Completely modern in every respect, the new offices afford every convenience for both members and staff. Formal opening of the Chamber's new quarters will be held on Friday from 2 to 6 p.m. to which the public is cordially invited.

## The Passing Parade

By HAROLD S. MAY

One hundred years ago Wednesday, Alabama seceded from the Union. The state convention in Montgomery, dominated by the ardent secessionist William L. Yancey, had passed the ordinance by a vote of 61 to 39. Earlier in the week, Mississippi had seceded on January 9 and Florida on January 10. South Carolina had seceded on December 20, 1860. Too, on the same day that Alabama seceded, Secretary of the Treasury Philip F. Thomas of Maryland resigned, completing the Southern withdrawal from Buchanan's cabinet. And so the most fateful days in the history of our nation began — days that were spent in agony and grief even though never had love of one's native land been so love of one's nation.

Today, we begin the observance of the 100th anniversary of that day so long ago in order to keep alive the memory of those valiant men who fought and so many died for a principle that was dearer to them than life itself. Again it is time for flag waving — but flag waving with a big lump in the throat.

Next time you hear a man brag about fishing through the ice — make sure he isn't talking about fishing for olives.

We sympathize with the young wife of the junior executive who was named to an important post in President-elect Kennedy's administration. She just hated to move to Washington, D. C., because all of her electrical appliances were AC and she hated to have to replace them since so many were wedding gifts.

"You must realize, my boy," the father said to his son, about to be married, "you will have not only another mouth to feed, but a great big one to listen to."

A ventriloquist had been arrested as a burglary suspect and was being given the third degree by a group of officers in an effort to break down his alibi and solve the case. After a couple of hours of hard work, the officer in charge, perspiring and almost beside himself, reported to the chief: "Sir," he began, "we've been giving that ventriloquist the third degree for most of the morning, and a plain-clothes detective, three cops and a clerk have confessed to the crime. Shall we go on?"

A certain newspaper (that will go nameless for the moment) received the following letter: Dear Sir: When I subscribed to your paper a year ago you stated that if I was not satisfied at the end of the year I could have my money back. Well, I would like to have it back. But, on second thought, to save you trouble, you may apply it to my next year's subscription."

It was well up into the morning when the police department was advised of a burglary that apparently had happened early the previous evening. When the officers arrived to investigate, the sergeant in charge asked the housewife why she had not reported the robbery at once. "I didn't suspect I had been robbed," explained the lady. "When I came home last night and found all the dresser drawers open and things scattered all over the place, I thought my husband had come home from his trip and had been looking for a clean shirt. But, he didn't arrive until morning."

### Formal Opening To Be Held Friday

## Membership Meeting Is Set By Florence C of C

Two events concerning the Florence Chamber of Commerce will take place on Friday, the first being in the afternoon from two to six o'clock when the Chamber's new offices will be open to the public. While the Chamber had moved to the new location several months ago it was decided to hold the formal opening when landscaping was completed and the new aluminum grill installed.

Open house was planned by a special committee comprised of Jack Brewer, decorations; Wilson Foote, entertainment; George Hester, invitations; Fred Moore, open house, and C. H. Jackson, Chamber manager. Assisting in greeting the visitors besides the above will be Mrs. S. A. Hardin, secretary, and Miss Janice Belew.

At 7:00 p.m. Dr. George D. Heaton of Charlotte, N. C., will be the principal speaker at the special membership meeting at the Florence Golf and Country Club, it was announced by Henry Lamar, Chamber president and Wilson Foote, chairman of the entertainment committee.

Well known throughout the south as an outstanding speaker, Dr. Heaton is a former Baptist minister who gave up his pulpit to devote his entire time to working on "human relations in industry." In this work Dr. Heaton is a member of a small but growing group of ministers who are often called "plant pastors."

Actually preferring to be known as a "minister to industry," Mr. Heaton says, "our role is to lead people in industrial plants to new attitudes and to accomplish changes in circumstances so that there will be closer and more trustful relations between employers and employees. We must develop in management, down through the ranks of supervisors, skills in human relations — and a Christian philosophy."

Dr. Heaton has been pastor of a number of Baptist churches in

## To Open Bids For Underwood School

The Lauderdale Board of Education will open bids for construction of an addition at Underwood School February 2 when sealed proposals in duplicate will be accepted until 2 p.m. and then publicly opened and read aloud. Bids must be accompanied by a certified check or bidder's bond for not less than 5 per cent of the bids, but in no event more than \$10,000 made payable to the Alabama Building Commission.

Northington, Smith and Kranert, architects for the project, have planned four classrooms, an auditorium-type room with a stage and storage rooms for the addition. Drawings and specifications, not to exceed two sets per applicant and \$50 per set should be filed with the architects.

This is the first in a series of four projects to be let by the County Board of Education as a part of the \$100,000,000 state fund for schools, and the first sizeable construction program done with state funds for Lauderdale schools in many years, it was stated.

## Senate Eyes Appointees Of Kennedy

With inauguration less than ten days away President-elect John F. Kennedy said his goal is an administration dedicated to courage, judgment, and integrity in the four stormy years that lie ahead.

Speaking before the Massachusetts Legislature on Monday, his first formal declaration of policy since the election, Mr. Kennedy stated that the new Democratic administration will be mortgaged to no individual or group—economic, racial or political.

"Of those to whom much is given, much is required," Kennedy said, promising that "with God's help," he will try to give much to the nation.

Kennedy's schedule for Tuesday in both Manhattan and Washington was jammed, the president-elect leaving for Florida on Tuesday night.

