## The Passing Parade

By HAROLD S. MAY

Jack W. Warner, president of the Alabama State Chamber of Commerce, in his semi-annual announcement of new and expanding industries for the state, Saturday released the names and locations of more than 100 such plants for the first half of 1960. We were interested in reading the impressive list hoping against hope that we might find something of local value. But, as you would guess, all we could find for Florence and Lauderdale County was the fact that Bevis Builders had added a line of windows to their operations. We were glad to find this as otherwise we would have been "skunked," as the saying goes. We were pleased to note that many of our sister cities did right well during this period.

We seem to recall that once there was a man named Caryl Chessman—who was he? Fame is a fleeting thing.

We are accused of truly sticking our neck out when we suggest that the choice for the Democratic nominee will be either Symington or Johnson. We have thought—and written—for many months that Symington will be the compromise candidate and will be the next president. Our thinking is that front running Jack Kennedy will get his full vote on the first ballot after the favorite sons are counted out and that Johnson, the best qualified man for the presidency, has too many strikes on him to win the nomination but will climb into second place taking enough votes with him to prevent Kennedy getting the nomination. That leaves Symington for the compromise position as we feel that Stevenson has been counted out some months ago. (Now, watch the convention make a monkey out of us.)

There are more than 8,000 species of ants—so if you don't happen to like one kind, you can always choose another.

We hear so much about the parking problem and how it might be solved. Of course, no one, as yet, has come up with a solution. But, who would want to live in a town that didn't have a parking problem? How would you like to drive into Florence and be able to find dozens of empty parking places in the various business sections of the city? If such was the case, you'd go elsewhere to do your shopping because if this situation existed, Florence would be a town so dead there'd be no reason to seek a parking place. This is true with every town or city. Parking is always at a premium when a city is a busy, hustling community. There should be adequate parking places—but don't make it too easy to find an empty space.

The man who can account for every dollar of his income today is either a good housekeeper or a bachelor.

We have just learned, through the column of Ralph McGill of The Atlanta Constitution, that Joe Wheeler and his U.S. cavalry division invented the Daiquiri cocktail. (You drinkers of this concoction should read carefully.) It seems that in June of 1898, Wheeler's cavalry unit, a part of Wheeler's Santiago expedition, landed at Daiquiri. The water was bad but the rum was plentiful, as were limes and sugar. In no time at all the cavalrymen were mixing and consuming the ingredients quite vigorously. The command became very active and Wheeler came near getting a reprimand for over-aggressiveness in the siege of Santiago, or so the story goes. So—we might say—a Daiquiri cocktail is a fighting man's drink.

The list of vacation spots that are dull and uninteresting is much longer than the list of those that are attractive enough for a second visit, any confirmed traveller will tell you.

## Shoals Area To Benefit From TVA Construction

### Over \$50 Million To Be Spent On New Generators, Navigation Lock

TVA starts a new fiscal year July 1 with some 3,500 construction workers engaged on five major projects to meet the growing electric power needs of this region.

During the new fiscal year TVA expects to spend \$166 million of power funds in building and improving electric facilities. An appropriation request now pending before Congress includes another \$14½ million for TVA construction and improvements, mostly on navigation facilities.

Status of major construction as the 1960 fiscal year closes today: Widows Creek Steam Plant: The new 500,000-kilowatt generating unit, which will be the largest in the world when it goes into operation this fall, is on schedule. The boiler, high as a 12-story building, has been accepted and the generator erection is well along. The project employs about 1,200 workers now. About \$6 million will be spent here in the coming fiscal year.

Colbert Steam Plant: Powerhouse excavation is nearing completion for another giant generating unit the same size as the new one at Widows Creek. Work on construction facilities is almost done and about 500 men are currently employed. The project will take some two years to complete, with \$35 million to be spent during fiscal 1961.

Paradise Steam Plant: A million cubic yards of earth has been moved, roughly one-third of the excavation required, and other early-stage construction is under way. This plant initially will have two 650,000-kw units, larger even than those at Widows Creek and Colbert. The current payroll includes 800 workers; \$65 million will be spent in fiscal 1961. Completion is scheduled for late 1963.

Wheeler Dam Generating Units: Cofferdams are being constructed to permit installation of three units with a total capacity of 97,000 kw. That will make a total of 11 hydrogenerators here. About \$12 million will be spent in fiscal 1961.

Wilson Dam Generating Units: Work is well along on three hydro units which will add 162,000 kw to the system's generating capacity by late 1961. This will make 21 generating units at Wilson, the largest TVA hydroelectric plant. About \$8½ million will be spent to complete this work.

**FIRST TIME IN HISTORY**—Senator Lister Hill is shown witnessing for the first time in the history of the United States, a Senate resolution printed in Braille. The resolution being signed by Senate secretary Felton M. Johnson, is to convey greetings to Miss Helen Keller, famous blind and deaf woman and a native of Tusculumbia, on the occasion of her 80th birthday.

## No Summer Vacation

An unhappy man today reviewed a dismal story, Floyd H. Mann, Director, Department of Public Safety, pointed out that in the Florence Post of the Alabama Department of Public Safety, comprising Lauderdale, Colbert, and Franklin Counties, six persons failed to live long enough to take a summer vacation. They took a permanent leave of absence from this life. They died on the blood stained highways, needlessly, uselessly and wastefully. No purpose was served, glory earned, just bitter, bloody, tearful regrets. The exercise of care, consideration and courtesy by drivers everywhere will stop this genocide of the highway.

Think of the ways we act in an automobile—helter-skelter, reckless, discourteous, rude, push, shove, and crowd, with 3,000 lbs. of furious, unthinking machinery battering our way through other mechanical monsters and frail flesh. Then we apologize in the super market if we bump grocery carts! When do we grow up and become considerate, courteous, careful adults?

## Florence Couple Die In Accident

### Six Killed In Wreck Of Two Cars And Truck South Of Tusculumbia

The three vehicle accident which occurred Saturday morning, on Highway 43 five miles south of Tusculumbia took the lives of six persons and became the worst accident on record in the Shoals district.

The dead were officially listed as follows: Harry Howard Morris, 49, Route 5, Florence. Mrs. Betty Sue Morris, 47, Route 5, Florence, and wife of Harry Morris.

Sandra Reed, five-year-old Waukegan, Illinois Negro girl. Willodean Jackson, Negro woman of 2502 Hatch Boulevard, Sheffield.

Robert Reed, Negro man of Waukegan, Illinois. Maggie Joe Reed, Negro woman of Waukegan, Illinois and wife of Robert Reed.

The accident occurred around 11 o'clock where four lane construction work was in progress. According to Highway Patrol and other officers who investigated the mishap, the automobile being driven by Reed hit the car carrying Mr. and Mrs. Morris in the rear, knocking it over into the left lane of traffic and directly into the path of an approaching truck being driven by James H. Crisler, 35, of Town Creek. Killed instantly were Mr. and Mrs. Morris. Bits of human body were strewn over the incline where the accident took place.

Still hospitalized, some in critical condition, are as follows: James H. Crisler, Town Creek, driver of the highway construction dump truck.

Beverly Reed, seven-year-old Negro girl from Waukegan, Illinois. Eluitt Jackson, 50 and his wife, Bernice Jackson, both of 2502 Hatch Boulevard, Sheffield.

## Helen Keller Day Tusculumbia Event

### Famous Deaf And Blind Woman Is Honored On Her Eightieth Birthday

Helen Keller, the woman who became a writer and world figure though blind and deaf since infancy, celebrated her eightieth birthday Monday at her home in Easton, Conn.

The city of Tusculumbia commemorated the event by proclaiming "Helen Keller Day" held from 5 p.m. to 7 p.m. at Ivy Green, Miss Keller's birthplace, as some 200 persons gathered to pay tribute to the Tusculumbia native who climbed to heights as a world humanitarian.

Highlight of the program was an address given by Mayor E. J. Henninger of Tusculumbia, which was followed by open house. The speaker, introduced by Mayor C. L. Beard, of Sheffield, reviewed Helen Keller's life from her birth as a normal child to the illness which left her deaf and blind in 1888.

