. Powers, accused spy for the United States, whose plane was finally brought down, if it didn't actually come down because of mechanical failure, penetrated the Soviet Union as far as from the Atlantic Coast to Kansas. That was quite a blow to Khrushchev's pride and to say he must have lost face with his people is putting it mildly. His tirade at the Summit Conference and his subsequent walk-out were mostly to divert Soviet leaders as well as the plegmatic Russian mind from the real issue... his own mistake. It was his way of covering up but time will tell just how well he succeeded. The Russians have a way of making changes at times and it would not be too surprising if one isn't in the making.

As we said... time will tell. Meanwhile the situation is serious, and this latest plane incident is made to order for Khrushchev's vindication if he needs it, as he can very well say to his people, "I told you so."

Meanwhile our prestige has suffered a terrific blow despite the back patting and assurances from our British ally that the whole blame lies in Russia's lap. What else could the British do but back us up? Nobody knows better than they the horrors of war and they also have a pretty good conception of what could happen to their little island kingdom in case of a nuclear war.

The UN may help mitigate the blow to the United States but it can do nothing to alter the fact that this country pulled a boo-boo and a big one and that it will take a lot of doing to ever convince the Soviets that we have a sincere desire for peace or disarmament. The biggest blow perhaps is to the hopes of German unification at a time when it appeared there just might have been a glimmer of a chance for a settlement of this knotty problem.

To put the President through the embarrassment of a congressional investigation at such a crucial time could hardly serve to improve matters. However it is disconcerting that such a mistake was made and steps should be taken to see to it that nothing is done in the future to aggravate an already explosive situation.

Right or wrong we must not display disunity. Divide and conquer is the watchword of the Communists.

## Too Many Accidents

Again the needless waste of human life and property comes to this newspaper's attention in the form of a monthly report issued by the Alabama Department of Public Safety... showing the major causes of death on our highway and what we can do to prevent this holocaust. Certainly the great majority of accidents are preventable.

The Florence Post of the Alabama Department of Public Safety comprises Lauderdale, Colbert, and Franklin Counties and is part of the district under the command of Captain Roy Bradford.

During the month of April the Highway Patrol Division in the District investigated forty-one rural traffic mishaps in these counties which resulted in twenty-six personal injuries and two deaths.

There were 10 one-vehicle mishaps, 30 two-vehicle mishaps and one other. Most of these accidents were caused by four violations:

1. Speed
2. Failure to yield right-of-way.
3. Driving on wrong side of road.
4. Following too close.

Captain Bradford points out that so long as we continue to commit these violations we shall continue to have needless mishaps resulting in personal injury and death and any of us could be next in line for a fatal collision.

Captain Bradford emphasized that the best way to avoid tragedy on the streets and highways is to DRIVE WITH CARE, COURTESY AND CONSIDERATION AND OBEY ALL TRAFFIC LAWS, because it is a duty to obey the traffic laws, and because it is good business to protect your property as well as your life.

We should like to add at this point one or two other factors that are vitally important in accident prevention and that is the great need for taking away the license of the drunken driver and the habitual traffic law violator. The other is regular inspection of lights, steering and brakes. We believe this is a common sense approach to preventing many useless accidents.

## Patterson Names Staff Colonels

### Twenty-Five From Area Receive Title From Chief Executive Recently

Gov. John Patterson has commissioned 31 more Alabamians as lieutenant colonels on his personal military staff.

The title is honorary. The governor's staff of colonels includes long-time friends and supporters in his campaign for governor. The new "colonels" include 25 from the Tri-Cities area and three from the Mobile area. Those from the Tri-Cities area are: U. O. Redd, Sr., lumber company owner; H. L. Wright, real estate company owner; G. C. Bates, retired farmer; R. L. Bobo, grocery owner; L. C. Johnson, bank vice-president; Julius H. Spry, insurance company executive; James R. Ayres, candy salesman; L. E. (Bob) Trousdale,

taxicab company operator. Homer L. Reeder, cotton broker; A. W. Darby, Sr., real estate company owner; LeRoy S. Doster, Reynolds Metals Co. comptroller; Hugh L. ## In The Week's News

### U. S. Missile In Record Flight

The Air Force Friday fired an Atlas missile 9,000 miles on a record-smashing flight past the tip of South Africa into the Indian Ocean. This was the longest surface-to-surface missile flight on record, surpassing the 7,760 miles claimed by the Russians for a rocket they launched into the Central Pacific last Jan. 20. The Atlas powered into the sky from Cape Canaveral at 10 a.m. EST.

### Gulf Coast Negroes Want Integration

It was reported by an official of the National Association for the Advancement of Colored People Friday that Negroes will not settle for segregated beach facilities on the Gulf Coast. Mississippi NAACP Field Secretary Medgar Evers said the organization has never asked for a Negro beach. Evers' statement followed a Jackson Daily News report that the sovereignty Commission was advised Negroes would accept a segregated beach area.

### Calif. Teenager Attacked By Shark

Suzanna Marie Theriot, 16-year-old girl of Aptos, Calif., Thursday was attacked by a huge shark while swimming off Hidden Beach. Her left leg was so severely mangled that it had to be amputated above the knee. Suzanna and 38 other sophomore classmates were on a parochial high school outing when the accident occurred. The attack was another in a series along the California coast that authorities blame on a warming trend of the waters and the movement of warm water fish northward.

### Kennedy Defeats Morse in Oregon

Sen. John F. Kennedy Friday scored a crushing home state defeat over Sen. Wayne Morse in Oregon's Democratic presidential primary. This win swept Kennedy to his seventh primary victory of the year, and captured for him another 17 delegate votes at the Democratic National Convention boosting his unofficial total to 317½ of the 761 needed for the presidential nomination. Morse, long a political giant in Oregon, refused to concede, saying he would look over the returns after a night's sleep and then issue a statement.

### Alaska Mountain Climbers Rescued

A combination of hazardous helicopter-plane flights lifted the two remaining climbers from Mt. McKinley in Alaska, North America's highest mountain, Saturday, bringing near completion a massive rescue operation that cost two lives. Two others were taken from the mountain Friday just before two fliers died in a light plane which crashed in rescue efforts. The four men were hurt in a 400-foot fall Tuesday night of last week, disabling all four. The men were identified as John Day, wealthy rancher from Central Point, Ore., Pete Schoening, Seattle climber, and Louis and James Whittaker, twins from Seattle.

### Colleges Remain Closed In Turkey

The shutdown of all Turkish colleges and universities has been extended to the fall with new restrictions being imposed on the capital to check anti-government demonstrations. Students have led the campaign against the strongarm rule of Premier Adnan Menderes but have succeeded in rousing only scattered support from the public. College classes, suspended for a month on April 28 following student uprisings, were due to resume this weekend. Instead, the government Sunday extended closure to July 28, a month after Turkish schools normally close.

### Jet Plane Crashes In Atlanta

A Delta Airlines Convair 440 jetliner Monday struck a wingtip to the ground as it left a runway at the main Atlanta, Ga., municipal airport, flipped over and crashed in a ball of flames. All four men aboard were killed. They were Delta Senior Pilot James H. Longino, 41, of Atlanta; Capt. W. F. Williams, 50, of Miami; Capt. H. L. Laube, 45, of Atlanta and First Officer Bryan E. Bolt, 31, also of Atlanta. Delta President C. E. Woolman said cause of the crash was not known.

## Scholarships Are Awarded Annually

### Union Carbide Program Provides Selection Of Students For Engineering

Under the Union Carbide Engineering Scholarship Program, effective this year, 35 U. S. colleges are authorized to select an incoming Freshman each year as a Union Carbide Engineering Scholar. Each scholarship provides financial assistance for the recipient and a grant-in-aid to the participating college. Each Union Carbide Scholarship is normally for four years, but will cover five years of study if the established curriculum requires five years to complete. At private colleges, each scholarship covers the complete cost of tuition for the full academic course and a reasonable allowance for fees and provides \$100 per year for books. At tax-supported universities, each scholarship recipient received \$500 per year for tuition, books and fees.