Meanwhile Senator Mike Mansfield, new Democratic Senate leader, was optimistic stating that he looked forward to a period of harmony and unity. However the test of both harmony and unity was to come between now and inauguration day, January 20, when the Senate gets down to work on its customary job of examining and approving the men the president-elect has picked for his cabinet and other key posts.

### Possible Trouble

Usually the incoming chief executive has little trouble along this line though there may be some repercussions from some southern members when the appointment of Robert C. Weaver, a Negro, comes before the Senate. Weaver was Kennedy's choice for director of the Housing and Home Finance Agency.

Another of Kennedy's appointees who is likely to undergo some rough going is Chester Bowles designated as undersecretary of state. Sen. Styles Bridges of New Hampshire accused Bowles of "double talk" with reference to the recognition of Red China by the United States. He said his Republican Policy Committee would give Bowles the "closest scrutiny."

The president's 35-year-old brother, appointed as attorney general, was also slated for a close look by the powers that be. Sen. Everett Dirksen, (R-Ill.) promising detailed questioning of Robert Kennedy.

### Rules Fight Continues

In the fight over control of the House Rules Committee opposing leaders apparently failed Tuesday to reach any agreement even after a meeting between Speaker Sam Rayburn and Rep. Howard Smith of Virginia. It was reported Rayburn turned down a compromise by Smith that would avert a threatened purge of Rep. William M. Colmer, (D-Miss.) from the committee. The committee in the past has been dominated by a conservative coalition including both Smith and Colmer and Rayburn wants the coalition broken since it could bottle up Kennedy's five-point major legislative program.

The Senate meanwhile continues its debate on a change of rules which would impose a time limit on debate by a majority vote. Southern members whose weapon in the past has been the filibuster are fighting the rule change.

### Late Appointees

Tuesday Kennedy announced the appointment of Henry H. Fowler former TVA attorney, as an undersecretary of the Treasury and diplomat Angier Biddle Duke as Chief of Protocol for the State Dept. He also appointed Arthur Sylvester, Washington newsman, as an assistant secretary of defense for public affairs John Moore, vice president of the U. of Pennsylvania as head of the General Services Administration.

## Funds Allotted To Complete Library

City, County Appropriate \$17,000 For Project; Exchange Club Sponsors

Appreciating the need for the completion of the Florence-Lauderdale Public Library, which was necessarily left unfinished at the time it was built because of the shortage of funds, the Florence City Commission and the Lauderdale County Board of County Commissioners in sessions this week appropriated \$5,500 each for this work so badly needed. Mayor E. F. Martin and Judge Estes R. Flynt made the announcement following careful study of finances available. The completion project, as well as the original construction of the library, was an Exchange Club sponsored project.

The total of \$17,000 appropriated will make possible the completion of the basement which has been only partially used. Specifically the contract, which was awarded Massey Construction Co., the low bidder, covers the waterproofing of the basement, the installation of ceiling tile, floor tile, lighting fixtures, provision for future air-conditioning, paneling of the walls in the small meeting room, which will provide private meeting space for any organization desiring its use, painting throughout including matching the paint for the portion of the basement that has been usable. In addition, the sums appropriated will provide the badly needed bookshelves, chairs and other necessary equipment for the public meeting room.

The county's portion of the appropriation will come from the public building fund, Judge Flynt said, and Mayor Martin said the city will borrow the money, if (Continued from Page 2)

The Bloodmobile will be stationed at the Central Baptist Church in East Florence on Tuesday, Jan. 17 from 9 to 12 a.m. and from 2 to 5 p.m. All persons who can give blood are urged to do so as the need is said to be urgent.

### Project To Cost \$300,000

## Riverview School Bids Will Be Opened Jan. 19

The sealed bids on construction of the proposed Riverview elementary school in Florence will be opened at the municipal building in Florence, Thursday, January 19 at 3 p.m. with Rufus G. Hibbett, superintendent of education and members of the city board of education in attendance.

The building which will be constructed at the corner of Riverview Drive and Grove Street will have 12 classrooms, a library, clinic, principal's office, receptionist's office, teachers' workroom, teachers' lounge, indoor playground, cafeteria and kitchen. Architect Paul Barr of Barr and Tune estimated cost at \$300,000 and announced the scheduled date for occupancy September 1, 1961.

The building will be of brick, masonry and steel construction and the property will include sizeable areas for parking and playground; it will be gas heated with individual room controls of the temperature, and have resilient flooring, acoustic concrete-type roof deck and aluminum windows. Mr. Hibbett said that students now attending Appleby school in the first through sixth grades will be transferred to the new school. He also stated that the junior high in Florence is increasing so rapidly that the school system is having to turn both the junior high and Appleby over to junior high students. In the fall, there will be ninth grade pupils at the junior high, he said.

Installation Will Be Held Friday At Annual Banquet In Huntsville

At a meeting of the Muscle Shoals district scout leaders held at the Naval Reserve in Sheffield, plans and work assignments for the coming months were made and tickets were distributed Thursday night for the Tennessee Valley Council's annual banquet which Joe Sandlin, district executive, announced will be held Friday at the National Guard Armory in Huntsville. During the banquet, Judge Emmett Roden of Florence will be installed as president and other officers for the nine-county area will be named to posts.

They are: John A. Frey, Huntsville; Roy Sudhoff, Decatur; Dan C. Mitchell, Cullman; and John Will Gay, Scottsboro; Scout Commissioner, Larkin Yates, Cullman; Assistant Commissioner, John W. Green, Jr., Huntsville; and Treasurer, Woodrow E. Dunn.