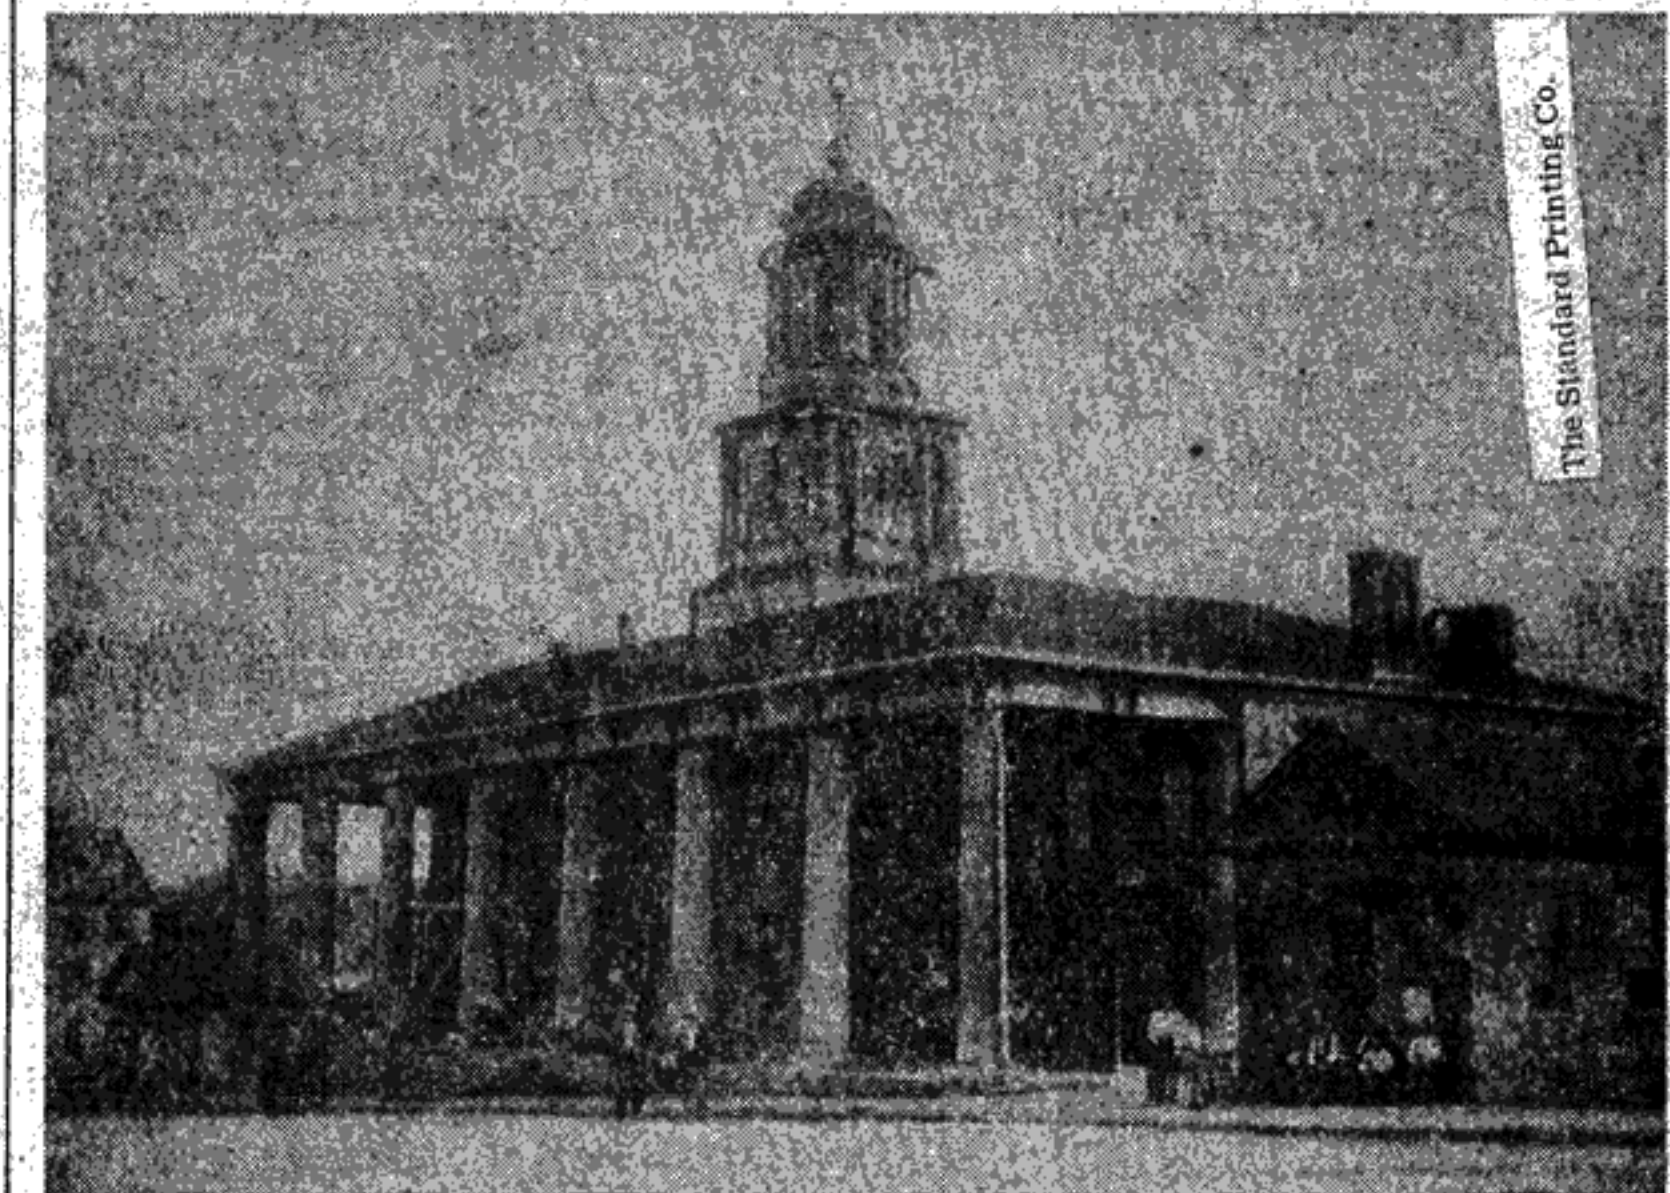

Henninger pointed to Miss Keller as a source of great help for the 14,000 blind in the world and urged support for the World Crusade for the Blind program which she heads.

Dewey Wilson, chairman of the Helen Keller Properties Board, read a brief telegram from Miss Keller expressing her appreciation for the observance.

As a special event of the program, three long-time residents of Tusculumbia and former friends and playmates of Helen Keller, Miss Bessie Rafter, Mrs. Celia Weinbaum and Miss Mattie Guy, talked briefly of their warm association with this wonderful lady.

Mr. and Mrs. Grady Ward and sons, Bill and Tommy, have returned to their home at 1020 Dixie Ave., Florence, after a vacation at Gatlinburg in the Smokies.

# Title To Courthouse Property Sought Through Legal Channels

**FIRST LAUDERDALE COURTHOUSE**—Built in 1822 the original Courthouse served Lauderdale County for 77 years. It was destroyed by fire in 1899 and was replaced by the present structure two years later on the same site. Land for the first courthouse was set aside by the Cypress Land Company for that purpose as soon as Florence had been legally declared the county seat. A corner of the old three-story Commercial Hotel can be seen in the lower left corner of the picture and in the right foreground a small building used as the Sheriff's office.

## First Courthouse Built On Site Of Present Structure

### Original Building Used By Lauderdale County 77 Years; Destroyed 1899

By OSCAR LEWIS

The first courthouse in Lauderdale County was built in 1822 on a lot set aside for that purpose by the Cypress Land Company. Florence was still an unincorporated town but had been selected a year earlier as the county seat through an act of the Legislature providing for the election of county commissioners empowered to make such a selection.

In the articles of association the Cypress Land Company in 1818 stated in part: "The trustees shall as early as may be, lay out and on such part of the company land as they may deem most eligible, a town to be called Florence on such lands and in such manner as they may deem most advantageous to the company's interests, and to the growth, prosperity and importance of said town, conveying titles to persons purchasing lots, making appropriations of grounds for streets, alleys, squares, public walks, public buildings, school houses, churches, etc., as they may think proper; and make all conveyances necessary to effect the purposes aforesaid."

The first courthouse, built on the lot occupied by the present building, was used by the county until destroyed by fire in 1899. The present courthouse was dedicated two years later and has been in use since that time. According to an appended Sannomer map dated 1844 the original site of the courthouse was set aside for that purpose as was Wilson Park (public walk); two school sites, the Florence Male Academy at Tusculumbia and Locust streets and the Female Academy in the block occupied by the Elks Club and Post Office, the former being one of the two college buildings. A site set aside for a jail was located in the block bounded by Cedar and Pine streets and College and Alabama.

The first courthouse was not unlike the courthouse now in use having a dome and a clock on four sides. It faced Court Street and had two outside stairways to the second floor.

The first county judge for Lauderdale county was William S. Fulton and the clerk, who served for many years, was W. W. Garrard.

## Historical Sites To Be Preserved

Gov. John Patterson has given his blessings to the preservation of two historical sites in Alabama.

In the State Capitol this week, he unveiled a large scale model of Cahaba the State's first "permanent" capital city. It is located at the junction of the Alabama and Cahaba Rivers just south of Selma. And in a statement filed with a Congressional committee, Gov. Patterson called on Congress to designate old Fort Toulouse as a Federal historical site. It's at the junction of the Coosa and Tallapoosa Rivers just south of Memphis.

The restoration of both Cahaba and Fort Toulouse has been in the works for years.

## Eisenhower Reports On Recent Tour Of Far East

### President Calls Ratification Of Pact With Japan "Signal Defeat" For Reds

### Late News

Following his return to the nation's capital from his goodwill tour of the Far East, President Eisenhower Monday night reported on his trip over a nation-wide radio and television hook-up.

The President, rested after a week of golf in Hawaii's sunshine jauntly stepped down the ramp from his petliner at Andrews Air Force Base and was welcomed by Secretary of State Christian Herter, Vice President Richard Nixon and other officials including some foreign diplomats.

His return was exactly two weeks after setting out on the 25,000 mile trip that took him to Alaska, the Philippines, Formosa, Korea, and Hawaii. He was to have visited Japan but Japanese Premier Nobusuke Kishi felt that due to rioting in protest of the renewal of the American-Japanese pact it would not be safe for Mr. Eisenhower to visit that nation.

In his half-hour television address to the nation the President said the cancellation of his trip to Japan stemmed from Communist-inspired disorders in Tokyo. He said however that his inability to go had been far outweighed by Japan's subsequent ratification of the new security pact with the United States. He called that a "signal defeat for international communism and an important victory for the free world."

He said, referring to the Japanese incident, that we must not fall into the error of blaming ourselves for what the Communists do. "After all," he said, "Communists act like Communists." A general satisfaction with the speech seemed to prevail in Congress with Republicans accepting Mr. Eisenhower's claim that gains were made and Democrats expressing the hope that this was true.

While the President indicated he did not desire future trips he did say "I would not hesitate a second to make another tour under such circumstances. The chance that he would embark on another world tour during his remaining months in office however appeared remote.

## No Question Of County's Right To Present Site

A meeting was held on Thursday afternoon at the First National Bank by the Lauderdale County Public Building Authority and the Lauderdale County Court of Commissioners at which time Camper O'Neal, Birmingham attorney handling the legal aspects of the title to the courthouse property, was present and presented his findings.

Mr. O'Neal is a member of the firm of Dumas, O'Neal and Hayes representing the investment bankers, Broadnax and Knight of Birmingham, who have arranged the financing of a \$1,250,000 bond issue for the construction of a courthouse and jail at Florence. The bond issue will be held up, it was stated, until a decision as to the site has been reached.