Any graduate of or student about

to be graduated from any secondary school in the United States may apply to any of the 35 participating colleges. Students who have good scholastic standing and personal reputation, who are recommended by their school authorities as deserving or in need of financial assistance and who plan to enroll and continue in the engineering field and have the necessary talents and ambition are eligible for a Union Carbide Engineering Scholarship.

The selection of Union Carbide Engineering Scholarship recipients is in the hands of the participating colleges and all requests for application or further information should be made directly to them. A list of the 35 participating colleges may be obtained by writing The Union Carbide Educational Fund, 270 Park Avenue, New York 17, New York.

Engineering Scholarships are one part of the Corporation's broad program of educational aid, which also includes assistance to graduate and undergraduate students in scientific and technical areas, grants to a wide cross section of colleges, education organizations and organizations and educational refunds for Union Carbide employees.

## Personality Sketches

By FRANCES HALL

GEORGE MCBURNEY

"George McBurney has contributed more to the residential growth of Florence than anyone else in the history of the city," is the praise given him by one of Florence's business leaders.

"Without the foresight that Mr. McBurney has displayed in the development of numerous residential areas, the 1900 census of Florence would not be what it is," he added.

George William McBurney was born September 19, 1916, the son of Dr. Ralph and Mrs. Hazel Powers McBurney. Dr. McBurney taught at the University of Alabama for over 40 years and is now the health officer of Tuscaloosa County.

Mr. McBurney was educated in the public schools in Tuscaloosa and attended the University of Alabama where he was graduated in 1940 with AB and LLD degrees. Following graduation he entered the practice of law in Tuscaloosa. On April 2, 1941, he was drafted into the Army where he served five years, rising to the rank of Captain. Most of this time he served with the 30th Infantry Division in five campaigns. The unit landed on Omaha Beach on D-Day plus 4.

On November 20, 1942, he was married to the former Martha Roberts, of Florence. Mrs. McBurney, the daughter of Dr. and Mrs. S. S. Roberts, Sr., Florence, at one time was delegate from the Eighth Congressional District to the National Democratic Convention.

Mr. McBurney was discharged from the Army in 1946, after which he served as Assistant Attorney General in the state of Washington. In the fall of the same year, he entered the private practice of law in Florence, continuing in this capacity for five years. He then became executive vice-president of The First Federal Savings and Loan Association of Florence.

In 1955, Mr. McBurney resigned his position with First Federal and entered the real estate development business, establishing Mid-South Realty, Inc.

Mr. McBurney, who has always shown a great deal of interest in the growth of the city of Florence, has developed ten sub-divisions, which include the following: Ridgcrest, Hillcrest, Wildwood Homes, Wildwood Park Plaza, Norwood Park, Eastwood, Valley Park, Hickory Hills, Wildwood Terrace and Florence Apartments.

## Joe McWilliams Is Exchange Speaker

Joe McWilliams, manager of the Muscle Shoals Credit Bureau, was the guest speaker at Tuesday's meeting of the Florence Exchange Club at Hotel Reeder. Frank McAnister was in charge of program arrangements and presented the speaker.

Mr. McWilliams announced subject was "Credit and You" and explained that everything today has some connection with credit. "Although you may be one that never buys on credit it is practical to certain that every item bought for cash was bought on credit by the firm that made the sale to you," Mr. McWilliams said. "All money is credit; all stocks and bonds are credit; and the true meaning of credit is simply confidence in your fellow man," he added.

Credit is based on the 3 C's, the speaker said: (1) Character, (2) Capacity and (3) Capital with a fourth "C" recently added and standing for "Condition," condition of the community, state and nation in the scheme of things. Business would cease without credit, it was shown, and that the individual is his best credit manager.

The first credit bureau was established in Atlanta in 1899, Mr. McWilliams said and pointed out that of those who take advantage of credit offered, 70 per cent are prompt pay; 20 per cent slow; five per cent slow for cause and five per cent intentionally slow with little or no intention to pay. "You make your own credit rating," he said, and discussed the whole credit picture interestingly. The club voted to sponsor Jimmy Fall at Boys' State and Joe Redd and Cecil Johnson were club guests.

Captain Thomas Ashcraft announced that Admiral Welch, commanding officer of the Naval Training Center at Memphis would be the guest speaker next Tuesday.

## Late News

• The U.S. Air Force has announced that Soviet authorities Wednesday freed a C47 that strayed into Communist East Germany last Friday and the nine Americans aboard it, including S. Sgt. Leon Porter, 26, of Russellville, Ala. According to a Soviet statement, the plane was forced down to protect the frontiers of East Germany as a members of the Warsaw Pact, a Soviet-led Communist military alliance. The C47 transport, forced down when it got over the border into East Germany while on a flight from Copenhagen, Denmark, to Hamburg, Germany, had as its occupants eight Air Force men and the wife of one of the men.

• Hundreds of miles of Japan's east coast were battered Tuesday by tidal waves which raced across the Pacific from quake-torn Chile. The international tidal wave toll of dead and missing Tuesday reached 354 with combined casualties of the Chilean quakes and tidal waves at 526 dead and 898 missing. The Japanese counted 90 dead and 75 missing with 33 persons dead and 23 missing in Hawaii, which also suffered the tidal waves. It is expected by authorities that the total of dead or missing in Chile will go as high as 2,000, with perhaps two million without homes.

• An experimental 2½-ton Midas "spy" satellite Wednesday whirled about the earth every 94.34 minutes, ready to test its missile detection equipment on giant flares and friendly rockets. The Midas will determine the feasibility of using such satellites to patrol the earth for enemy missiles. The giant satellite, launched Tuesday from Cape Canaveral, Fla., is expected to prove useful for three to four weeks.

• Integration leader Martin Luther King, Jr., went to trial in Montgomery Wednesday on a charge of state income tax fraud. The Negro minister, who has pleaded innocent, is being tried on the first of two perjury indictments accusing him of understating his 1956 and 1958 income by some \$27,000. A possible five-year prison term hinges on the outcome of this trial.

• The Senate Foreign Relations committee Tuesday agreed to open "an objective, impartial inquiry" Friday into the spy plane incident, announced J. William Fulbright (D. Ark.) who emphasized that every effort will be made to keep politics out of the closed-door inquiry, which will begin with Secretary of State Christian A. Herter.

• At their state convention held in Nashville Tuesday, Tennessee Republicans clinched the nomination of Vice President Richard Nixon as GOP presidential candidate at the July national convention. The Tennessee convention instructed the state's 28 votes for Nixon, giving him the necessary majority of 686 convention votes for the nomination. Nixon needed only eight of the Tennessee delegates to attain a majority, along with the 26 he picked up in Florida's recent primary and those pledged previously in other states.

## LETTERS TO THE EDITOR

### MAULDIN APPRECIATED LAUDERDALE'S SUPPORT

Editor: I would like to take this means to thank you and the people of Lauderdale County and this Congressional District for selecting me as your delegate to the Democratic National Convention. I shall try to show my appreciation by conducting myself as your delegate in such a manner as to reflect credit and respect on our southern way of life and the traditions which we all hold so dear. Furthermore, I would appreciate hearing from any voters from the 8th Congressional District as to whom he or she feels Alabama should support for President and Vice-President.

Again I say thank you especially to the citizens of Lauderdale County who favored me so greatly by allowing me to lack only some 60 votes leading the Lauderdale County District Delegate Ticket.

Sincerely,  
Ed Mauldin

June 22. Samples can be taken from oat, wheat, barley, rye, and mixtures of these crops with such legumes as vetch and clover. Samples can also be taken from fields that will be planted to permanent pastures or alfalfa next fall and from established pastures; to determine the kinds and amounts of fertilizer needed to improve grazing and increase the carrying capacity of pastures. Take samples of soil from each field before breaking the land.