During the meeting last Thursday, plans were discussed for the council-wide training seminar to be conducted Jan. 27-28 at Redstone Arsenal for all members of the district committee which Hoyt Hunt, council field director, explained would provide their complete training facilities, over-night housing and meals for course personnel.

Instructors have been secured from council scout leaders who have served in the field and will instruct in seven sections to include all phases of district operation.

Among the units earning the President Streamer are Troop 265, Billy Taylor, Florence; Troop 75, Hadley Howard, scoutmaster, Florence, and Post 77, Lilbourne P. Hall, advisor from Killen.

**TEE-TIME**—Prince Yoshi, 25, youngest son of Emperor Hirohito and Empress Nagako of Japan, practices his golf swing on the Imperial Palace grounds in Tokyo.

Atomic explosions can be used to shave 10 percent or more off the over-all \$300 million cost of the proposed Tennessee-Tombigbee Waterway, it was declared Monday by Dr. A. D. Tuttle, director of the Mississippi Industrial and Technological Research Commission. Dr. Tuttle made his statement at the annual meeting of the Tennessee-Tombigbee Authority at the state capitol in Nashville.

Attending the meeting were governors Ross Barnett of Mississippi and Buford Ellington of Tennessee. Governor John Patterson of Alabama was represented by Leland Jones. All three state administrators pledged support of the project which Barnett said had been "too long delayed."

The project which has been under study for a number of years would build a 253-mile long canal from the Tennessee River near Savannah, Tenn., through northeast Mississippi to the Tombigbee River near Demopolis. It would save as much as around 600 to 700 miles in river shipping from Muscle Shoals to the Gulf. The cost has been estimated at from \$200 to \$300 millions. Waterway officials are hopeful the Army Engineers would find the project feasible.

### Peaceful A-Use

In his contention that the atom could be put to practical use in a \$20 million test of its ability to excavate the canal, Dr. Tuttle said tests may prove that atomic explosions can be used safely for shoving 10 percent off the cost of the project. The heat from the explosions may be stored battery-fashion beneath the ground for later use in generating electric power.

Petroleum residue dumped into the explosion heated salt domes 2500 feet below the surface can emerge as, 10 of 15 cents worth of industrial petroleum chemicals for each penny's worth of residue.

The Atomic Energy Commission has leased 1,400 acres of Pine land in Lamar County south of Hattiesburg for the tests, it was disclosed.

The Authority hopes for the final approval of the U. S. Corps of Engineers in time to ask Congress for planning funds. Ellington said President-elect Kennedy has repledged his support of the project.

## Fred Osborne, Jr., Heart Chairman

Fred Osborne, Jr., Florence, will be Chairman of the 1961 HEART FUND in the Muscle Shoals Area during the annual, nationwide campaign for Heart in February. This announcement was made this week by Mr. Joe D. McPherson, Decatur, Heart Fund District Chairman for this area.

The annual fund-raising drive will begin February 1, and will reach its high point on Heart Sunday February 26th.

Despite the remarkable advances that have been made in this field in recent years, however, deaths from heart and blood vessel diseases each year still exceed the total number of deaths from all other causes combined, Mr. Osborne pointed out.

"I am proud and happy to accept the chairmanship for the 1961 HEART FUND Drive in this area, and I call on all my fellow citizens in the county to help us bring new hope to cardiacs everywhere with their financial support of the Heart Fund."

### ROGERSVILLE SCHOOL NEARS COMPLETION

Supt. Allen Thorton said Thursday the Lauderdale Board of Education hopes to open the Rogersville Elementary School in approximately two more months. Mr. Thorton said he was going to inspect the school which is modern brick and has eight classrooms, a cafeteria, an office and rest rooms. The old building was destroyed by fire in January, 1960.

## The Civil War Centennial

The Civil War Centennial officially launched this month is to be a commemoration on a national scale of the great tragedy that beset the country from 1861 through 1865 bringing to the attention of the people the underlying causes of the conflict so that a better understanding of the problems of both sides may result and proper tribute be paid the heroic tens of thousands, both Union and Confederate, who made the supreme sacrifice.

Few areas in the deep South saw any more of the great conflict than did this immediate area, whose men for the main part left for distant battlefields, leaving the small communities at the mercy of marauding bands of the enemy and many great plantations ruined and desolate.

Nothing in recorded history even remotely approaches the complete dedication of the people of the South, both men and women, to a cause they believed in completely and yet knew was all but hopeless. Today the great tragedy has faded and the people of the South look back without rancor at the suffering their ancestors endured.

Through the Centennial tribute will be paid to those, who by word and deed, served their beloved Confederacy. Highlighting the local scene will be pageants depicting the departure of Lauderdale and Colbert Confederate soldiers and a Confederate Ball with officers and their ladies in the full dress regalia of the time. A brochure of old homes and historic spots will be published and there will be guided tours for visitors. Many events are on the agenda to make the commemoration one to be remembered and one that will contribute much to the history of the region and its people.

It goes without saying the public will cooperate.

## Greater Than Any Party

There is one thing nobody denies and that is John Kennedy as president will be a man of action. There will be no stagnating and no evading of issues that confront the nation. He will be in the forefront of all areas of action whether it be in the foreign or domestic fields. Actually it was his ability to recognize these issues and express his concern during the campaign that brought back the hope the people had all but lost during the past 12 years of Republican floundering.