In reporting on the legal phases of the courthouse title, Mr. O'Neal said that he plans to file "in rem" proceedings within the next ten days to quiet title. The problem arises, according to Mr. O'Neal, just who the defendants might be in such proceedings since the law requires that the attorney first show the court that he has used diligence to determine who might have an interest in the question.

The county has no deed, the only title to the tract on which the courthouse is located being a "patent" or deed from the United States government to the Cypress Land Company, an unincorporated company formed 140 odd years ago. However, it was pointed out that the right to continue with the present site as a location for a courthouse cannot be challenged, the bill to acquire title being influenced to some extent by whether or not it is to be moved from its present location.

Mr. O'Neal pointed out that the main question arising from the investigation relate to the title to the courthouse lot and the right of the county to sell the lot and invest the proceeds.

"There is no question of the right of the County to maintain the courthouse in its present location," Mr. O'Neal said.

He also stated that he had been to the title company in Louisville and they had agreed to issue a title policy on a proper title on the basis of a circuit court decree, stating in the bill that due diligence had been used in searching the records and tracing the living descendants of the Cypress Land Company shareholders.

Under such a title it is understood the County Commissioners could then locate the courthouse within the town's original corporate limits shown on an 1852 map produced by Marvin Wilson, attorney for the County.

Mr. O'Neal also said it would be up to the County Commissioners whether or not to submit the matter of locating the courthouse to a popular vote. In following a pattern of other County Commissioners he pointed out that they are empowered to locate and build courthouses.

He said it would take about 90 days to complete court action on the matter and then still more time to allow the State Supreme Court to act. This, he said, would require three to six months in addition to the 90-day period. Proceedings also require four consecutive weeks notice in a newspaper plus 30 days after the date of the last publication for those having claims to make the fact known.

Mr. O'Neal brought out the fact that an act of the Legislature in 1821 provided for the election of County Commissioners to select a county seat for Lauderdale County, the first courthouse being built in Florence in 1823 or earlier at which time Florence was not incorporated. Florence was incorporated in 1825, the boundaries then being determined by Circular Road, which on the east, was roughly Royal Avenue on the north by military highway; on the west by Circular Road, and on the south by the Tennessee river. In 1827 this boundary was narrowed to Chestnut Street as the eastern boundary.

If granted a title, the County would still be restricted to building the courthouse within the original corporate limits, according to Mr. O'Neal.

Present at the meeting besides Mr. O'Neal were: Doyle Young, chairman, Lauderdale County Public Building Authority, who presided; Marvin Wilson, attorney; Authority members, Vernon Cash.

## Leave The Courthouse Where It Is

We have viewed with interest the various discussions and proposals for the location and construction of a new courthouse for Lauderdale County. Certainly there can be no controversy over the fact that a larger and more modern facility is badly needed and should be built as early as possible.

It has been our knowledge throughout the years that any attempt to change the location of the courthouse would be faced with legal entanglements because of the manner in which the present site was set-up by the founding fathers of the county. This understanding was shown correct by the report of Camper O'Neal, special attorney for the Lauderdale County Public Building Authority in his report on last Thursday. It was shown in this report that to construct the new courthouse on the present site—which we believe is the site preferred by the majority of the citizens of Florence and Lauderdale County—that construction could begin as soon as plans were approved, since the proper financing arrangements have been completed.

Doyle Young, chairman of the Authority, said that if the go-ahead signal for construction on the present site had been given at the time the Authority was constituted, the building would have been completed by now.

Money, time, effort and uncertainty of clear title to the present site can be saved through the construction of the new building on its present location and, in fact, a much larger structure can be erected on the present location for less money, it is reported, than if any attempt at securing another location is made. Certainly no investor would take a chance of buying the present site, if vacated, with a cloudy title hanging in the balance.

We don't know how far advanced plans for the new building have progressed but recently we had occasion to view the rebuilding of three courthouses and we found that the stately type was much preferred when a new edifice was built around or onto the existing building. Parking space can in our case, as in others, be provided underneath and the number of floors can be decided upon according to need. A six-floor building with the county jail on top would certainly add dignity and attractiveness to the county's "capital" and the old jail site would be splendid for an additional parking area.

Let's be practical. Let's get our new courthouse under construction now.

## Enjoy A Safe "Fourth"

Sometimes the very nearness of a vacation spot or picnic place makes us forgetful of the caution and care we would ordinarily take on a longer trip. But watchfulness on any public thoroughfare, whether a four-laned highway or a country road, is something we should not forget. We are reminded of this by the tragic accident recently in this area which snuffed out the lives of six persons in a matter of seconds.

The majority of Shoals residents will spend the Fourth "on the lake" and likely indulge in one or more water sports, all of which are enjoyable but in which the element of danger lurks if we are not cautious. Water sports are invigorating, healthful and relaxing but they can be hazardous. By remembering this we immediately reduce the chances of anything happening.

Those who have boats should be especially careful of the "traffic laws" of the waterway: (1) When meeting another boat keep to the starboard, which is the right. (2) Operate your motor-boat slowly near swimmers, wharves or fishing boats. (3) Never overload your boat and never go out without approved life-preservers for every person on board.

Whatever you do, be prepared. Don't take chances. Remember by being courteous you will enjoy the water all the more and so will others.

## Our Part-Time Education

An extremely thought-provoking article appeared recently in the Birmingham Post-Herald by Mrs. Walter Ferguson on the subject of Part-Time Education. Whether we agree with all of Mrs. Ferguson's views or not she makes a number of good points that we should certainly take to heart.

Mrs. Ferguson points out that "we are in the midst of the worst of cold wars, a life and death struggle. We are fighting for freedom and our lives. If there ever was a time when the people should think seriously of year-around school, now is the moment."

She opens her discussion with the thought that children say goodbye to books and schools every summer at which time their play routine begins. However, she says this is not universally true since many will get jobs, others will go to summer school while still others will plug for scholarships.

She says that we are committed to the theory that we owe our children the kind of enjoyment we prefer. "It is almost impossible to dislodge the nine-month school idea from the American mind."

"Perhaps," Mrs. Ferguson continues, "we ought to examine the belief that ours is the best educational system in the world. We've heard the line so often we put faith in it. Yet, we also know that many European children go to school six days a week, their school day is longer and their vacations shorter."

"Somewhere along the years the U.S. has come to believe that money can buy education."

"A dangerous fallacy. Nothing can educate our children except effort on their part. We have erected enormous and costly buildings and equipped them with luxurious appointments, as if buildings and learnings had anything in common."

"Education has become big business. The powerful National Educational Assn. is a lobby against which little voices are raised in vain."

"Yet these professionals who forever ask more money move like snails in the direction of a lengthened school year."

## In The Week's News

### Venezuelan President Injured

President Romulo Betancourt, of Venezuela, was slightly injured by a bomb explosion last Friday in an apparent assassination plot during an Army Day parade. The bomb killed two presidential military aides, while Betancourt suffered a burned hand. An unidentified man allegedly hurled a high explosive bomb toward the President's car.

### Senate Sends Greetings To Helen Keller

The Senate last Thursday adopted a resolution extending greetings and best wishes to Helen Keller on her 80th birthday on June 27. Said Alabama's Sen. Lister Hill, who introduced the bill, "To me, Helen Keller (deaf and blind since infancy) is the most remarkable person on earth."

### Castro Threatens Sugar Industry

Fidel Castro in a 100-minute speech over a nationwide radio hookup last Thursday night, threatened to confiscate all U.S. business interests in Cuba if the U.S. cuts the quota of Cuban sugar on which it pays the island nation a bonus of 150 million dollars a year. The Cuban Prime Minister termed a proposal before Congress to give the U.S. President standby authority to cut the quota "economic aggression," and a "knife thrust in the chest."

### Kennedy Gets Big N.Y. Pledge

Sen. John F. Kennedy of Massachusetts got his largest single bloc of convention votes so far last Thursday when 91 1/2 of New York's 114 pledged to him. Backers of Sen. Lyndon B. Johnson, of Texas, figured Kennedy will have over 600 votes when the convention starts July 11, but believe their man would have 502. They claimed that his total would swell in later ballots unless Kennedy manages to sweep the board on the first ballot; 761 convention votes are needed to nominate.

### Iuka Pair Facing Kidnap Charge

Two Iuka men who kidnapped a young housewife on a pretext of getting her to "push their stalled car," were being held on both local and Federal kidnapping charges Saturday after taking the woman on a three-day junket through Mississippi, Arkansas and Texas. The men, Talmadge Hobbs, 21, brother-in-law of the alleged kidnap victim, and James Beard, 24, also of Iuka, are being held in Tishomingo County jail pending further investigation.

### Plane Crash Kills Fifty-One

A Brazilian Airlines with 51 persons aboard, including at least one American, Friday night plunged into Guanabara Bay while approaching Rio de Janeiro. The twin-engine Convair, on a 600-mile flight from the new capital of Brasilia, was listed as missing nearly eight hours. Search teams found parts of bodies and wreckage but no survivors.

### Soviet Official Hit By Egg

Nikolai Bobrovnikov, the Soviet mayor of Moscow, was spattered Friday with a raw egg thrown by a man believed to be a Lithuanian refugee. The egg-thrower, identified as Gerd Janusomis, 20, was caught by police and TV's Wyatt Earp (Hugh O'Brian) in a chase across the dawn of Victoria Park in Niagara Falls, Ontario, Canada. He was later released on \$200 bail.

## Somebody Will Have to Get Off

## Personality Sketches

By FRANCES HALL

JAMES ROLLINS SEVIER

"The potentialities of Florence and the Muscle Shoals area from the industrial standpoint are so vast that it staggers the imagination. Immediately upon assuming the management of the Florence plant of Stylen and arriving in Florence with my family, I fully appreciated the possibilities of great growth for both our plants and the community and have since endeavored to meet the tremendous challenge given me. It is my

hope that Stylen in particular, and I, individually, have contributed something to the advancement and progress of the city," Mr. Sevier said.