Boxes, cartons, and instructions are available at the county agent's office. The community leaders listed below have a supply of the materials and information needed in taking samples or will get what you need for you. They will also show you how to take samples and assist in any way they can in getting your soil tested. See the nearest county agent or visit our office and get the materials and information needed to take samples. Get yours on the truck going to the laboratory June 22 in order to have a soil test fertilizer and limestone recommendation for the crops to be planted this fall in time to apply it well ahead of planting. This is a wonderful opportunity for all farmers who plan fall crops. Will you take advantage of it?

### Miss Martha Harrison Wed In Cambridge, Mass.

Mr. and Mrs. Stuart Eads Harrison of Montgomery have announced the marriage of their daughter, Martha Ashcraft, to Carl Curtis Close, son of Mr. and Mrs. Charles H. Close of Grand Junction, Colorado.

The bride is well-known in Florence where her mother, the former Estelle Ashcraft, spent her girlhood years, and where she is a frequent visitor in the homes of her aunt, Mrs. James Gilbert, and Mr. Gilbert, and of her uncle, Captain Thomas Ashcraft, and Mrs. Ashcraft.

Mrs. Close is a student at Radcliffe College in Cambridge, Massachusetts, and Mr. Close will be graduated from Harvard University this month.

The exchange of vows took place on Wednesday, May eighteenth, in Cambridge.

### Miss Shirley Annette Koonce To Say July Vows With Texas

Of cordial interest is the announcement which has been made by Mr. and Mrs. James Anderson Koonce of 414 North Walnut Street, Florence, of the betrothal of their daughter, Shirley Annette, to Albert Sidney King, Jr., son of Mr. and Mrs. Albert Sidney King of Dallas, Texas.

The bride-elect was graduated from Coffee High School and attended the University of Tennessee in Knoxville where she was pledge president of Delta Gamma, social sorority, a member of the Fanhellenic Board of the Campus Beautiful Committee. She is now a student at Southern Methodist University in Dallas where she is majoring in radio and television.

Mr. King, a graduate of Highland Park High School in Dallas, is also a student at SMU with business administration as his major. He is serving as treasurer of the University's Chapter of Lambda Chi Alpha, his social fraternity.

First Methodist Church of Florence will be the scene of the July twenty-fourth nuptial event.

### Recent Florence Bride Feted In Lawrenceburg

A courtesy to Mrs. Joseph Douglass (the former Vickie Cochrane of Florence) was the late afternoon tea of Friday, May 20th, which took place at the Lawrenceburg Golf and Country Club of Lawrenceburg, Tenn., home of the bridegroom's parents.

Hostesses for the occasion were Mrs. Joseph Kraus and Mrs. Williams Sevier and receiving with them and the honoree were the

latter's mother-in-law, Mrs. Jack Douglass, and her aunt, Mrs. Charles Thomas of Florence.

Silver appointments marked the white linen-covered teatable and a Victorian arrangement of colorful Spring blossoms was flanked by smaller bouquets and burning white tapers to complete the decorative theme. Assisting were Miss Susan Sevier and Miss Dottie Brink.

Among the Florentines attending were Mrs. W. T. Callaway, great aunt of the bride, Mrs. Cephas Smith, her aunt, and Mrs. Fred Long.

More than one hundred guests called during the party hours of five 'til six.

### McDaniel-Warren Vows To Take Place In July

Announcement has been made by Mr. and Mrs. George D. McDaniel, Florence, of the engagement and approaching marriage of their daughter, Virgie Elizabeth, to William Alfred Warren, son of Mr. and Mrs. Howard A. Warren of Morristown, Tennessee.

The bride-elect, a graduate of East Tennessee Baptist Hospital School of Nursing in Knoxville, is now practicing her profession at Morristown-Hamblen Hospital in Morristown and the prospective bridegroom, also of Morristown, is affiliated with the American Enka Corporation there.

The wedding will be an event of July.

### Miss Joyce Romine To Wed Herman Todd

Mr. and Mrs. Wallace Romine of Rogersville, are today announcing the engagement and approaching marriage of their daughter, Joyce Dean, to Herman Todd, who is also of Rogersville.

The bride-elect is a graduate of Athens Bible School. She is to graduate this month from Freed-Hardeman College, Henderson, Tennessee, with an A.A. degree in home economics.

The son of Mr. and Mrs. Joe Todd, of Rogersville, the bridegroom-elect is a graduate of Lauderdale County High School and holds B.S. and M.S. degrees from Auburn University. He is currently manager of the Muscle Shoals Rehabilitation Facility in Florence.

The wedding is to be an event of May thirty-first at 7 o'clock in the evening in the Rogersville church of Christ.

Mr. and Mrs. Henry Lamar returned yesterday from Birmingham where they attended the Alabama State Furniture Convention.

### Miss Virginia Nell English To Wed Claude Edwin Henry

Mr. and Mrs. Herman English of Killen have announced the forthcoming marriage of their daughter, Virginia Nell, to Claude Edwin Henry of Tusculum.

Both bride- and bridegroom-elect, the latter the son of Mr. and Mrs. R. Olen Henry, also of Tusculum, hold local positions.

A June wedding is being planned.

### Nuptial Plans Told By Miss Gray

First Presbyterian Church of Florence will be the scene of the Saturday, May twenty-eighth, wedding of Mildred Anne Gray, daughter of Mr. and Mrs. Duncan Simpson Gray of Florence, and Robert Graham Jones of Huntsville.

The bride will be given in marriage by her father, Dr. Davis Wills Hollingsworth, minister emeritus of the church, will read the six o'clock vows.

Attending the bride will be Mrs. Cecil Price Harrison as matron of honor, Miss Mary Eliza Southall as maid of honor, both of Florence, and Miss Emily Grear of Eufaula and Miss Anne McMurphy of Atlanta as bridesmaids.

Mr. Jones, son of Mrs. William B. Jones and the late Mr. Jones of Huntsville, will have his brother, Brandon Jones of Huntsville, as his best man and ushers will include Duncan S. Gray, Jr., of Florence, brother of the bride, and Arthur K. Gorman, George M. Mahoney, Claude N. Buchanan, Thomas A. Jones and Robert J. Miller, all of Huntsville.

### Miss Gray Honored With Afternoon Tea

The David Musselman home at Cypress Bend Place was the setting for the tea of Saturday afternoon, May fourteenth, when bride-elect Anne Gray was honored by Mrs. Musselman, Mrs. Gerald Wade and Mrs. Glenn French.

A profusion of Spring roses and iris gayed the party rooms where Miss Gray greeted guests with her mother, Mrs. Duncan Gray, and her fiancée's mother, Mrs. William B. Jones of Huntsville. The honoree wore a pink ensemble complemented by a pink orchid at her shoulder.

The teatable was appointed in silver and spread with a cloth of white Madeira. White peonies, flanked by candelabra of burning white tapers, fashioned the central decoration where Mrs. James E. Mackey and Mrs. John Bowser, sisters of the bride-to-be, Miss Dean Goodsell, Jr., and Miss Mary Eliza Southall presided.

More than sixty guests called during party hours.

### Miss Porterfield Plans 20th Century Club Program

A new slate of officers for next year's Twentieth Century Club was announced at the meeting of Tuesday, May 17, including Mrs. Fred Bitters, president; Mrs. George Maness, vice-president; Mrs. Hadley Howard, secretary.

Miss Martha Porterfield, in charge of the program, asked Dr. Bernarr Cressap, chairman of the department of social sciences at Florence State College, to be the guest speaker. Using Carl Bode's "The Anatomy of American Popular Culture, 1840-1961" as background material, Dr. Cressap interestingly discussed the popular fine arts of one hundred years ago.

Mrs. Richard M. Penney, Jr., entertained at her home in Norwood Park and guests in addition to club members were Mrs. Carl O. Walker and Miss Josephine Penney.

Mrs. C. M. Arehart and Mrs. T. M. Kelso, retiring president and secretary, respectively, assisted the hostess at teatime.

Now adjourned for the Summer months, the club's next meeting is scheduled for September.

### Pierian Club Has Annual Luncheon Meet

Miss Helen Jackson and Mrs. O. W. Edwards were hostesses to the annual Spring luncheon of the Pierian Study Club at the home of the former, 529 North Seminary St., on Tuesday, May 17.