This does not mean Mr. Kennedy will have easy sailing with all of his proposals despite a substantial majority in both houses of Congress. There definitely is a strong coalition of Republicans and southern Democrats conservative enough to restrain over-liberal measures. However the problems Mr. Kennedy has enumerated as musts are admittedly ones that must be tackled by Congress, important ones being Federal aid to education, aid to depressed areas, housing and urban renewal, peacetime veteran benefits and youth conservation corps, the latter one of Mr. Kennedy's special projects.

Then of course there is always the farm problem . . . or rather we should say problems, for there are many and they are complex. Whether Orville Freeman is the man to solve these problems remains to be seen but one thing is certain, there will be some radical changes.

Taxes, labor, unemployment, and medical aid for the aged, are likewise in the forefront for congressional action but Mr. Kennedy's problems on the foreign front are quite another matter and they likewise must occupy important positions on the White House and congressional agendas.

Mr. Nixon in officially declaring Mr. Kennedy the winner in his brief statement before the joint session of Congress on last Friday expressed the sentiments of every thinking American when he said, "In our campaigns, no matter how hard-fought they may be, no matter how close the election may turn out to be, those who lose accept the verdict and support those who won." Mr. Nixon added that the cause of freedom, justice and peace for all mankind is bigger than any man's ambition and "greater than any party."

The Cuban government announced Saturday it has seized two airdrops of weapons originated in the United States and destined for insurgents in Cuba. The invasion scare Prime Minister Fidel Castro started nine days ago is beginning to strain Cubans and their industries. Ruptured Cuban-American relations became complete Saturday when the Swiss Embassy assumed protection of U.S. interests in Cuba and all but three U. S. ## Nineteen Die In Hotel Fire

A tiny fire that started in the room of a drink-fuddled tenant and was at first believed extinguished Friday mushroomed suddenly into a flaming killer in one of the worst hotel disasters in San Francisco history. At least 19 persons were killed and 38 injured when the Thomas Hotel burned in flames which shot 150 feet in the air. Many of the 135 tenants, mostly elderly pensioners, saved their lives by leaping into firemen's nets or onto stacks of mattresses. The damage was estimated at \$75,000. Raymond Gorman, 62, whose room the fire started in, was arrested on suspicion of manslaughter.

HAROLD EUGENE HAMMOND

"Sitting in the barracks of Stalag Luft No. 1 at Barth, Germany, 90 miles north of Berlin for nine months gave me plenty of time to think, and most of my thoughts were centered in and around Florence. Although repeatedly told that we would never leave the prison alive, still my thoughts

were of more pleasant things as I looked back over my growing-up years, my family, my friends and all they meant to me. No man, I am sure, who has had the experience of being a prisoner of war can accurately describe his feelings, his emotions or his mental attitude as he waited and waited, hoping and hoping for his day of deliverance," Mr. Hammond said in answer to the usual question asked one who had been captured by the Germans.

"There was no doubt in my mind through this period but that Florence, Ala., was the finest place in all the world and I could only pray that some day, somehow I would get to see it again," Mr. Hammond added.

Harold Eugene Hammond, the son of Mrs. Iva Boston Hammond and the late William J. Hammond, was born in Anderson on March 6, 1919. The family moved to Florence in 1925 and upon reaching school age he entered Gilbert School and there, as he says, came under the influence of H. Grady Richards, the principal.

After seven grades at Gilbert, he entered Coffee High School in 1934 and was graduated in 1937. While at Coffee he was secretary-treasurer of his Junior Class, Junior Advertising Manager of the Annual Board in 1936 and Business Manager of The Coffee Pot in 1937. Also in 1937, Mr. Hammond was manager of the football team, member and treasurer of The "C" Club, and Vice President of his Senior Class. At graduation, he received the American Legion Scholarship Medal, the most coveted of all awards. The Coffee Pot says of him: "The Most Popular and Best All-Around Boy."

Following his graduation, Mr. Hammond became connected with the Florence Coca-Cola Bottling Co., although he had been employed by this concern during the two previous summer vacation periods. He was first employed as a route helper then entered the production department and later became a route salesman, route supervisor, sales manager and assistant plant manager.

Granted military leave in 1943, Mr. Hammond took his basic training at Miami Beach, Fla., as a cadet pilot in the Air Force. From there he received advance training at a number of air bases, winning his pilot wings and commission as a Second Lieutenant at Columbus (Miss.) Army Air Base.

While at Columbus, the newly commissioned lieutenant was married to Thelma Countess, of Council, Tenn. They have two children, a son, Harold, Jr., 14, a student at Coffee High School, and a daughter, Brenda Susan, 8, a student at Harlan Elementary school.

Mr. and Mrs. Elgar Hammonds, of Decatur spent last Saturday night with her mother, Mrs. Lou Stephenson, and they all attended the singing on Sunday at the Center Point Methodist Church.

Mr. and Mrs. Mitchell Hanson and son Jerry visited his parents Mr. and Mrs. Thomas Hanson at Liberty Grove last Sunday.

Mr. and Mrs. Charles Eddy and son Terry Don, of Muncie, Indiana, spent last week with her parents, Mr. and Mrs. Arthur Newton.

Miss Lurline Lumpkins of Indianapolis, Ind. spent last week with her brother Charles Lumpkins and his wife Peggy.