"It is the hope of all officers and employees of Stylen to furnish continuous and growing employment in our plants with an ever-advancing goal before us to increase production and have for the community a larger and steady payroll. Everything points to the success of meeting this goal," he added.

James Rollins Sevier was born in Asheville, N. C., January 29, 1918, the son of Dr. J. T. and Mrs. Caroline Rollins Sevier. The elder Mr. Sevier practiced medicine in Asheville for more than 50 years. He attended elementary school, Lee Edwards High School and Biltmore Junior College in Asheville, later entering North Carolina State in Raleigh where he was graduated in 1941 with a Bachelor of Science degree in Ceramic Engineering.

Upon graduation, Mr. Sevier entered the U. S. Navy during World War II as an ensign. He was stationed for a time in the Northern bomb sight plant. He received his discharge in 1945 as a Lieutenant Commander.

In December of 1941 he was married to the former Irma Claire LaBar, of Asheville. They have four children: Christy, 16, Jamie, 14, Frank, 10, and John, three-years-old.

Immediately upon his discharge from the Navy, Mr. Sevier became connected with the W. S. George Pottery Company, a non-union and plant manager. He remained in that capacity until 1948 when he became general manager of

## Reynolds Program At Exchange Club

Robert D. Holloway Is Speaker, Presents Film; Mrs. Kibby Is Guest

Robert D. Holloway, public relations manager for Reynolds Metals Co., addressed the Florence Exchange Club at Hotel Reeder Tuesday noon on the varied operations of the plant of Reynolds throughout the nation and overseas. Bert Darby was in charge of the program arrangements and presented the speaker.

Prior to Mr. Holloway's address, Mrs. R. M. Kibby, representing the Florence League of Women Voters, displayed copies of "A Look at Florence," the interesting publication published by the organization and now available from any member of the League.

Following his preliminary remarks, Mr. Holloway, with the assistance of Francis Howard, presented a film depicting the various activities of Reynolds plants throughout the world and told of the new items being produced and planned.

Earle Darby, president-elect presided in the absence of President Sam Esslinger and announced that installation of officers would be held at next week's meeting which will be devoted entirely to the business of the club.

## Highway Cases Set For Tuesday

The regular monthly non-jury session of the law and equity court of Lauderdale County will open Tuesday, July 5, at 9 a.m. according to Charles Edgar Young, Circuit Court Clerk. Most of the cases called that day will be for highway violations.

On Thursday, July 7, the court will hear City Appeal cases and other cases set for trials. On Friday the court will hear cases involving violation of the Prohibition Law and also the preliminary hearing cases.

All persons involved are reminded that it is very important that they be in court when their cases are called and they should contact the circuit court clerk's office if they do not know when their case is set.

## Educational TV Available To Area

Highlights Of Summer Programs Announced; Many Special Features

Highlights of summer programming offered by the Alabama Educational Television network (ETV) now available to the Tri-Cities over Muscle Shoals TV Cable Corporation's channel 5, are produced from five sources: studios on the campuses of the Auburn University and the University of Alabama; a studio in Birmingham maintained by the six public school systems of Jefferson County; videotape recordings of outstanding ETV programs produced in studios across the U.S. as distributed by the National ETV Center and shown on the Alabama network by the University of Alabama; and from many sources which distribute special travel, cultural, technical, etc. information films. The network's summer schedule runs Monday through Friday from noon until 10 p.m.

During public school semesters, the network operates on one of the world's longest ETV broadcast days; from 8:15 a.m. to 10 p.m. The majority of the morning fall-winter programs (until 8 p.m.) are directed to in-school utilization.

Besides the regularly scheduled telecasts, the Alabama ETV network offers a number of "specials" such as an evening of music by the Boston Symphony, operas, Little League baseball, state young adult educational competitions (in speech, music, dramatics, etc.), experimental dance study, classic plays, and similar educational features.

The network has received high praise on two of its summer telecasts for youngsters: Children's Quiet Time and Children's Time.

## July Court Terms Set In September

Judge Hill Announces Cancellation Of Civil And Criminal Sessions

Circuit Court Clerk Charles Edgar Young, after conference with Circuit Judge Robert M. Hill, announced last week that two Lauderdale Circuit Court jury sessions, including a criminal term scheduled to begin in July, have been cancelled and have now been scheduled for September. The next Lauderdale County Grand Jury session will begin Monday, Sept. 15, with the criminal session to begin October 10.

A week of jury civil cases had been scheduled to begin Monday with the criminal week to begin Tuesday, July 5.

Included on the docket are three cases of armed robbery against Vandell Ernest Graves, Florence, which are alleged to have occurred during the late summer and early fall of 1959. The "Daylight Bandit" is charged with robbing R. O. Gann of \$40, Mrs. Mattie Thornton of \$290 in a holdup at Thornton's Grocery at Three Forks and John B. Donaldson of \$87 in cash and an automobile in a robbery at an Ingram Service Station on the Savannah Highway.

Other cases which will be heard in September include: James Malone, Negro, charged with robbery; Ray Hopkins, burglary of a motor vehicle; Hollis Harris, burglary of a motor vehicle; grand larceny and receiving and concealing stolen goods.

## FAUNCE RECEIVES B.S. IN CHEMICAL ENGINEERING

John P. Faunce, 753 Nellie Avenue, Florence, was among the 2,282 students graduating from the University of Pittsburgh this June receiving a B.S. degree in chemical engineering.

Be sure to dry your hands thoroughly before connecting or disconnecting electrical appliances because wet hands can result in a bad shock.

## Ingalls Low On Trace Steel Bid

Bridge Superstructure Contract Awarded To Company In Decatur

Ingalls Steel Construction Company, Birmingham, Monday submitted the low bid of \$1,362,958 for erecting the steel superstructure on the newly started Natchez Trace bridge west of Florence.

Bids were opened at 1 a.m. in the courtroom of the Florence Post office building. They will be forwarded to the U. S. Bureau of Public Roads Regional 15 office at Arlington, Va., for final awarding which will be made in the near future.

Other low bidders were John F. Beasley Construction Company, Dallas, Tex., \$1,375,000 and Nashville Bridge Company, Nashville, Tenn., \$1,452,000. The opening of the bids was supervised by C. H. Buchanan, division engineer, U.S. Bureau of Public Roads, Natchez Trace Parkway.

This second contract calls for erection of the giant bridge's structural steel superstructure involving about 6,500,000 pounds of steel. The first phase, which included the construction of 37 piers and two abutments, was awarded some weeks ago to Traylor Brothers, Evansville, Indiana.

The entire bridge, including the concrete decking which will be awarded later in a third contract, is expected to be completed in 1963.

Bids for about 15 more miles of bituminous paving on the Tennessee section of the Natchez Trace will be advertised within the next 30 to 60 days, it was announced Saturday by Mr. Buchanan.

The 15-mile project will extend from the end of the present paving to Tennessee Highway 20 at the Meriwether-Lewis National Monument near Hohenwald, Tenn. The presently completed paving runs from Highway 20 west of Florence to U.S. Highway 24 in Tennessee.

### JOINS ATHENS FACULTY

Dr. Evelyn McMillan, a native of Greensboro, will join the Athens College staff this fall as associate professor of English. Dr. Virgil McCain, Jr., president of the college announced today.

## Salute to the Alabama National Guard!

Here come the colors as the flag-bearing troops of the Alabama National Guard pass in review, a familiar sight this year at 17 summer encampments. Only four other states have more Guardsmen than Alabama, which claims some 17,500 in number. On this Fort McClellan reviewing stand (above, left to right) are Gov. John Patterson, the Alabama National Guard's commander-in-chief; Maj. Gen. Walter J. Hanna of Birmingham, head of non-divisional troops; Maj. Gen. Henry V. Graham, state adjutant general; Col. Lon Smith, Fort McClellan post commander; Col. John M. Palmer, commanding the Chemical Corps Training Command; and Lt. Col. Lucille Odert, War Center commanding officer.

### Early Evening Vows Unite

**Miss Peery, Pete Smith, Jr.**  
In the time-mellowed sanctuary of First Presbyterian Church of Florence, Miss Janette Peery became the bride of Pete Smith, Jr., in a seven o'clock ceremony on Friday evening, June twenty-fourth.

The bride is the daughter of Mr. and Mrs. Charles Lee Peery of 901 Jackson Road and the bridegroom's parents are Mr. and Mrs. Smith, Sr., of 155 Tule Avenue. The Reverend Joseph S. Ritchie of Haddington, Scotland, exchange minister of the church, read the nuptial service and Alan Flowers, organist, and Joe Voorhies, vocalist, presented a musical prelude.

Entwined with Southern smiles, an arch of candlelight and a tall silver candelabrum with lighted pink tapers and clusters of pink and white asters were the central decoration.

Included with the wedding party were family members and out-of-town wedding guests. **Prenuptials Conclude For Bride Of Today**  
Beginning shortly after the announcement of her engagement several weeks ago, parties have continued to punctuate the days for Victoria Ann Hall.

Confining invitations to family members, Mrs. Gladys Britnell and her cohostesses, Mrs. Vernon Austin, Mrs. Wendell Britnell, Mrs. Howard Hall and Mrs. Charlie Harrison entertained with a shower in Miss Hall's honor at the home of the former on Monday, June twentieth.

Blue hydrangeas decorated the party rooms and fashioned the centerpiece for the refreshment table. Present were Mrs. D. W. Hall, mother of the bride, Mrs. George Hall and Mrs. George McCullough, her grandmothers, Mrs. Max Hall, the bridegroom's sister, Miss Letha Smith, Mrs. Wayne Green, Mrs. Beryl Vandriver, Mrs. John B. Hall, Mrs. Ralph Milam, Mrs. Herbert McCullough, Miss Jane McCullough, Mrs. Joe Dugger, Mrs. Herman Hall and Mrs. Margaret Manley.