Officers for the new club year were installed, including: Mrs. J. L. Lehr, president; Mrs. John Wilks, vice-president; Mrs. Shadrach Casey, secretary; Mrs. J. A. Wilbanks, treasurer; Mrs. L. E. Bayles, historian; and Mrs. Ralph Dasher, parliamentarian.

Mrs. Dasher, retiring president, presided during the business session and twenty-one members were in attendance.

### Killen Dogwood Gardeners Install New Officers

Spring flowers were about the rooms in the home of Mrs. W. L. Holland, North Wood Ave., Florence, when a new slate of officers was installed on Monday evening of last week to serve the (Killen) Dogwood Garden Club during the coming year.

Chosen to lead the club during the 1960-61 season are: Mrs. Ralph Canter, president; Mrs. Robert Simpson, vice-president; Mrs. L. J. Ezell, recording secretary; Mrs. George Stovall, corresponding secretary; Mrs. W. B. Kidd, treasurer; and Mrs. H. H. Cox, parliamentarian.

The new president presented each fellow-officer with an iris corsage.

### Thursday Study Club Hears Musical Program At FSC

Members of Thursday Study Club gathered in Wesleyan Hall, Florence State College, at its last-week meeting to hear the College Choir, under the direction of Mrs. Hugh Porter, present a number of vocal selections.

Included on the program were solos by Miss Cecily Hay and Alan Orr, with accompanists Miss Betty Lynn Miller and Miss Betty Barber.

Following the program, the group repaired to the home of the afternoon's hostess, Mrs. Jess Keller, for a business meeting. In the absence of Mrs. W. M. Sloan, president, Mrs. G. A. Young presided and plans for the annual picnic, which will take place at the camp of Mrs. Ronnie Davis in June, were completed.

A tea hour was featured in the late afternoon.

### Farewell Courtesy For Maj. Mrs. Perkins

Prior to their leaving for a new assignment in Ft. Leavenworth, Kansas, Major and Mrs. Thomas Perkins were honored on Sunday afternoon by Lt. Col. and Mrs. M. L. Fallwell at their home on Simpson Street.

Spring flowers were used throughout the party rooms and the tea table, veiled in a cloth of Chinese lace which was brought from Japan by Col. Fallwell, was centered with a mixed arrangement of blossoms of the season and flanked by white tapers in silver stands.

Assisting were Mrs. Nell Curtis, sister of the hostess, and Mrs. Arthur Brown.

More than sixty guests called between the hours of two and four.

Mrs. W. J. Callaway is in Augusta, Ga., for a month's visit with her daughter, Mrs. David Donald, Dr. Donald, and their children, Jan and Ken.

Mrs. Sergio Cavallari (Catherine Frost) and little daughter, Monique, are here from their home in New York City for a visit with her parents, Mr. and Mrs. William Frost on Hermitage Drive.

Rudy Abramson, formerly of Cloverdale, roving reporter for The Nashville Tennessean, was the week-end guest of his parents.

Mr. and Mrs. Aldon McCollum and children, Jill and Jeff, left last Friday for a two-weeks' vacation and a round of family visits which will take them to Savannah, Ga., Daytona Beach, Ft. Lauderdale, Miami and other Florida beauty spots.

Mrs. William Milliken left last Saturday for Falls Church, Va., where she is a guest of her sister, Mrs. Melvin Scott, Mr. Scott, and

their family. She was accompanied on the trip by Mrs. Julian Nance who stopped in Roanoke, Va., for a visit with Miss Evelyn Peeler, former Florence-Lauderdale Librarian, and by Mrs. Ida Landsen who will spend some time with family members in Alexandria.

Returning with Mrs. Milliken this week end will be her mother, Mrs. Burgess Little, who has been with the Scotts for several weeks.

Mrs. Grace Tipler was joined by her sister, Miss Leota Meadows of Detroit, Mich., for a fortnight's stay with her sons, Lt. Commander Jack Tipler in Norfolk, Va., and Frank Tipler, Jr., in Andalusia, and their families.

Mr. and Mrs. Theodore Gerber and her son, Brad Darnall, are in St. Charles, Mo., to be present for the graduation from Lindenwood College of their daughter and sister, Miss Betty Darnall.

Mr. and Mrs. John North have returned from a week's visit with Mr. and Mrs. Thad Mackie, former Florentines now of Newport News, Va. A day in colonial Williamsburg was a feature of their trip.

Mr. and Mrs. James E. Freeman (the former Mary Bosley of Florence) have announced the birth on May 22 in Tulsa, Okla., of a second daughter, Mary Catherine. Mr. and Mrs. Thomas Bosley of Florence are the baby's maternal grandparents.

If oil-soaked rags are allowed to accumulate around the house, they may start a fire.

## Small Train To Thrill Children

### Recreation Center Has Added Attractions For Both Adults, Youngsters

The city of Florence is now engaged in clearing a two-acre sight adjoining the Recreation Center on North Royal Avenue, to the East, for a park to be opened to the public July 4.

To be featured in the park will be a recently purchased 45-foot long train consisting of an engine and two coaches which will be capable of transporting 42 children at one time. The train will travel over a track 4,185 feet long and will pass through a 150-foot tunnel and over a gigantic trestle. Rides will cost 10c each and it is expected that children of all ages will be delighted in this new attraction.

In addition to the trains, benches and tables will be added over the beautiful terrain, making this area an ideal picnic spot and one that will certainly prove an attraction to the residents and many visitors to this area.

At a future date, swings, slides and other rides will be added to the recreational facility, added Mayor E. F. Martin, who is very enthusiastic about the latest addition to the Recreational Department of Florence.

Enough beef, pork, lamb, and veal probably will be produced in 1960 to provide an average of 161.5 pounds per person in the U.S., according to the National Livestock and Meat Board.

#### ASSESSMENTS ARE PROTESTED BY 200

Approximately 200 property owners in Lauderdale County including many in the downtown business area of Florence, have filed intention to protest reassessments of their properties. According to Mrs. Helen Murphy, tax assessor, Monday was the deadline for giving such notice and those who have given notice will be notified of the date they are to appear before the Board of Equalization for hearing.

Some 750 have been given notice of reassessment, it was stated. John North, chairman of the Board of Equalization, said assessments were based on 20 per cent of the actual value of the property at the present time.

Hilda Shipper's supper party on Thursday at her home on the lake . . . noon-time luncheons here 'n' there including Ethelyn Simpson's at The Town Club on Saturday . . . 'Twas really quite a whirl . . .

HIGHLIGHTING THE week end were . . . the housewarming given in honor of Esther and Charlie Green when friends gathered in their picture-perfect new home on Hermitage Drive last Saturday evening . . . Inside and out . . . the place is a dream . . . AND the Sunday after-noon at the hospitable abode of Charlotte Olim (916 North Wood) where about thirty guests were included on the "mongst-those-present list" . . . Pleasantly chit-chatting moments sped by as if on wings . . .

A-TRAVELIN' THEY WILL go . . . Ruth Roper Hutchinson of Montgomery (longtime Florentine and popular frequent visitor in our midst) will depart in mid-June for a two-months' tour of Old World points of interest . . . AND taking about the same time will be Wanda and Buck Marsh and chillun . . . Susan and Nancy and Malcolm . . . who'll enjoy a camping spree in the Smokies and will celebrate while there (on the 17th and 18th) the birthdays of (mama) Wanda and (daughter) Susan . . .

BIRTHDAYING A LITTLE earlier . . . Jo Brabson will chalk up an additional milestone come Sunday . . . AND A DAY of special interest will be marked on "The Cape" in Massachusetts on Sunday, June twelfth, when Charlotte and Jewett Flagg will attend the sixtieth wedding anniversary of her parents in the family home . . . Our sincere many-happy-returns and a deep-DEEP curtsy to one 'n' all . . .