**Rogersville Church Scene**  
**Newton-McLemore Nuptials**  
At half past seven o'clock in the evening of Tuesday, December twenty-seventh, Miss Nellie Olivia Newton became the bride of Everett Franklin McLemore in the Romine Church of Christ in Rogersville, repeating their troths after Troy Miles, minister.  
Parents of the couple are Mrs. Robert Jefferson Newton and the late Mr. Newton of Rogersville, and Mr. and Mrs. Pettus Franklin McLemore of Harvest.  
Appropriate wedding music was

presented by Miss Joyce Todd and Gerald Romine.  
Arrangements of pink gladioli and greenery detailed the altar before which the bride was given in marriage by her nephew, Torris Howard. Her gown of white net over taffeta was designed with a rounding neckline and long, fitted sleeves in the basque bodice and a wide panel of lace complemented the full, floor-length skirt. A bandeau of pearls held her veil of silk illusion and she carried a white orchid bouquet.  
Wearing pale blue velvet with matching headbands and each carrying a lighted taper, Misses Juanita and Martha Ann McLemore attended their brother's bride. Becky and Tommy Howard, niece and nephew of the bride, were flower girl and ringbearer.  
Herman Todd was best man for Mr. McLemore and groomsmen were Billy Ray Warren, Charles Warren of Florence, Jimmy Romine and Douglas Burchell of Rogersville.  
For the occasion, Mrs. Newton's light blue satin and Mrs. McLemore's gown of crepe were enhanced by white carnation corsages.  
Assisting at the reception which followed in the home of the bride were Mrs. Glynn Whitsett, Mrs. Cullen Graham, Mrs. Helen Howard and Mrs. Joyce Todd.

**Miss Ruth Hendrix's Engagement Announced**  
Mr. and Mrs. Ray Hendrix have announced the engagement and approaching marriage of their daughter, Ruth, to Jimmy Lawson, son of Mr. and Mrs. Cecil Lawson, all of Florence.  
Granddaughter of Mr. and Mrs. J. B. Hayes and of Mr. and Mrs. L. P. Hendrix, also all of Florence, the bride-elect was graduated from Coffee High School and her fiancé, whose grandparents are Mrs. Nettie Fowler and the late Mr. Fowler of Nashville and Mr. and Mrs. G. H. Lawson of Savannah Road, Florence, is a Central High School graduate and now holds a position in Atlanta.  
Further plans are to be announced.

**Dinner-Program Meet For Florence BPW Club**  
Beginning the New Year with a dinner-and-program meeting at Hotel Reeder on Thursday evening, Jan. 5, the Florence Business and Professional Women's Club welcomed at this time three new members: Mrs. W. Lonnie Davis, Mrs. Rebecca Marlin and Mrs. Wilma Copeland.  
A "variety" program followed the dinner hour. James Palmer of the Civil Air Patrol gave an interesting talk on National Security, confining his remarks to CAP's work and showing a historical film of the organization. Mrs. Shirley Mansell, chairman of the club's Health and Safety Committee, made a plea for caution against accidents on the streets, highways and in the home. An informal hobby show was presented by Miss Mary Richardson and Miss Julia Blalock, gifted needle-and-thimble members; by Mrs. B. F. Townsend who showed a collection of coins; by Mrs. W. T. Whitlock and Mrs. Howard Kirkpatrick who displayed some of their colorful sketches; and by Miss Tera Hitchcock whose ceramics were enthusiastically viewed.  
Also on the "hobby program" was the Reverend Arthur Finch,

pastor of Pleasant Hill Methodist Church, who was a surprise guest and showed specimens of his own needle-and-thimble artistry as Mrs. Finch modeled one of his creations, a smart frock.

Mrs. Hugh Porter introduced Miss Betty Caver, Florence State student, who presented background music during the evening.

**Berean Club Meets With Mrs. Pender**

Mrs. R. O. McLemore was in charge of the program when Berean Club members convened at the home of Mrs. Herbert Pender, 1135 Ridgeway Drive, on Tuesday morning. The lesson was a continuation of the current study, "The Word Is Christ."  
Special guests were Mrs. William S. Tune and her aunt, Mrs. J. M. Payne of Columbia, S. C., who is here for a Winter visit.  
The hostess served salad and coffee following the program.

**Current Events Club Hears Guest Speaker**  
Mrs. R. C. Fuller, hostess to Current Events Club on Thursday afternoon, January fifth, welcomed members and four additional guests, Miss Pearl Sparks, Mrs. Monte Sandlin, Mrs. Otis Peacock and Mrs. B. J. Godfrey who gave the program, at Rogers Hall.  
In relating incidents from the 1960 Summer travels which she and her daughter, Miss Barbara Godfrey, enjoyed among the beauty spots of Europe, Mrs. Godfrey departed from the usual in travel talks to touch on the mechanics of the trip and to relate anecdotes and amusing and unexpected side-lights.  
Mrs. Joe Redd and Mrs. Leo King presided at the teatable during the refreshment hour.

**Mrs. King Hostess Hypatian Club Meet**

For their first meeting of the New Year, Hypatian Club members gathered at "Irvine Place," home of Mrs. Madding King who included in the afternoon's hospitality a few additional guests: Mrs. Lloyd Johnson, Mrs. Robert Griffin, Mrs. Fred Osborn and Mrs. Lance Price.  
Mrs. H. A. Flowers, program chairman, selected for reviewing Moss Hart's autobiography, "Act One," which is a "detailed account of the author's personal and professional life including his turn to writing," said Mrs. Flowers.  
Mrs. Wesley Patton and Mrs. William C. Calhoun assisted the hostess with teatime courtesies.