Also complimenting the popular bride-elect was the morning coffee of Tuesday, the twenty-first, when the S. B. Smith home on Beulah Ave., was made festive with bowls of garden flowers and hostesses with Mrs. Smith were Miss Letha Smith, an honor attendant in this afternoon's wedding, Mrs. Clarence Posey and her daughter, Miss Susan Posey.

Miss Hall wore a sheer pink cotton with corsage of white carnations. Guests included Mrs. D. W. Hall, Mrs. Ralph Weaver, Mrs. Leon Edmond, Mrs. Jack Brewer, Mrs. L. T. Wagon, Mrs. Wayne Green, Mrs. John D. Cox, Mrs. L. G. Doss, Mrs. C. E. Gargis, Mrs. H. M. Bobo, Mrs. Ronnie Smith, Mrs. Glenn Davis, Mrs. James Foster, Mrs. Ralph Westmoreland, Mrs. R. F. Kennedy, Miss Barbara Smith, Miss Wanda Wagon, Mrs. Nathan Green, Mrs. Bess Smith, Mrs. W. H. Peck and Mrs. J. Ben Holt.

Delightfully informal was Miss Joan Young's courtship extended on last Friday in Miss Hall's honor. The home of the hostess' parents on Edgemont Drive was colorful with garden bouquets, as was the luncheon table around which were seated with Miss Young and the honoree, Miss Carolyn Beavers, Miss Billie Faye Edwards, Miss Ruth Anderson, Miss Letha Smith, Miss Joy Richardson and Miss Nan Bayles, the latter also to be a Summer bride.

**Marks Montgomery Vows Said In Late June**  
Mr. and Mrs. Earley Marks of 602 North Cherry Street, Florence, have announced the marriage of their daughter, Brenda Gail, to William Don Montgomery, son of Mr. and Mrs. Leon Montgomery of Route One, Sheffield.

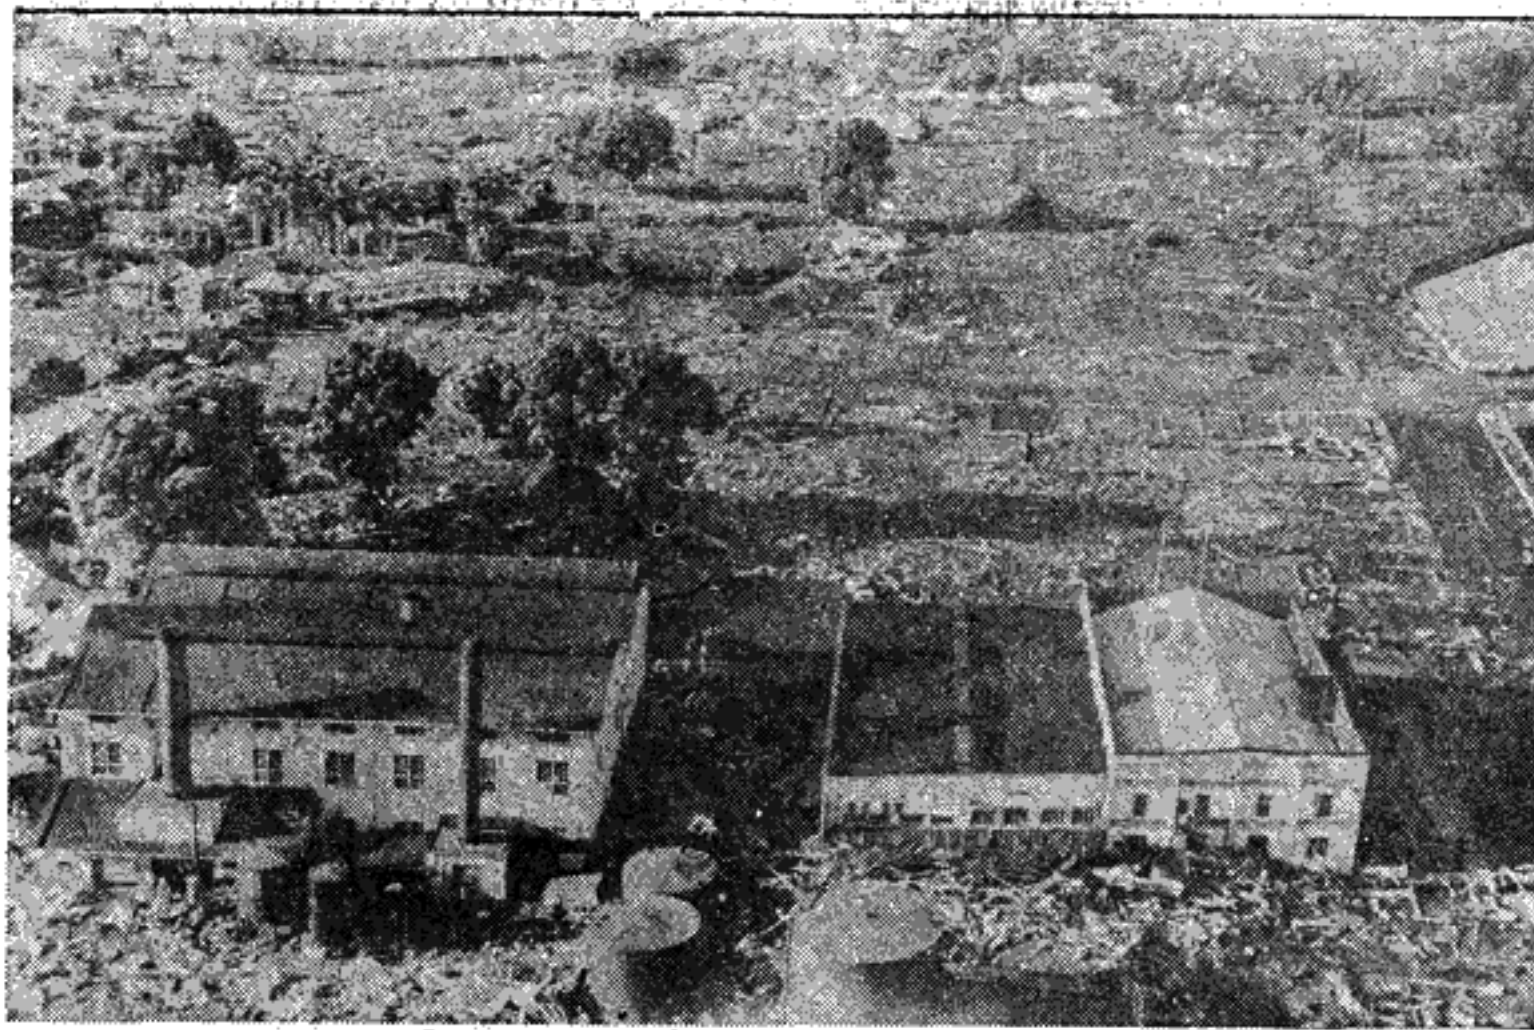

The bride was graduated early this month from Coffee High School and Mr. Montgomery is a student at Florence State College. Nuptial vows were said on Friday, June twenty-fourth, in the Greenhill home of the officiating minister, the Reverend L. L. Bourland.

After a Florida honeymoon, Mr. and Mrs. Montgomery are now at home at 519 East Tennessee Street, Florence.

Mrs. Jones Reeder and daughter, Martha, and Mr. and Mrs. Otis White and daughter, Linda, are vacationing in New York City.

### Nancy Anne Bayles Tells Wedding Plans

A late afternoon ceremony in North Wood Methodist Church will mark the Saturday, July thirtieth nuptials of Nancy Anne Bayles and Otto Burnette Carter, Jr., of Eufaula.

Dr. Louie Earl Bayles will give his daughter in marriage and the Reverend Charles L. Frederick, former minister of North Wood Church and now of Talladega, will read the half past five o'clock vows. A prelude of wedding music will be presented by Mrs. Frank Johnston of Birmingham and Miss Ann Little of Eufaula.

The bride's honor attendants will be Mrs. Donald Bayles of Birmingham, her sister-in-law, and Miss Sally Carter of Eufaula. Bridesmaids will include Miss Carolyn Beavers, Miss Joan Young, Miss Joy Richardson, Miss Ruth Anderson, Miss Linda Bailey, all of Florence, and Mrs. Frank Mixon of Eufaula.

Mr. Carter, Sr., will be best man for his son and usher-groomsmen will be Thomas Lewis of Eufaula, the Reverend Carter Elmore of Old Hickory, Tenn., and Patrick Griffin of Montgomery, cousins of the bridegroom; Robert H. Flewellen of Eufaula, his uncle; Donald Bayles, brother of the bride, of Birmingham; Donald Solomon, Headland; Joseph Jennings, West Point, Ga.; Blake Lane, Shawmut; Frank Mixon, Montgomery; and Guy Hood, Gadsden.

Dr. and Mrs. Bayles will be reception hosts following the ceremony at their home on Seymour Avenue.

### Miss Frances Wilcoxson Engagement Announced

Of cordial interest throughout a wide section is the announcement which has been made by Mr. and Mrs. Jess Menton Wilcoxson, formerly of Florence and now of Henderson, Tennessee, of the engagement and approaching marriage of their daughter, Frances Yvonne, to Tommy Moore Davis, son of Mr. and Mrs. Homer M. Davis of Henderson.

The bride-elect, a native Florentine as have been her forbears for generations past, attended Gilbert Elementary school before moving to Henderson where she was graduated from Chester County High School. She was editor of the school paper, "Miss CCHS" in 1958, a member of the National Honor Society, "Miss Henderson" of 1958, and recipient upon graduation of the Dramatics Award. Graduated recently from Freed-Hardeman College with honor, she was awarded the Estes Keftneauer Social Science Scholarship and expects to enter David Lipscomb College (Nashville) in the School of Education.

Miss Wilcoxson is the granddaughter of the late Mr. and Mrs. Emmett Young and Mrs. Jess Menton Wilcoxson, Sr., and the late Mr. Wilcoxson.

The prospective bridegroom graduated with honors from Chester County High School and, later, from Freed-Hardeman College where he lettered in football. He received the Danforth Award and will continue his studies at David Lipscomb College in the School of Business Administration.