NEVER-TO-BE FORGOTTEN wedding days will include that of Martha Alice Hubbard . . . daughter of ex-Florentines Abbie (Hibbett) and Gaylord of Chattanooga . . . She'll middle-aisle with Randolph Risner of Knoxville at two o'clock on Sunday afternoon in Nashville . . . and at half past five o'clock (same afternoon) she'll march in the Graduation Day Parade at Vanderbilt U . . . Localities among her wedding attendants will be two young charmers . . . Ann Hibbett . . . daughter of Elaine and (Doctor) Lester of 412 South Cedar as flower girl . . . and David Hibbett . . . son of Martha and George of 806 Dixie Ave., as ring bearer . . .

OUR REPORTER REPORTS that . . . Ronnie and Bert Halton will be in Indianapolis on Monday for the Memorial Day races . . . AND onetime Florentine Grace Rice will arrive from her present home in Jackson, Miss., on Saturday to be guested for a week by Mae Irvine at Oakridge . . .

LOVE . . . AND DEAREST wishes are being waited along to Margaret Ingram . . . recent surgical patient at ECM Hospital where she is now reported greatly improved . . . AND to ex-localite Annie Ruth (Smith) Dowling of Panama City, Fla., who is convalescing after a lengthy hospitalization and two bouts with the surgeon's knife . . . AND to (a favorite Florentine) Jewell Archer . . . percolating again and looking "good as new" following a tedious illness . . .

AND NOW . . . CHEERIO and goodbye . . . until more news comes through The Spillway . . .

#### Egan Tells FSC Graduates About Real Democracy

False Doctrine Seeks To Reduce People, Values To A Common Level

Sunday evening at the Baccalaureate service in the Memorial Amphitheater Florence State degree candidates, faculty, and guests heard Dr. Very Reverend Brian Egan, O.S.B., President of St. Bernard College who spoke on "Democracy and Equality."

"Genuine Democracy, in any valid Christian sense or truly American tradition," he stated "does not cultivate the pretense that all men are equal in every respect. Democracy calls upon us to promote equal opportunity, equal justice, and a recognition of those essential equalities which flow from essential human personality. But far from being bad Democracy, it is a very real service to Democracy to resist the mediocrity and degeneration of values which flow from the mistaken notion that all men are equal in every respect, that no persons are better than others."

"The fact is that some persons are very much better than others; the further fact, sometimes most important to remember, is that some people are very much worse than others. Democracy is well served when these facts are scrupulously pointed out and the reasons are honestly stated why some men are better and what makes others worse."

Father Egan continued, "It is a false Democracy, it is an evil spirit hostile to Democracy, which seeks to level all persons and reduce to least common denominators all beliefs, all difference, and all values. This spurious spirit of Democracy, this counterfeit Democracy, pretends that all privilege is unfounded and all inequality is unfortunate."

"It promotes the insincere pretense that all religions are equally of divine right and that all shades of human thinking are equally accurate; it is even argued that those who refuse to discredit legitimate privilege or to abdicate divine prerogatives offend the principles of Democracy."

He told the graduates "to be conscious and proud of your legitimate differences."

In conclusion, Father Egan appealed to the graduates to develop a spiritual aristocracy, an elite of mind and heart and soul. "You can best do this," he said, "by frequently meditating on your privileges and recognizing effectively the responsibilities which arise from them."

#### Betty Darnall To Receive Degree

Miss Betty Darnall of Florence is among the 64 candidates for Bachelor degrees at the 133rd annual commencement at Lindenwood College on May 28, it has been announced by President Franc L. McCue.

Miss Darnall is an English major with a minor in dramatics and will receive a B.A. degree. She is president of the League of Women Voters and representative on the Student Council. She is a member of Alpha Psi Omega, national dramatics honorary. She will have as her guests for the commencement activities her parents, Mr. and Mrs. Theodore E. Gerber of 444 N. Wood Ave., and brother, Brad Darnall, a student at Vanderbilt University.

#### MARKS NAMED AS PARKS DIVISION CHIEF

Conservation Director William C. Younger today announced the appointment of Laurence H. Marks, 49-year-old retired Navy Commander as Chief of the Conservation Department's Parks Division, effective June 6.

Marks, holder of a Bachelor of Science Degree from the U. S. Naval Academy, and a former University of Alabama graduate student in the School of Commerce and Business Administration, accepted the appointment as an "opportunity to more fully develop the state's natural beauty and to serve citizens of Alabama."

#### MISS EVANS ELECTED BY SCIENCE FRATERNITY

Miss Anne A. Evans has been elected vice-president of the Centre Christian Association and has also been elected to membership in Phi Beta Chi scientific fraternity at Centre College of Kentucky, at Danville.

Miss Evans, a sophomore at Centre, is the daughter of Mr. and Mrs. Edward H. Evans, 909 Sherrod Ave. She is a 1958 graduate of Coffee High School where she was valedictorian of her class and a member of the National Honor Society.

## STAY SOUTH, YOUNG MAN!

WHERE WERE YOUR DREAMS for the future, on your glorious day of Graduation? Were they up in the clouds where they belong, because horizons are as limitless as the skies today for young men of character and competence, vision and faith?

Hold those dreams high, young man, and stay South to see them come true. For right here at home, in the South you know and love, a great new opportunity-land is coming of age, where dreams that are born on the wings of a star can come down to earth and grow into reality.

A recent U. S. Department of Commerce report shows that since World War II the economic development of

the South has outpaced the national rate of growth in almost every category you can name. Along Southern Railway lines alone, in the 8-year period 1952 to 1960, there have been 2,690 major industrial developments representing an investment of more than \$4 billion.

Look ahead—stay South, young man. Stay South and grow with America's "youngster" opportunity-land.

## Annual Lunch Workshop Is Set

Invitations Issued To All School Lunchroom Managers In Area

Assisting school lunchroom managers in the promotion of efficient school lunch programs is the goal of the workshop held each year on the campus of Florence State College. The Ninth Annual Workshop is scheduled for May 30 through June 3, and letters of invitation have been sent to all school lunchroom managers in the Florence State College service area, according to Otis L. Peacock, director of extension.

"A new course, Advanced Management and Food Cost Control has been added," he said. Miss Josephine Martin, Area Home Economist, United States Department of Agriculture, Atlanta, will be instructor, and a maximum of twenty persons who have taken all the courses through VI will be eligible.

The courses to be taught this summer are: I, Overview of Total School Lunch Program; II, Menu Planning and Food Cost Control; III, Nutrition and the School Lunch; IV, Equipment, Sanitation and Food Purchasing; V, Management and Record Keeping; VI, Quantity Cookery and Food Service.

ice; VII, Advanced Nutrition; and VIII, Advanced Management and Food Cost Control. Each group will devote the week to the topic listed for that group. The following year groups will move to different discussion topics.

The instructor will be: Miss Josephine Martin, Area Home Economist, United States Department of Agriculture, Atlanta; Mrs. Fanny Sue Jones, School Lunch Supervisor, Decatur City Schools; Miss Mildred Bynum, School Lunch Supervisor, Morgan Co. Schools; Decatur; Mrs. Elizabeth Gann, School Lunch Supervisor, Huntsville City School; Mrs. Celia J. Wilson, Assistant Professor of Home Economics, Florence State College.

Mrs. Mary W. Huff, Chairman, Department of Home Economics, Florence State College; Mrs. Merle Donaldson, Assistant Supervisor of School Lunch, Jefferson County Schools, Birmingham; Mrs. Mabel G. Anderson, School Lunch Supervisor, Lauderdale County Schools, Florence; Miss Mildred Davis, School Lunch Supervisor, Jefferson County Schools, Birmingham.

## Loyalists Urge Defeat Of States Righters May 31

Vote Control Is Said Run-Off Issue As Battleline Is Drawn

The people of Alabama will have an opportunity on May 31 to say whether or not they will be able to choose between Republican and Democratic candidates for president and vice president.