**Altruist Members Applaud Travelogue**  
"It was the next best thing to traveling through Mexico," said a reporter of the last-Friday meeting of Altruist Club as she relayed bits of Mrs. Peerson Shanks' program, a Mexican travelogue. By the use of colored slides and descriptive phrases, the guest speaker carried her listeners into many of the colorful settings which were included on the itinerary of her recent travels.  
Mrs. G. B. Ashcraft, Mrs. Clint Simpson and Mrs. Clay Thomas were cohostesses; the Town and Country Room of Holiday Inn the meeting place. Included in the hospitality were Mrs. Cora Jones of Rogersville and Mrs. W. L. Karan, formerly of Chattanooga and a recent addition to Florence social circles.  
A late afternoon tea hour was a pleasant feature.

**Garden Clubs Have Interesting Meetings**

Mrs. George M. Jones, Jr., was hostess last Thursday morning to members of the Maple Heights Garden Club, entertaining at her home on Norwood Boulevard.  
The program was given by Mrs. O. T. Mefford who demonstrated table settings and flower arrangements for teas and dinner parties.  
Following the program the hostess served coffee and morning dainties from a prettily appointed table.

Mrs. Harold Pounders was welcomed as a new member of Better Gardens Club at its meeting last Thursday when Mrs. Ralph Dasher and Mrs. W. O. Whitten, hostesses, entertained at Florence Recreation Center.  
Films on "European Gardens" and "Care and Cultivation of Roses" were shown during the program hour.  
Present with Mrs. Julian Nichols was her mother, Mrs. J. S. Moody of Knoxville, a houseguest in the Nichols home.  
Morning refreshments were a feature of the closing hours.

**Mrs. Greenville T. Henderson of Tampa, Fla., the former Jane Koonce of Florence, underwent eye surgery on Monday in a Tampa hospital.**

Thurmond Lindsay, 1904 Chisholm Road, Florence, is a patient at Ochner's Clinic in New Orleans, La.

**Tempest puts safety-minded performance in a gas-saving 4!**

(Range of horsepower choices from 110 to 155)

Take a Tempest out on the highway and put it through its paces. This car is a whiz at moving into fast-stepping company on an expressway. Takes you from a standing start to a safe operating speed in seconds... gets you up a steep hill in high gear.

Run the Tempest over the roughest road you can find. It rides like the big ones because it's balanced! The engine's up front—the transmission's in the rear. And it's got independent suspension at all four wheels. Tires dig in firm on curves and turns. Full 15-inch wheels make car look big. Tires last. Brakes run cooler.

Before it hit the market, Tempest had 3,000,000 miles of testing by engineers, pro drivers and a team of teenagers. Its reliability checked out 100%. Owners have rolled up millions more. The only kick is the one it puts back in driving. Try it!

Mr. and Mrs. Carter Thompson and Millicent were Sunday afternoon guests in the home of Mr. and Mrs. Bolin Thacker.

## THE SPILLWAY

"I know who Madame Spillway is!"

We hear it all along.  
And it makes us specially happy  
Cause you're usually guessing wrong!

REALLY STEPPIN' OUT (and high) this past week were Jo Carter and Betty Mullins who traveled all the way to Montgomery to attend a tea . . . and it was worth it, because this tea was given by our state's first lady, and in the governor's mansion! "Twas the "Kick off" for the March of Dimes which'll be coming up soon . . . Nice to know that we have such able leaders as Jo and Betty to take charge here.

ANOTHER GIFT on the Florence State campus which meant travel (and the first case we're referring to is "Miss Willie" MacFarland's trip to California) . . . was a trip which (Coach) Hal Self and (wife) Shirley took to New Orleans to use tickets to the Sugar Bowl game which were GIVEN to them . . . Everything worked out to perfection for them since their journey took them via Birmingham where they "deposited" the "little Selfs with Shirley's parents."

AND IT WAS ALSO A NICE COINCIDENCE of circumstances for the Rutland Cunninghams last week. "Rut" and Sarah wanted to go to Knoxville to visit Sarah's father, Dr. Thackston, who has been ill . . . and daughter Pat wanted to be driven back to the University of Tennessee where she is a Senior . . . so one trip did for two purposes . . . And the final piece was fit into the picture by Edwina MacClure, who was hostess to the youngest Cunninghams, Sally and Ben, during their parents' absence.

MUCH PARTYIN' AND VISITIN' went on during the just-ended visit here of Cissy and Norman Coleman. There was hardly enough time for them to get in a visit with all the friends they'd made while they lived here, especially since the young daughters, Kathy and Nancy, had their date books filled too. Understand that the entire family enjoys living in Longview (Texas) very much, but we hope they'll keep the visits here on a regular schedule.

SPEAKING OF SCHEDULES, we've just heard of a unique one. Seems that "Our Miss Rogers" of Coffee High faculty, is a Jack Parr fan, (which is the nicest thing we've heard about him!) . . . but she also wants her quota of "shut-eye" so as to be her mentally-alert self in the classroom each day. Since Mr. Parr's program comes on at 10:30 p.m., our smart friend works it this way: she takes a nice nap after dinner each night, then an alarm clock awakens her in time for the mid-night show. A real organization of time!

ONE OF OUR FAVORITE business establishments has become even more favorite. We've always enjoyed having business dealings with (tailor) Phillip Arelio, because he's such a pleasant person, but on a recent visit to his shop we found that he has now installed musical background with the latest recordings being played. Now the crowds who habitually flock to his shop when there's a parade going up the street will probably

### Exchange Shown "In Your Defense"

Forrest Brice, manager of Southern Bell Telephone and Telegraph Co., was the guest speaker before the Florence Exchange Club at Hotel Reeder Tuesday noon. Harold Cater had charge of the program and presented the speaker.