The wedding will be an event of August twenty-first in the Henderson Church of Christ.

### Mr. and Mrs. Bouds Honored With Golden Wedding Party

"An old-fashioned picnic spread" is the way members of the Sam Bouds family described the occasion of Saturday, June 25, when daughters and sons, grandchildren and in-laws entertained in honor of Mr. and Mrs. Bouds of 1136 Wills Ave., Florence, on their Golden Wedding anniversary.

Great baskets of picnic fare were brought by the hosts to the home where Mr. and Mrs. J. L. Hudson (Martha Bouds) and children, Becky, Charles and Buck were vacationing and a tremendous white-iced cake, decorated with gold and white wedding bells, was a feature of the celebration.

Present were the honorees' other sons and daughters and their families including Mr. and Mrs. Sam Cruse, Linda, Donald and Debbie of Houston, Tex., Mr. and Mrs. Sam Bouds, Jr., and Mollie, Beverly and Sala of Tulsa, Okla., Dr. and Mrs. T. M. Hamilton, Margaret and Mary Beth of Gallipolis, Ohio; Mr. and Mrs. Kenneth Kirkpatrick of Fountain City, Tenn.; Mrs. Edna Hammond and daughter, Joanne, of Florence, and son, Sgt. Robert Hammond of Grand Forks, AFB, N. Dak. Absent from the family group was Miss Ann Kirkpatrick, a Bouds granddaughter, who is spending the vacation months doing Summer work at Yellowstone National Park and will return to enter the sophomore class at Emory University this fall.

Here from Centerville, Tenn., former home of the Charles Peerys,

### Mrs. Penland Fetes Visiting Young-Marrieds

Mrs. Ralph Penland was hostess to a morning coffee at her home on Olive Street last Friday when honorees of the occasion were daughters of two of her friends, in Florence for Summer visits.

Mrs. Max Earwood of Columbia, S. C., a guest of her parents and parents-in-law, the Shrader Caperes and the Ira Earwoods, and Mrs. Peter Furio of Gadsden who is with her mother, Mrs. James Massey, Sr., were the party inspiration and invitations, extended to "junior and senior girls," included both young-marrieds and their mothers.

Tea punch and iced coffee were served with a table centered with glossy evergreen foliage and bouquets of Queen Anne's lace.

Eighteen guests called at half past ten o'clock.

### Prenuptial Gift Party Fetes Harriet Sue Lovelace

A bridal theme of green and white prevailed in the decor used throughout the Robert E. DeVaney home on Savannah Highway when bride-elect Harriet Sue Lovelace was feted on Monday evening.

Hostesses to the affair, a gift party, included Mrs. DeVaney, Mrs. B. T. Lovelace, Mrs. Harold Rhodes, Mrs. William Rhodes and Mrs. Andrew Thrasher.

Wearing a frock of yellow organza complimented by a white carnation corsage, the honoree greeted guests with her mother, Mrs. Vernon Lovelace, and her fiancé's mother, Mrs. Hullet Rhodes.

White net over green taffeta veiled the serving table and was caught at intervals by tiny wedding bells cascading from nosegays of lilies of the valley. Queen Anne's lace fashioned the table's dainty centerpiece and, with its accompaniment of green tapers, was echoed on the livingroom mantel. Magnolia buds and blossoms and waxy foliage completed the flowering background.

Tinted punch and green and white individual cakes were served by Sue Lovelace and Patsy DeVaney, cousins of the bridegroom-elect.

Miss Lovelace and David Rhodes will wed in North Wood Methodist Church at seven o'clock tomorrow evening and a reception, at "The Forks" will immediately follow the ceremony.

### Mr. and Mrs. Holmes Fete Virginia Guest

Members of the college set were included by Mr. and Mrs. John Holmes in their invitation to a "Snack Party" on Monday evening when they introduced Mr. Holman, niece, Miss Marcia Pelot of Arlington, Va., who is their houseguest. A profusion of garden blossoms gayed the party rooms where about eighteen guests were present. Later, dancing at the Country Club continued the evening's pleasure.

Miss Pelot, an early-June graduate of Ohio Wesleyan University, will also visit family members in Birmingham before concluding her Alabama sojourn.

### Personals

A guest of Mr. and Mrs. K. T. Tyree, Sr., during the weekend was Ed Hamill of Birmingham.

Here from Miami, Fla., to spend the vacation months at home are Mr. and Mrs. Ellis W. Henderson. They are with their son and daughter-in-law, Mr. and Mrs. Stanley Henderson, and family of Burcham Valley.

Among the out-of-town guests here for the Friday evening wedding of Jeanette Peery and Pete Smith were Mrs. Margaret Austin, Mr. and Mrs. Bates Southall, Mr. and Mrs. John Woodward and Mr. and Mrs. Roscoe Buttrey of Nashville; Mr. and Mrs. C. C. Hutchinson, Jr., from Manchester and Mr. and Mrs. Fred Hutchinson from Waverly, Tenn.

Recent guests of Mr. and Mrs. Robert Hauerwas at Fort Bliss in El Paso, Tex., were Mr. and Mrs. M. L. Hauerwas, Angela and Jerry, of Dixie Ave., Florence.

Mrs. William M. Thompson of Russellville, the former Mary Hatch of Florence is confined in a Russellville hospital from injuries received in a fall.

In Fitzpatrick recently for a visit with his mother, A. H. Barnett returned last weekend and Mrs. Barnett, who remained for a longer stay, will arrive home on Saturday.

Dr. and Mrs. Robert Franks (Dorothy Darnall) and little daughters, Debbie and Lisa, will arrive tomorrow from Los Angeles, Calif., where Dr. Franks has been interning. He will return immediately to Vanderbilt University for special study and Mrs. Franks and children will remain for a visit with their parents in Florence and Sheffield.

Here from Centerville, Tenn., former home of the Charles Peerys,

aid Pruitt of Richmond, Va. Mr. and Mrs. Walter Harrison and children, Gretna, Walter, Sam and John of Huntsville were among the out-of-town guests at the Peery-Smith wedding on Friday evening, remaining over the week-

end with Florence friends. Marine PFC George A. McCroskey, son of Mr. and Mrs. Alfred McCroskey, 2271 Shade Avenue, Florence, is home on 20 days leave. Pfc McCroskey recently completed the Advanced Individual Combat

Training Course at Camp Lejeune, N.C. and is home on leave prior to reporting to Marine Barracks, 8th & I St., Washington, D.C., for duty.

### Publishers Will Submit Names To Hall Of Honor

Alabama newspaper publishers will submit their nominations for members of the newly established Alabama Newspaper Hall of Honor when they meet for their annual summer convention July 14-16 at Dauphin Island.

Four outstanding editors and publishers were named to the Newspaper Hall of Honor, established at the State Department of Archives and History, when the Alabama Press Association met for its winter convention in February.

Those selected were Hunter Howell Golson (1884-1946), editor, Wetumpka Herald; Frazier Titus Ralston (1873-1937), editor and publisher, Selma Times-Journal; William Wallace Screws (1839-

1913), owner and editor, Montgomery Advertiser; and James B. Stanley (1844-1944), (cq), editor, Greenville Advocate.

All nominees must have been dead for five years before their names may be accepted for consideration.

In connection with the Newspaper Hall of Honor, the Alabama Press Association also is encouraging the writing and preservation of histories of Alabama newspapers and outstanding journalists.

## THE SPILLWAY

TO PICNIC GROUNDS from miles around  
We'll come for talk and "vittles" . . .  
Like Bar-B-Q . . . and homemade stew  
That's dipped from big black "kittles" . . .

ONLY FOUR DAYS MORE and we'll be face to face with the GLORIOUS FOURTH . . . and (we hope) with you and YOU and Y-O-U . . . We'll be waiting for one 'n' all at our favorite picnic grounds and we can hardly wait.

**CELEBRATING FOR MORE** reasons than one are Lina and Ed Jones of near-Oakland . . . whose Waterloo Road home has been readied during recent weeks for the arrival today of (their daughter) Betty Ruth and Ray Hoover and (chillun) Ann and Cam and David of Princeton, North Carolina . . . It's their annual Summer visit . . . to which friends join family members in an annual forward look . . .

A MONTH-LONG celebration has ensued at 218 Edgewood Drive . . . home of Rachel and Charles Edgar Young . . . They're enjoying frequent drop-in visits from (their daughter) Carolyn and Billy Joe Kelley and (the Kelleys' two young charmers) Laurie Kim and Kristin Van . . . who've returned from Marshall, Texas, to be at home in the ole home-town . . . We boastfully include ourselves in the large circle of friends who're beating a path to 536 Marian Avenue . . . their new home . . .

AT LONG LAST . . . Marie (Cromwell) and Dude Brooks are being welcomed "back home" after many "TOO-many-years" as Tuscaloosa residents . . . With them for the nonce is (their lovely young daughter) Ruth Freeman, whose wedding was an event of last Christmas in Tuscaloosa and whose hubby is presently doing his Uncle's bidding . . . They're at home in Edgemont (1418 Lawrence Avenue) and near-neighbors to (Marie's mon and sis) Maggie and Ruth Cromwell . . .

**CELEBRATING THE FOURTH** away from home . . . Louise and Simp Johnson will leave Sunday for a bit of journeying which'll include (among other places of interest) Williamsburg . . . New York . . . Canada . . . In New York . . . they hope to become a foursome . . . with Ethlyn and (Doctor) Harry Simpson joining them to rub shoulders with theatergoers . . . et cet . . . The Simpsons will be enroute to visit (their chile) Janet and Gene Bissell on family . . . in their new and lovely near-New York home which they'll be tearing themselves away from in the very-near future . . . It'll be the Windy City and ANOTHER new home for the Bissells in a mere matter of days . . .

**CELEBRATING EVEN FAR-TH**ER from home will be Georgia Small of 634 North Wood . . . who sailed with (her son . . . Captain) Tommy Small and his family aboard the SS United States on May 12 . . . and is remaining with

them at Tommy's station (Hannau, Germany . . . near Frankfurt) for an extensive Summer visit and a tour of the continent . . . Included on her interesting itinerary will be Oberammergau and the Passion Play . . .