A statement issued by the 10 Loyalist Candidates for Elector says, however, the people will not have that opportunity if the so-called Independents are elected. The statement from the Loyalists follows:

"On Tuesday, May 31st, Alabama faces a serious decision, and if we put our future in the hands of the Republicans in the Democratic primary it would be a tragic 'in this Democratic run-off primary Alabama Democrats can choose between two states of candidates, our state offering the people an opportunity to vote for the Democratic nominees in November, or our opponents who wish to be free of obligation to Alabama Democrats. We believe that the people of Alabama should have an opportunity to choose in November between Republicans and Democrats. This is the standard American way. We will not have that opportunity if the so-called Independents are elected.

"The issue in this campaign is not segregation as all candidates are strongly for segregation.

"The issue is not States Rights as all candidates are for States Rights.

"The issue is: Who will cast Alabama's electoral votes for President after the November election, Loyal Democrats or back-door Republicans?

"If elected we pledge to the people of Alabama never to vote for Dick Nixon, the NAACP member, or any other Republican integrationist. We are the only candidates making you this pledge. A vote for the so-called Independent electors is a vote for integration because that would help to elect a Republican President and no Civil Rights Bills have ever passed except under a Republican President.

"We know that we will represent the Democratic Party's nominees on the November ballot. This is the only way that you can be assured of a right to vote for the Democratic nominees and against Dick Nixon.

"We know that the people of Alabama want to continue their support of the Democratic Party and its programs such as: TVA; RRA; social security; home loans; old age benefits; veterans benefits; river development; farm support; and other programs that have meant so much to the development of Alabama and the South. We know that Alabama has had enough of the Republican Party and its integration efforts such as Little Rock, school busing, forced legislation, voting referees, foreign policy failures and a total lack of positive leadership in programs to improve our living conditions."

The foregoing statement was released by the Loyalist candidates: C. G. Allen, Dave Archer, C. L. (Leonard) Beard, J. E. Brantley, W. L. (Bill) Chenault, Karl Harrison, Bill Jones, Wm. D. (Billy) Partlow, Jr., Ben F. Ray, D. Hardy Riddle.

One Independent, J. Bruce Henderson, was nominated in the May 3 primary.

## Sixth Graders Graduation Set

Mars Hill Bible School Exercise Will Be Held Tonight At 8 O'clock

The sixth grade graduation exercises of Mars Hill Bible School will be tonight at 8:00 in the school auditorium.

Mr. Don Harriman, sixth grade teacher, announces that 41 students are candidates for promotion 16 girls and 25 boys.

The Mars Hill Junior High Chorus will render 3 musical selections—"Oh Master Let Me Walk With Thee," "Oh For A Closer Walk With God," "My God and I." They will also sing for the processional march.

## Dauphin Is Site Of Press Meeting

Annual Convention To Be Highlighted By Presentation Of Awards

Dauphin Island has again been selected as the site for the annual summer convention of Alabama Press Association members and their families.

Dates for the convention are July 14-16, James E. Mills, editor of the Birmingham Post Herald and president of APA, announced. This will be the second consecutive year the association of weekly and daily newspaper publishers has met at Dauphin Island.

Chairman of the convention committee is Harold May, co-publisher of The Florence Herald, and first vice president of the Press Association.

Highlight of the convention will be the presentation of awards to the winning weekly newspapers in the annual better newspaper contest. Handsome bronze plaques and certificates will go to winners in the contest's nine divisions.

Awards will be presented for general excellence, best editorial, best news story, best typography and makeup, original column, spot news photograph, best use of illustrative material, community service and best service to education.

A total of 168 entries have been submitted in the contest and are being judged by out of state newspapermen. Names of the winning newspapers will not be revealed until the presentation of awards during the convention.

## News Of GREENHILL

By Mrs. Mary McLaurine

Bible School will be held at the Methodist Church the last week in May with Rev. Williams Smith in charge of the work.

The first services in the new Shiloh church of Christ were held Sunday, Charles Kretzer, minister of the church was the speaker.

A covered dish supper was enjoyed by the members of the Rogers High School PTA Tuesday evening. Mrs. Gladys Thorne, the new president, was in charge of the program. After the supper a film was shown on Civil Defense.

## GI Loan Program Ends On July 25

Application Submitted Before Deadline Will Have Additional Year

Less than four months remain in which World War II veterans may apply for GI home, farm or business loans, Neil R. Smart, Manager, VA Regional Office in Montgomery, reminded veterans today.

Under present law, July 25, 1960, is the cut-off date set for World War II veteran participation in the post-war program that has seen more than 62,346 Alabama World War II veterans take advantage of the GI Bill loan provisions since June 22, 1944.

Veterans who submit their applications on or before the deadline of July 25, 1960, will be allowed an additional year, or until July 25, 1961, in which to have the loan processed and actually closed.

Smart pointed out that these dates do not apply to Korean-conflict veterans who have until January 31, 1965, to make GI loan applications.

World War II veterans who also served during the Korean-conflict period are considered Korean-conflict veterans for the purpose of GI loans.

Under the GI loan program, qualified veterans are offered the opportunity to obtain VA guaranteed or insured loans to (a) purchase, build or improve a home; (b) buy a farm; and (c) buy or expand a business venture.

Veterans in rural areas and in small cities and towns where guaranteed loans are not generally available are eligible for VA direct home and farmhouse loans. However, the direct loan program for both World War II and Korean-conflict veterans is due to expire on July 25, 1960, Smart emphasized.

Waynesboro and Joe of Flatwoods; 19 grandchildren and four great grandchildren.

## Sales Promotion Clinic To Be Held

Merchants Urged Enroll Employees; Project Date June 14-15-16 At Shoals

The Merchants Association, in cooperation with the Florence Chamber of Commerce, will sponsor a Sales Promotion Clinic to be held in the Shoals Theatre on June 14-15-16 from 8 until 3:30 a.m. The Clinic will be under the personal direction of Howard J. Wisehaupt, who conducted a similar Clinic here six years ago.

Mr. Wisehaupt is known throughout the U. S. as "Dean of Salesmanship Instructors" and has conducted Sales Clinics in more than 700 cities, speaking to more than six million people.

The enrollment fee is \$5 per person and the some 200 who attended the similar Clinic Mr. Wisehaupt conducted here six years ago were enthusiastic about the help his course provides. The use of the Shoals Theatre is being provided, as it was six years ago, through the generosity of Messrs. Louis and Stanley Resenbaum.

Although the Clinic is primarily beamed to sales personnel, it is of great benefit to all those who come in contact with the public.

Some larger stores have already enrolled up to 30 of their employees. All others interested in this program are urged to enroll by calling the Chamber of Commerce without delay. The Clinic is open to anyone who pays the fee, and those sponsoring it feel that everyone will be well benefited.

## Conference Held By Union Carbide

Twenty Salesman Participate In Meet At Sheffield Operations

The Midwest Regional Sales Division of Union Carbide Metals Company scheduled a sales conference at the Sheffield plant on Thursday and Friday, May 19 and 20, according to C. E. Green, superintendent of the local operation. This was the first time such a meeting had been held at a plant location. The discussions provided a basis for a better understanding of mutual problems faced by both sales and production personnel.

The conference opened Thursday evening with a dinner meeting at the Holiday Inn, where all the meetings were held. W. M. Haile, vice-president of Union Carbide Corporation, and H. K. Intermann, President of Union Carbide Metals were the featured speakers. Friday morning was devoted to a discussion of sales problems. That afternoon, the Sheffield plant took over, with representatives from plant operations discussing mutual production problems with the salesmen. The session terminated with a tour of the Sheffield plant for the conference members.

Sales offices represented included Chicago, Illinois; Cleveland, Ohio; Pittsburgh, Pennsylvania; Phillipsburg, New Jersey; New York City, New York; St. Louis, Missouri; Houston, Texas; and Birmingham, Alabama. The conferences were directed by B. R. Buck, Vice President of the Union Carbide Metals Company; J. C.

## Candidate for President Alabama Public Service Commission

For the past 13 years, I have protected the public interest as a member and now as president of the Alabama Public Service Commission.