Following brief opening remarks, Mr. Brice presented the most interesting film, "In Your Defense," a film showing the defenses of continental United States in which the telephone company has co-operated with other firms in perfecting SAGE and other means of defense.

Harold May announced the request of the club to the City and County Commissioners for funds to complete the local public library, a project sponsored in the beginning by both bodies and that work on the project will begin today by the Massey Construction Co., low bidders.

D. M. Harris was a guest at the meeting.

### Christmas Melon Cut By Ballews

We never cease to marvel at the great variety of fresh fruits and vegetables in our modern super markets in the winter months but the 30 pound home-grown watermelon served at Christmas-time by the A. A. Ballews of Cloverdale is really one for the book.

Mrs. Ballews, who is an ardent camera fan, brought a color photo of Mr. Ballews cutting the big yellow-meat melon which she said was harvested in July and placed in the hallway of the house. It was never frozen and kept perfectly until Christmas.

Those visiting in the home of Miss Sarah Cockrell Sunday afternoon were Misses Brenda Tarpley, Anita Belue, and Judy Cockrell.

This is the Impala Sport Coupe—just one of 20 Jet-smooth Chevies!

HERE'S WHAT GIVES CHEVY ITS JET-SMOOTH RIDE—  
Full Coil suspension—Chevy's one of the few cars with a coil spring at every wheel. Precision-balanced wheels—For smoother rolling with less vibration. Sound-hushing insulation—Sheet metal is carefully insulated against drumming and vibration. 51 built-in "shock absorbers"—Cushion the chassis against shock and shake. Live rubber body mountings—Extra-large butyl rubber cushions that further isolate the ride from the road.

Better just circle your dealer's block the first time you try a Jet-smooth '61 Chevy. Get anywhere near an open highway and he's liable never to see you again.

What we mean, Chevy's ride whets your yen to travel. Wins you over with its delightful coil-spring smoothness, its hushed comfort and light steering. You find yourself feeling sorry for people who buy higher priced cars, thinking they have to pay premium prices for a luxury ride.

That may have been true at one time, but not any more. Chevrolet's ride, its roadability, just doesn't take second place to anybody's. Drive one soon and see.

Monday afternoon the Pleasant Hill Woman's Society of Christian Service met at the home of Mrs. Arthur Finch for a program meeting.

### P.T.A.:

Thursday night at 7 o'clock a P.T.A. meeting will be held at Central. Lon Harbin, president, presided. Rev. E. L. Hunt will give the devotional. There will be a panel discussion on "Teenage Problems." All parents and teachers are urged to attend.

### Showers:

Mrs. Garland Mitchell's home was the setting for a bridal shower given in honor of Mrs. Gary Balentine, formerly Miss Brenda Holden of Killen last Friday night. Receiving with the bride was her mother-in-law, Mrs. Odell Balentine.

A pink and white color motif was used in decorating with silver accessories. Mrs. Andrew Thrasher and Mrs. Ben Brown were co-hostesses. Mrs. Brown Mitchell and Mrs. Bobby McCormick assisted with the entertaining. The honoree wore a white brocade dress with a pink carnation at her shoulder.

Another recent bride of Central is Miss Linda Haddock, daughter of Mr. and Mrs. Price Haddock, who became Mrs. Jimmy Mitchell, when the marriage vows were read at the Haddock home. Mr. Mitchell is the son of Mr. and Mrs. Horace Mitchell and a graduate of Central.

### Persons:

Mrs. J. C. Seaton Sr. had her grandson Jabus R. Wesson from Seattle, Wash., to visit her Saturday, also Mr. and Mrs. LeRoy Cabiness of Florence.

Her guests this week is Mrs. H. W. Wesson of Waterloo. Rev. and Mrs. Frank Martin are home from a recent visit to their parents at Covington, Ga. and Jacksonville Beach, Fla.

Freddie Lovelady of U.S. Navy stationed at Memphis was home for the week end with his wife the former Nancy Seaton.

## News Of LEXINGTON

By Myra Porter

### Persons:

We are sorry to report that we have several in our community who are ill, among those are: Willie Shelton, who is still in the ECM hospital, others in the ECM are Sammie Newton, Mrs. Mertie Truitt and Mrs. Ellie Cottrell, who is suffering from a broken hip. We wish for all of these a speedy recovery.

Billy Baugh is in the Kennedy V. A. Hospital in Memphis, where he was to undergo surgery last Tuesday.

We are sorry to report that the home of Jessie Wisdom was completely destroyed by fire last week.

The G. H. Porter family were Saturday guests of Mr. and Mrs. Delton Porter and family in Mount Pleasant, Tennessee. They also visited with Mr. and Mrs. Lindon Porter and sons in Lawrenceburg Saturday night.

Visiting in the G. H. Porter home on Sunday were James and Hagan Cooper, Gwin Creel of Athens and Carolyn Allen.

### Wedding:

Congratulations to Betty Campbell and Jimmy Phillips who were married last Saturday night, January 7, at the Methodist church in Lexington. Vows were read by the minister W. R. Smith at 6:00 p.m. Mr. and Mrs. Phillips will make their home in Guntersville, where he is employed.

### Clubs:

The H.D. Club met recently and new officers were elected. They are as follows:

Mrs. Reba Williams, President; Mrs. Lila Springer, Vice President; Mrs. Ora Cottrell, Secretary and Treasurer; Mrs. Berdie Fields, Reporter.