**OUR REPORTER REPORTS** that . . . Sara (Deal) and Bud Chenoweth are expected to arrive from Richmond about July 20th . . . They'll tarry briefly with (her aunt) Clyde and Karl Tyree on Cleveland Avenue before hieing themselves to their future place of abode . . . Phoenix, Arizona . . .

**RETURNING** from India in advance of original plans . . . Beth (Cunningham) and Van Kennedy are again at home on the West Coast . . . where Van is receiving treatment for an eye injury obtained in a diving accident which occurred during his faraway sojourn . . . ANN Bennett Hopkins has taken another hurdle toward her chosen MD career . . . as she completed examinations given recently by the State Board at the conclusion of her second year in Med School . . . She topped off the gruelling experience with a well-deserved Florida vacation . . . returning Monday to the Bennett's Summer cottage on the lake . . .

AND a highlight of the Helen Keller Birthday Party at "Ivy Green" on Monday was the arrival of Florentines Nan Collier and Emma Craig with two charming guests . . . Frances Ritchie and Muriel Davidson . . . who're Summering in our midst and wrapping themselves around our hearts . . . They became a quick sensation when 'twas known that Frances is "the Mrs." of (the Reverend) Joseph Ritchie . . . exchange minister at Florence's First Presbyterian Church . . . and that Muriel is her longtime friend from "back home" in HADDINGTON, SCOTLAND . . . The entire group (which includes the Ritchies' trio of young fry) is delightful . . .

**WELCOME . . . NEWCOMERS** . . . ### Area Scouts To Hold Camporee

Courtland Air Base To Be Scene Of Three-Day 50th Birthday Event

Boy Scouts from nine north Alabama counties will meet at Courtland Air Base in late July for a three-day camporee in celebration of scouting's first fifty years.

The camporee, to be held July 22, 23, and 24, will take place at the same time as the National Boy Scout Jamboree at Colorado Springs, Colorado. Purpose of the local camporee, in addition to being a part of the fiftieth anniversary celebration, is to provide boys who are unable to attend the national Jamboree an opportunity to participate in a similar activity.

In the nine-county area, there are 325 Boy Scout units eligible to send members and some 1700 scouts are expected for the encampment. Preliminary plans call for the scouts to arrive at the campsite on Friday afternoon and prepare for Saturday's activities, which will include a Conservation County Fair, various demonstrations of scouting activities, and patrol skill contests.

As a special feature of the fiftieth anniversary, plans call for a flag-raising ceremony to take place at the same moment as the official opening of the National Jamboree. An "Avenue of Flags," with each participating troop represented, will be displayed at the camporee headquarters.

Counties to be represented are Marion, Franklin, Jackson, Limestone, Morgan, Cullman, Lawrence, Lauderdale, and Colbert.

Mr. Robert E. Haskins, Scout Executive of the Tennessee Valley Council, has announced that Major General John A. Barclay, Deputy Commanding General of the Army Ordnance Missile Command at Redstone Arsenal, will serve as Chairman of the weekend's activities.

### MONTGOMERY TO HAVE EDUCATIONAL TV

Erection of an educational TV station in Montgomery during 1961 has been virtually assured. The Montgomery City Commission and the County Commission have each put up \$5,000 and the Montgomery Exchange Clubs has promised to raise the remainder of the money required.

The state-operated educational television network already has studios at the University of Alabama, Birmingham and Auburn University and transmitters at Birmingham, Mound (Cheaha Mountain) and Andalusia.

Construction of an ETV transmitter in Montgomery should take about 18 months.

### Hill Honored By Medical Society

Senator Named Member District Columbia Group For His Long Service

Senator Lister Hill, the son of a famous Montgomery surgeon and for many years a leader in programs of health and medical research in the Congress, has been elected an honorary member of the Medical Society of the District of Columbia.

In notifying the senior Alabama Senator of his election, Theodore Wiprud, Executive Director to the Society, wrote: "Members of our organization long have been cognizant of your distinguished service to the country where the health of the people is concerned . . . The Society is now privileged to make you an honorary member."

The District of Columbia Medical Society was co-sponsor with the Washington Board of Trade at a ceremony last year when Senator Hill was presented with the first annual Health-USA Award.

## Safety Drive Is Planned For 4th

### Area Patrol Officers And Police In Effort Halt Holiday Wrecks

Alabama Highway Patrol officers in the ten-county North-west Alabama area, in an effort to halt the carnage on area highways which saw 12 highway deaths during a three day period last week, are planning a massive Fourth of July weekend safety drive. They began immediately to join forces with Sheriff officers and local police to slow the traffic and to enforce all existing laws.

An area-wide meeting was held Monday in Huntsville with Captain Roy Bradford, senior patrolman of the Decatur District attending. Also in attendance were representatives from the Florence Post, which includes Colbert, Lauderdale, and Franklin, the Huntsville Post and Decatur Post.

Already this year 20 persons in the Florence Post have died in rural traffic accidents, twice as

many at the same date in 1959. When an all-time one year record of 45 deaths was recorded on roadways in the three-county district.

Some 450 law enforcement officers across the Tennessee Valley will go on a special alert this weekend in order to halt or slow down this highway slaughter. This includes 10 counties, Colbert, Lauderdale, Franklin, Lawrence, Madison, Marshall, Limestone, Jackson, Morgan and Cullman.

Chief of Police Noah Danley of Florence said, "We have no traffic deaths on record in Florence yet this year and we will do everything possible to keep it that way through the Fourth. All traffic laws will be strictly enforced and we will use all available men to do the job right."

## New Rotary Club Officers Installed

### Roy Doster Elected President; Meetings Scheduled On Friday

The Florence Rotary Club at noon Monday held its annual installation of officers program for the new Rotary Club which will begin Friday, July 1.

In charge of installation ceremonies was Dr. D. W. Hollingsworth, a charter member of the local club, who commented on the beginning of the Florence Rotary club, which was granted a charter March 22, 1921, with 20 charter members.

New officers for the new Rotary year are: Roy Doster, president; Turner Allen, vice-president; Fred Bitters, secretary-treasurer; with the following to serve on the board of directors with Mr. Doster and Mr. Allen: Ben Craig, Rev. Cosby Summerville, Wesley Patton and William H. Mitchell.

Visiting Rotarians were Ralph Garcia, Port of Spain, Trinidad; and M. C. Sullender, H. G. McMurray, Cecil Rose and Dick Bidle from the Sheffield club.

For the third time since he took office, President Eisenhower signed a bill with press and newsreel cameras covering the event. This one was the measure that allowed the Treasury to raise interest rates on E and H Bonds bought since June 1, 1959, to 3 1/2 per cent.

One out of every four farm wives now work at off-farm jobs.

## Deaths

### W. W. Anderson

Services for W. W. Anderson, 81, who died at St. Mary Corwin Hospital, Pueblo, Colo., Monday, were held at Davis Mortuary Wednesday with burial following in Mountain View Cemetery in Pueblo. A former resident of Florence, Mr. Anderson had lived in Avondale, Colo., for more than 40 years. He is survived by his wife, Mrs. Bessie Smoot Anderson; a daughter, Mrs. Harold R. Weaver, Jr., two sons, William Eugene Anderson, of Pueblo, and Clifford Anderson, of Avondale; several grandchildren; three sisters, Mrs. J. F. Koonce, Mrs. J. W. Paulk, and Miss Pearl Anderson, Florence, and a brother, James D. Anderson, Sr., also of Florence.

### Mrs. Lula Weathers

## Vets Must Report Spouse's Income

Veterans with working wives should be aware that all income of their spouse in excess of \$1200 is considered to be available to the veterans by the new pension law that goes into effect July 1, 1960.

Thus the income of a veteran's spouse in excess of the exempted \$1200 must be reported as part of the veteran's income.

Neil R. Smart, Manager of the Alabama Regional Office, said VA personnel are fully prepared to explain this point and other questions that may arise concerning choice of the new pension law.

Veterans and dependents now receiving pensions may continue to receive them as at present or, instead, may choose to come under the new pension law. Once this choice is made, Smart said, the law provides no way that they may return to the present system of pension payments.

The VA Regional Office at 400 Lee Street, Montgomery, is open five days a week from 7:45 a.m. to 4:30 p.m., and members of the contact office staff will be on hand during these hours to explain any part of the pension program.

## Sports Car Races Set At Courtland

### Thirty-Six Drivers To Participate In Exciting Fourth Of July Event

The Tri-Cities' Jim Baker, driving an AC-Bristol, and Pete Glenn, in an MGA, are among the 36 drivers who are already expected to be on hand this weekend for the sports car races at Courtland Air Base.

The number of entries should rise well over 50 by the time of the first race.

Other drivers indicating they will be at the starting grids include 10 from Birmingham, seven from Atlanta, five from Chattanooga, four from Nashville, three from Huntsville, and others from Fairhope, Ala., Macon and Athens, Ga.; Memphis and Oak Ridge, Tenn.

Two courses will be used, one with a 5000-foot straightaway and 10 turns, for larger cars, and one with no long straights but 13 tricky turns for smaller ones.

There will be at least four Porsche, four Corvettes, four Elvas, three Alfa-Romeos, two Maseratis, two Jaguars, and many others, such as Austin-Healeys, Daimlers, Bandini, Fiat - Abarth, Alpine, Berkeley, AC-Bristol, Lotus, and MG's.

On display between Sunday's races will be the unusual BMW sports car formerly owned by Elvis Presley when he was in Germany with the Army. Also on Sunday, an all-expense four-day trip to Nassau will be given away to some lucky spectator.

Three races will be held Saturday, starting at 1:30 and four on Sunday, with 1 p.m. the starting time for that day.