Under the law of Alabama, this Commission is a Judge and Referee on utility rates. Its members are sworn to hear the evidence, analyze the facts, and decide all issues fairly and without prejudice or preconceived opinion.

No honest candidate for this responsible, highly technical and judicial position should make demagogic promises to the people as a vote catching lure.

If a Judge of any Court rules on any case BEFORE he hears the evidence, he cannot serve. That is the foundation of justice under the law.

I stand for re-election on my record of protecting the public interest under the law. The record shows that during my period of service:

- The Public Service Commission has never granted a single increase in electric rates.
- No increase has been granted the gas company, excluding actual out-of-pocket cost of gas and wage increases.
- Increases in telephone rates were ordered by the Circuit Court of Montgomery over my vigorous opposition.

I have neither sought nor received the Negro vote. My opponent has the NAACP endorsement because of my staunch stand for segregation, which the colored voters know.

If you believe with me in these principles, I will appreciate your vote and support on May 31st.

Sincerely yours,

C. C. (Jack) Owen

- Born in West Blocton, Bibb Co., of coal mining parents—the youngest of five children.
- Worked way through Bibb County High and Auburn while helping support parents.
- Graduated from Auburn 1939 with BS degree.
- Assistant County Agriculture Agent in Calhoun and Greene counties 1939-42.
- Volunteered for Marine Corps in World War II.
- Served as Marine dive bomber pilot for 39 months in Pacific theater. Received Distinguished Flying Cross, three air medals for bravery in action.
- Wholesale lumber business, Tuscaloosa, until 1946.
- Elected to Public Service Commission in 1946, re-elected in 1950. Made President in 1950, re-elected President in 1952 and 1956 by large majorities.

## Bell Is Customer Reynolds Metals

The Reynolds Metals Company at Listerhill was the largest Alabama supplier of telephone materials for the Bell System during 1959. This was revealed in 1959 purchase figures of the Western Electric Company. The Western

Electric Company is the manufacturing and supply unit for the Bell Telephone System.

Figures released today by F. W. Brice, local Telephone manager, showed that 156 Alabama firms furnished supplies for the Bell system, costing almost \$7,000,000

during last year. The Reynolds purchases amounted to more than \$1,190,000.

## The \$125,000 Smear Campaign Against C. C. (Jack) OWEN

Cannot Change Owen's Outstanding Record as President of the Public Service Commission

Our State has been flooded with false statements by the opponent of C. C. (Jack) Owen in a \$125,000 campaign for the presidency of the Public Service Commission—a position that pays a yearly salary of \$11,500.

Among these demagogic vote-fishing lures is the reckless charge that utility rates have been raised by Jack Owen.

### The Truth Is and the Record Shows:

—That the Public Service Commission has NOT granted a single increase in electric rates during Jack Owen's terms in office.

—That excluding actual out-of-pocket cost of gas and wage increases, no increase has been granted the gas company.

—That increases in telephone rates were ordered by the Circuit Court of Montgomery County over Jack Owen's opposition. Jack Owen long has worked for a needed change in the law that would help him bring these rates more in line with other Southeastern States.

In every case, C. C. (Jack) Owen has defended the public interest against ALL unjustified rate increases. No reckless campaign of distortion and abuse can hide these facts.

Stand by a man who has stood by YOU!

"A FAMILY THAT WORSHIPS TOGETHER — STAYS TOGETHER"

## STANDARD OPERATING PROCEDURE

Mr. Welling mows his lawn every Saturday — he and his two assistants.

Technically, it's a one-man operation. But not to Billy and Jean. They insist on helping.

And, what is more, they NEED to help! Imitating what Daddy does is standard operating procedure for children. It's an essential part of growing up.

Remember this need as another Sunday approaches. You are alarmed over the spread of delinquency. You are determined that your children have adequate religious education.

The Church can provide all but one of the essentials in religious education. THE EXAMPLE which affords real incentive for your children's every effort MUST COME FROM YOU.

THE CHURCH FOR ALL  
ALL FOR THE CHURCH  
The Church is the greatest factor of  
earth for the building of character and  
good citizenship. It is a storehouse of  
spiritual values. Without a strong Church,  
civilization cannot survive. These are four sound reasons  
why every person should attend services  
regularly and support the Church. They are:  
(1) For his own sake. (2) For his  
children's sake. (3) For the sake of his  
community and nation. (4) For the sake of  
the Church itself, which needs his  
moral and material support. Plans to go  
to church regularly and read your Bible

## Four Varieties Alabama Tomatoes

Juicy, ripe tomatoes on the table are a common sight in Alabama. The vegetable should be plentiful since there are a number of different varieties that rural and city folks alike can plant.

Extension Horticulturist John Bagby suggests four different kinds of plants for the area. These are Homestead No. 24, Marion, Rutgers, and Moreton's Hybrid.

The Auburn specialist says Homestead No. 24 is a wilt-resistant variety, and its fruit seems to set better in hot weather. It can be planted where fusarium wilt is a problem. Another wilt-resistant variety which has produced well in Alabama trials is Marion. But it will be next year before the seed can be bought commercially.

Rutgers, a standard variety for a number of years, has little wilt resistance but produces a vigorous plant that shades the fruit well. Moreton's Hybrid is a heavy yielding, early tomato that has also shown promise in trials at Auburn. And it is adapted to staking for the early market, adds Bagby.

## Dairyman Gets Higher Reward

The cost of a glass of milk tomorrow depends upon the dairyman's cost of producing that glass of milk today. And the dairyman's net profit also depends upon the cost of production.

It's the efficient dairyman who stands the best chance of getting high rewards for his work, according to Extension Dairyman John Parrish. And dairy farmers can improve their efficiency by using all possible cost-reducing practices and by obtaining the highest possible yields from their land, labor, and cows.

Parrish says that milk cows are used to market a large part of the crops — pasture, hay, silage, and grain — produced from the land. Therefore, milk production involves crop production and farm management as well as feeding and caring for the herd. The specialist adds that records of crop and milk production can be used as a guide to improving practices for greater efficiency.

If skirts show a crease where the hem has been let out, take a cloth and rub it over a piece of soap. Then rub the cloth along the crease in the skirt, wipe off excess soap, and press with a warm iron.

## Curtains, Drapes Give Room Finish

Curtains or draperies may be just the thing to give your rooms a finished look. And the treatment needed will depend upon the type of window, effect desired, and the rest of the furnishings.

There are three lengths for curtains — sill, apron, and floor-length. Says Extension Home Furnishings Specialist Alice Peavy, a floor-length window treatment is more formal while the apron or sill length is better for an informal room.

The walls, rug, and upholstery help determine the color or pattern of draperies and curtains. In a small room it is better if they are the same color as the walls. But if the window is the point of interest, use a contrasting color or a patterned fabric, says Miss Peavy.

## PREVENT BLACK SPOT AND MILDEW ON ROSES

Do you get black spots before your eyes when you look at your roses?

Extension Ornamental Horticulturist Troy Keeble says mildew and black spot are plaguing roses now. Black spot usually begins in the leaves nearest the ground and spreads over the entire plant.

The first noticeable symptoms are small purplish or dark gray spots on the rose leaves. According to the specialist, these spots increase in size and darkness of color, and after a few days the area surrounding the spots becomes yellow. If this plant disease is not checked, severe infections may cause complete defoliation.

The best control is prevention of the disease by a regular dust or spray schedule, says Keeble. Details on applying the spray are available at your county agent's office.

## Telephone Talk

by  
**FORREST W. BRICE**  
Your Telephone Manager

SUZYS TOY TELEPHONE is important to her—just as your phone is important to you. To us, every phone is important because we know how much good telephone service means to our customers. For instance, whenever a phone needs repairs (and that doesn't happen very often), we fix it promptly—often before you even know anything has gone wrong. And there's never a charge for these repairs, either. It's just another plus you get from your telephone service, day in and day out.