## Come to Church for Services

"A FAMILY THAT WORSHIPS TOGETHER — STAYS TOGETHER"

When Christopher Columbus began his probe of an unknown ocean there were many who predicted he would soon reach the edge of the world . . . and fall off into nothingness.

Today we are probing that **nothingness**. The edge of the world is everywhere; and man eagerly reaches for whirling worlds that pioneers yet unborn may colonize.

As we explore the vastness of God's creation we realize with greater awe His might and majesty. But greater, we know, is our need for understanding His Will, and His Love for man.

For man can take to his new worlds tomorrow only the Truth and Faith and Life he discovers in this world today.

Therefore, while a few gifted scientists are building highways from the edge of the earth, the Church is offering everyone opportunity to probe the spiritual depths which shall determine our destiny.

Copyright 1961, Kreiter Adv. Service, Strasburg, Va.

**THE CHURCH FOR ALL ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

NEW U. S. CENSUS SHOWS  
A POPULATION INCREASE  
IN THE SOUTH IN THE LAST  
DECADE GREATER THAN  
THE PRESENT COMBINED  
POPULATION OF 14 STATES

Progress Report...  
Southern style!

ONE WAY to measure the progress and growth of an area is to keep an eye on its population changes. Is the trend upward — or standing still? Here is the record for the modern South...

Based on the 1960 U. S. Census, in the last decade the population increase in the 13 states served by Southern Railway was greater than the present combined population of 14 states outside of the South! What's more, this gratifying gain in population was accompanied by a percentage increase in per capita personal income higher than the national average.

This kind of progress has a real meaning for all of us in the South. It has brought

about new and fast-growing markets for goods of all kinds. It has helped expand and diversify the economic development of the modern South. It has created thousands of new job opportunities for men and women workers here.

Yes, this is progress, Southern style. It is more than a proud record of the past. It's a promise of still greater achievements ahead, with all of us continuing to work together for the continued progress and growth of the amazing, modern South.

## Federal Land Bank Lowers Loan Rate

L. N. Thompson, manager, Federal Land Bank Association of Florence, advises that The Federal Land Bank of New Orleans has reduced its loan rate from 6 per cent to 5 1/2 per cent effective January 2, 1961. Thompson further stated that all land bank loans made since December 1959 at the 6 per cent rate would, until further notice, be billed at the 5 1/2 per cent rate. In connection with the interest reduction Thompson said that while the cost of money to the bank was still at a comparatively high level, there had been sufficient improvement to warrant the reduction. He said that the bank, as a farmer-owned system, is constantly striving to serve agriculture to the best of its ability. He was especially glad that present borrowers with 6 per cent loans would, until further notice, get the benefit of the reduction in

## "LIVING TONE"

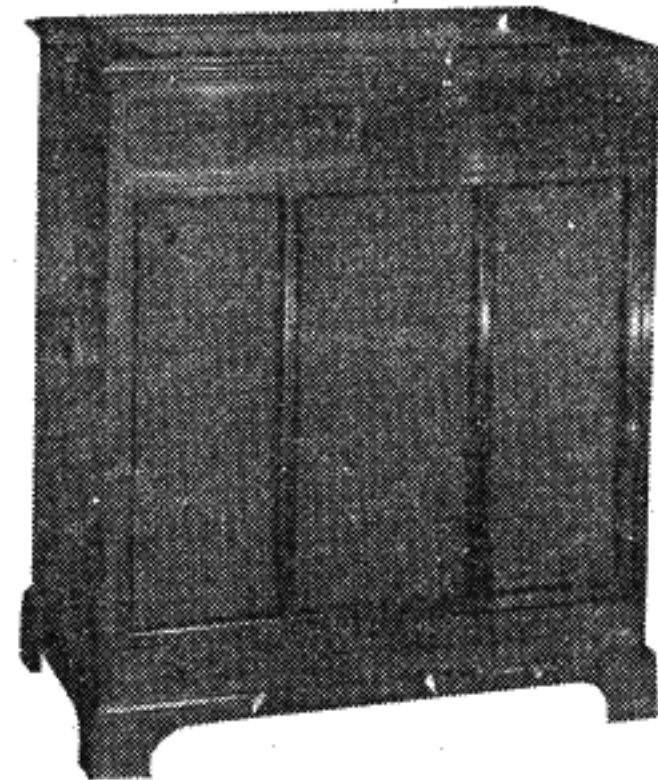

a new HAMMOND advancement in organ sound

You're in for a wonderful surprise when you hear Hammond's New "Living Tone". "Living Tone" becomes a reality through Hammond's engineering advancement in the design and construction of tone cabinets.

The new Hammond tone cabinets bring an exciting new dimension to organ music:

- String tones are brilliantly alive!
- Bass notes are full and smooth!
- Instrumental voices are more clearly defined!
- Church Tones are incomparably beautiful!

Wherever you listen in the room, the music flows around you in exciting new "Living" three-dimensional tone. And music played with vibrato has a new, rich multi-rank chorus effect of dozens of instruments playing in unison.

Hammond's new PR Series Tone Cabinets PR-20 and PR-40. The newly styled simple classic lines will go perfectly with your decor, whether it is traditional or modern. They are available in walnut, oak, and Provincial finishes.

Telling you about "Living Tone" can't begin to convey the thrilling experience of hearing it yourself. Come in today for a special demonstration. No obligation, of course.