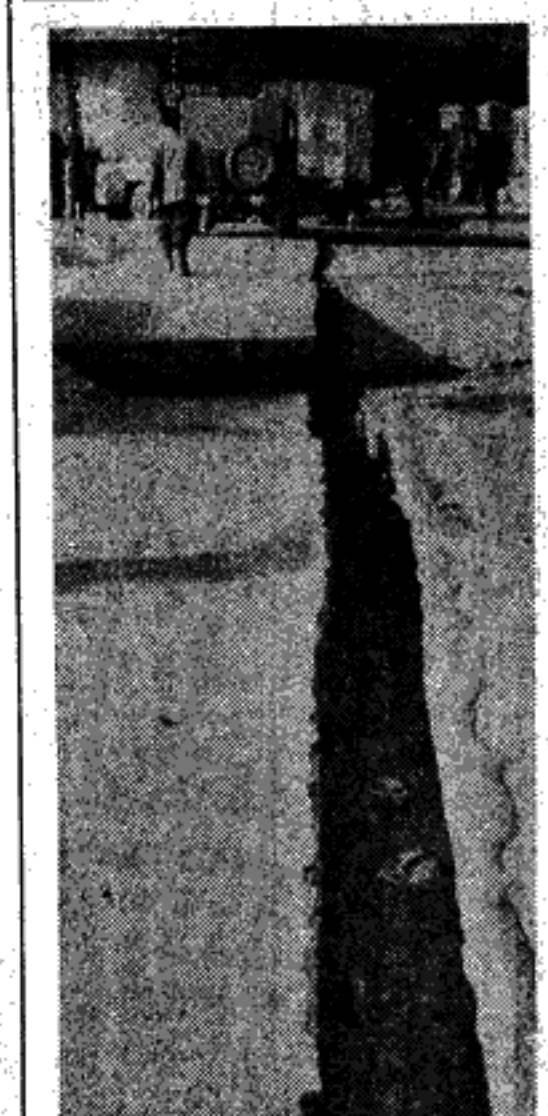

Refreshments will be available from the Moulton Jaycees, who are co-sponsors with the Alabama Region of the Sports Car Club of America.

Proceeds will go to charity.

# Come to Church for Services

"A FAMILY THAT WORSHIPS TOGETHER — STAYS TOGETHER"

## THE INVITATION

THE CHURCH FOR ALL... ALL FOR THE CHURCH The Church is the greatest factor on earth for the building of character, and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Galatians	5	12-14
Monday	Psalms	36	7-9
Tuesday	II Timothy	2	19
Wednesday	Psalms	107	23-31
Thursday	Philippians	1	12-18
Friday	Leviticus	1	27-29
Saturday	Psalms	89	5-5

Everyone recognizes the great Lady standing in New York harbor holding her flaming torch. She welcomes the tired, the poor, the homeless, to this land of freedom. She symbolizes hope.

Back of the Lady, back of the welcome, stands the Church. The words on the statue do not mention the Church, and many of us do not realize the role it plays, but the Church inspired the principles on which our nation was built. It is the spirit of Christianity which extends the welcome to our shores and makes our nation a haven.

On the anniversary of our independence, we are proud of our freedom and opportunity and hope.

No statue with flaming torch stands at the door of the Church. But the Church is the real guardian of our heritage.

Strengthen your nation and yourself. Join the Church.

## Irrigation Use On Increase

Alabama farmers who have enough water will probably use irrigation in future years. According to Extension Engineer Lawrence Ennis, Jr., questions are already being asked as to the relationship between fertilizer and water for different crops and soils. Ennis says control over water will permit use of more fertilizer than has been used in the past. And the use of more water and fertilizer can justify a big increase in the size of the farm operation. The Auburn engineer says that as the use of irrigation continues to increase, greater attention will be given to water as a scarce source. And he adds that the proper use of irrigation, together with changes in fertilization, insect control, and cultivation practices, will require an increasingly higher level of skilled management.

## Cost Of Borrowed Money Is High

Even money costs money! The cost of borrowed money is expected to remain high for some time, reports Extension Marketing Specialist A. W. Jones. And the chief factor in this situation is the tremendous world-wide demand for credit. Jones adds that other factors are defense needs, population growth, consumer credit needs, economic growth, and government spending. Farmers and their cooperatives are requiring increasing amounts of capital, but the cooperative Farm Credit System will have sufficient funds to serve all deserving farmers and their cooperatives at the lowest cost consistent with sound lending. However, farmers and their cooperatives should get on a sound basis and stay there, warns Jones, because credit cannot substitute for income over the long pull.

## Prolong Life With Calcium, Riboflavin

To live to a "ripe old age" is the aim of most people. But Extension Dairyman John Parish reports that it is impossible for the average person to get enough of two important essentials for a prolonged life without milk. And these two are calcium for nerve, muscle and heart action, and bone strength and riboflavin, a vitamin of influence in preventing signs of body repair as the years go by. If the adult does not get the right amount of milk, he will need to eat an egg, meat, bread, butter, cereal, and about 30 servings of vegetables and fruit each day to make up his loss of calcium.

## TENDERNESS IN MEATS CHECKED BY NEW DEVICE

How tender is the meat you buy? Tenderness in meat is a highly desirable quality, but at the present time there is no exact way to tell whether the meat will be tough or tender. However, the U.S. Department of Agriculture reports that a new instrument called a tenderness press has been developed recently. And this new device quickly and accurately measures the tenderness of a small sample of raw or cooked meat.

## Ten Word INTELLIGRAM

Check the correct words:

- 1—The House of Representatives is solely responsible for originating all (treaties) (revenue bills).
- 2—The U.S. Supreme Court consists of (nine) (12) men.
- 3—Supreme Court justices are nominated by (the president) (the Senate).
- 4—The present chief justice of the Supreme Court is (Earl Warren) (William O. Douglas).
- 5—In the present Congress, (Democrats) (Republicans) have a majority of members in the House and Senate.
- 6—Senate Democratic whip is (Mike Mansfield) (Paul Douglas).
- 7—Senate minority leader is (Everett Dirksen) (George Aiken).

- 9—Their first candidate in 1879 was (Eugene V. Debs) (Norman Thomas).
- 10—Leader of the Turkish army coup was (Adnan Menderes) (Celal Bayar).

Count 10 for each correct answer. A score of 0-20 is poor; 30-60, fair; 70-80, good; 90-100, excellent.

Decoded Intelligram

1—revenue, 2—nine, 3—president, 4—Warren, 5—Democrats, 6—Mansfield, 7—Dirksen, 8—will not, 9—Debs, 10—Bayar.

## FARM FACTS

From

FARM BUREAU

The farmer is a good customer. Agriculture bought fuels equivalent to 15 billion gallons of crude petroleum in 1958 to keep 12 million tractors, trucks and cars running on farms.

Farmers, their suppliers, and those directly dependent on processing and distributing farm products account for more than one-third of total U.S. employment.

Over 22 million workers are employed in agriculture and in agricultural industries. Of these, 7½ million are on farms, another 6 million are in farm supply businesses, and 9 million are employed in processing and distributing agricultural products.

Total farm investment in 1959 (\$200 billion) was equivalent to more than two-thirds the value of all the stocks of all corporations represented on the New York Stock Exchange.

The average American farm represents an investment of approximately \$27,000 per worker, as compared with an average of about \$15,000 per worker in industry.

Farmers' expenditure for labor, farm machinery, fuel, feed, fertilizer, insecticides and other production items increased from \$6.4 billion a year during 1937-41 to \$25.1 billion in 1958. This fourfold expansion in such purchases has contributed greatly to the maintenance of high industrial employment.

## Fly Cast To Catch More Fish

Ponds and lakes are surrounded by people these days, and fishing seems to be their business.

Extension Fish and Wildlife Specialist Earl Kennamer says these people are catching fish by bait casting, spin casting, fly casting, and with a cane pole. However, fly casting is the oldest way of catching fish with mechanical tackle, he points out. In bait casting and spin casting, a lure is cast and its weight pulls the line from the rod. But with a rod the line is cast.

Before even trying to catch a fish, a good fisherman will learn to cast with proper form by practicing with the rod, reel, line, leader and hookless lure. If a lure with a hook is used in practice, the fisherman will probably concentrate on catching fish rather than learning to cast.

When the actual fishing starts and the line strikes the water, the fisherman waits, then begins moving the lure across the water toward him by "slowly" pulling the line in. And the rod tip is twitched slightly to make the lure look like a live insect.

If a fish strikes, Kennamer says the good fisherman snaps the rod upward at the same instant or he loses the fish.

A few of those students are: Peggy Hammond, Clay Hammond, Peggy Fields, Sue Campbell, Robert Porter, Curtis Ritter, Jeffery Hammond, What Pettus, Larry Wells and Tommy Belew, and others.

The H. D. Club met last Tuesday, June 21, at the home of Mrs. Carmack White. Around 15 members were present. Mrs. Stella Thompson gave the demonstration on refinishing furniture.

The July meeting will be at the home of Mrs. Margaret Harris of Joe Wheeler. This meeting will be a covered dish luncheon.

The Lexington Iris Club met at the club room on Tuesday night, June 21. A large number was present for this meeting.

The following new officers were installed. President, Mrs. Necca Adams; Vice President, Mrs. Pearl Danley; Secretary, Mrs. Yvonne Porter; Treasurer, Miss Irene Springer.

Secret pals were revealed and new names drawn for the coming year. The vote was made not to meet July and August but again in September.

Each farm worker represents an investment of about \$27,000.

## Freeze Beans For Freshness

Fresh snap beans are in the garden now. And many homemakers will keep them fresh by placing them in their home freezer.

Snap beans are best for freezing when they are taken right from the garden, according to Jeanne Priester, Extension specialist in food preservation. And the fresher they are, the more satisfactory the frozen product will be.

The beans are washed thoroughly and sorted according to size. Then they are cut into one- or two-inch lengths and packed lightly into a large covered vessel for blanching. And one pound of beans per gallon of water is the rule, says Miss Priester. A timer is used so that beans cook for two or three minutes and are removed and cooled in ice water.

After washing, cutting, blanching, and cooling, the beans are ready to be packed into containers that can be sealed airtight, labeled, and placed in the fast-freezing section of the freezer immediately.