CONGRATULATIONS will be on the tips of a lot of tongues soon. With graduation and wedding season right upon us, I bet almost everyone has a gift problem on his hands. Well, here's the nicest kind of way to solve it. Give a colorful extension phone! It's such a personal gift and a bride and groom or graduate would be mighty pleased at your thoughtfulness—and your originality. You can arrange for a gift extension phone at the telephone business office—we'll be happy to help you select from a number of lovely colors.

DO YOUR FRIENDS and neighbors ever complain to you about the size of their telephone bill? If so, you can tell them that their telephone is still one of the biggest bargains in their family budget, that is has gone up less in price than most things they buy. You can also point out that their bill is 10 percent higher than it would otherwise be, because of the Federal excise tax. Telephone service is the only household utility subject to excise taxes today. You, our customers, would reap the benefits if the excise tax were repealed.

## NOW LOOK WHAT CORVAIR'S GONE AND DONE!

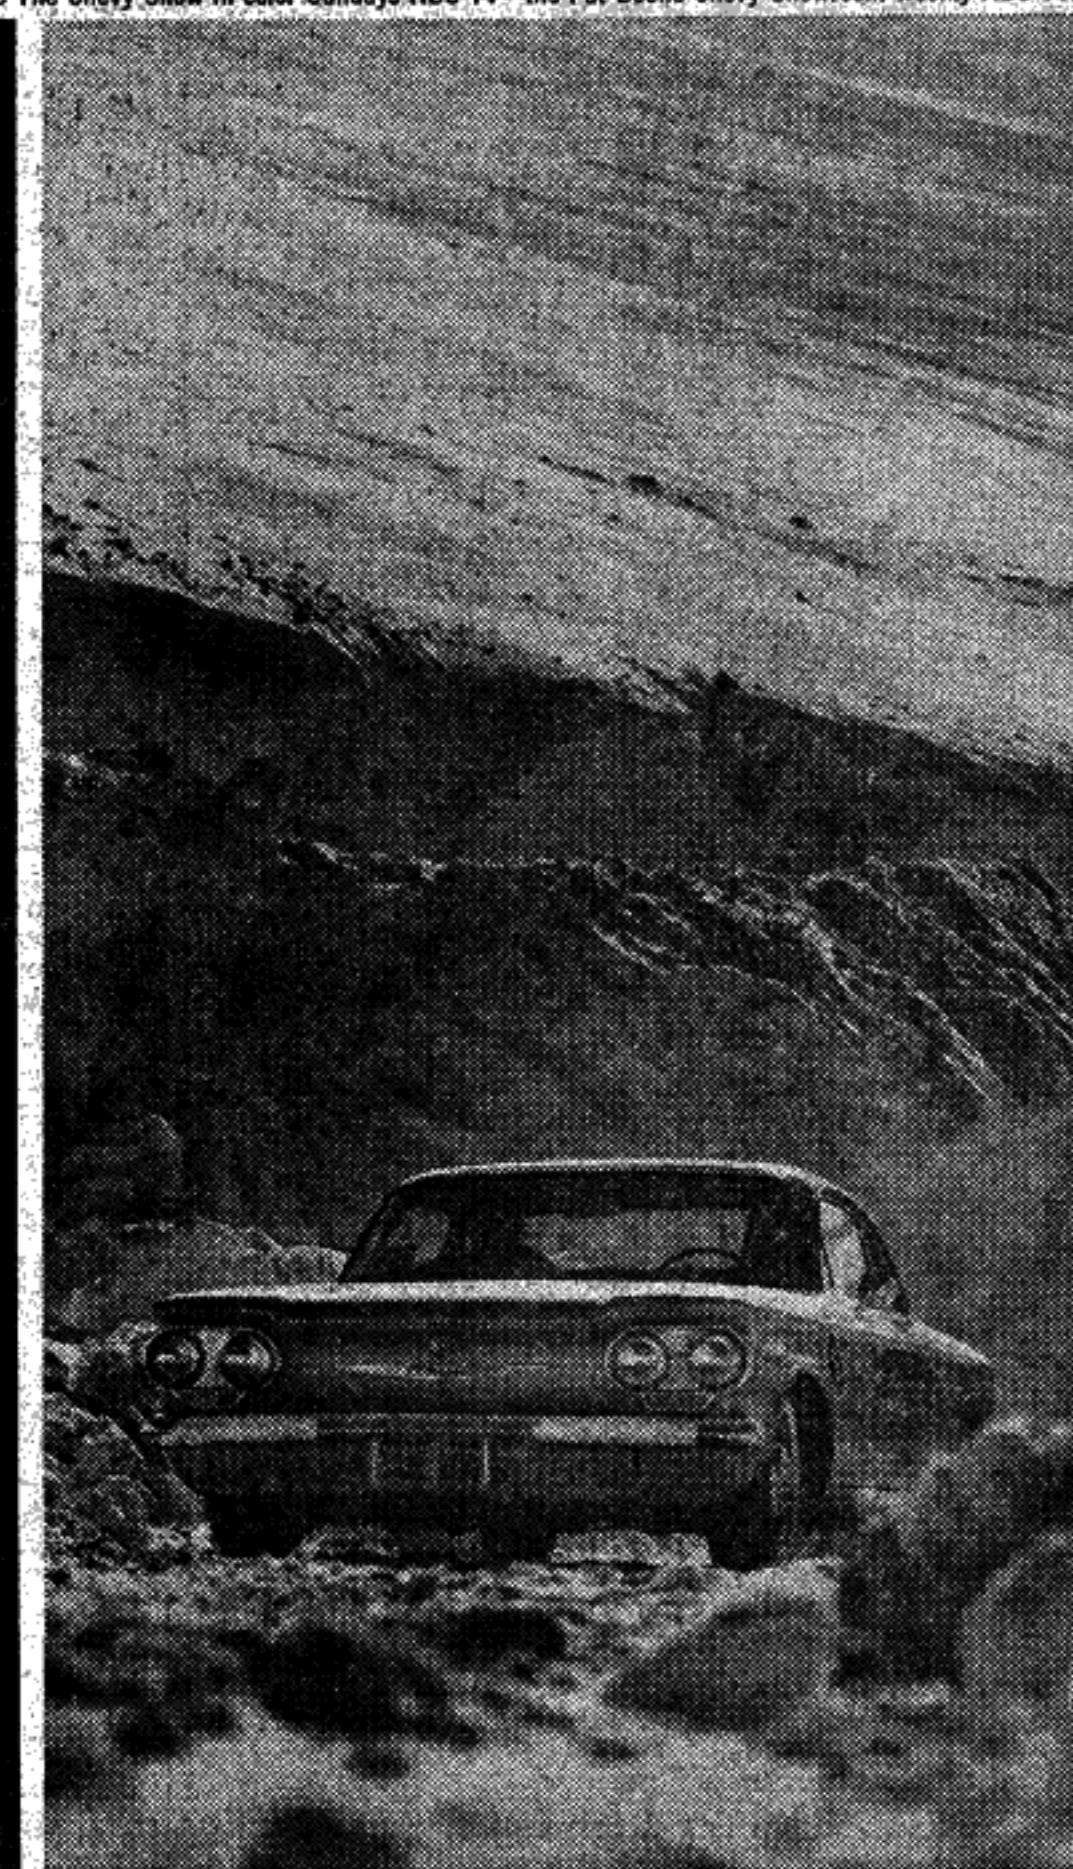

The same Corvair that tallied a thumping 27.03 miles per gallon\* in the Mobilgas Economy Run... went right on to climb Pikes Peak earlier in the spring than any car has ever tried!

We wanted to show you what the fabulous traction of Corvair's rear-engine design and the sure-footedness of four-wheel independent suspension really mean. So the identical Economy Run car went right on to 14,110-foot Pikes Peak—and right up to the top of that savage mountain, on April 15, still deep in winter's snow and ice. No other car—even specially equipped—had ever been able to conquer that nightmare alpine road so early in the spring. But Corvair (with United States Auto Club officials aboard to certify that not one nut or bolt was changed) purred right to the summit without chains or even snow tires! That just underscores the fact that Corvair is totally unique. But you'll find that out the first five minutes you're at the wheel!
